

FALCON

Go Further

Performance meets luxury

Combining a formidable driving experience with the kind of features and comforts you'd expect to find in a luxury car, this Falcon is the ultimate Falcon.

G6E shown in Smoke and XR6 Turbo shown in Kinetic.

Beyond expectations

The G-Series offers plenty in the way of luxury and comfort, without ever compromising on power and driving pleasure.

G6E Turbo shown in Lightning Strike.

The icon returns

Set your pulse racing with the XR8. Power, performance and superb handling combine to create a truly exhilarating drive.

XR8 shown in Victory Gold.

Smarter on the inside

Smart driving technologies and the latest in comfort and entertainment sit neatly within the Falcon's interior. 9

XR8 interior shown.

A truly exhilarating drive

Enjoy a superior driving experience with advanced new engine technologies and the latest in high performance engineering and tuning.

6-speed automatic transmission.

Employing advanced mechatronic units that deliver precise control and refinement to all 6 gears, the automatic transmission ensures smooth delivery of power and torque for a thoroughly enjoyable drive.

1. Virtual Pivot Control Link front suspension.

Designed specifically to suit Australian conditions and roads, the Virtual Pivot Control Link front suspension combines precise steering control and maneuverability with excellent levels of comfort.

2. Monotube shock absorbers.

Improving the vehicle's connection to the road while providing improved handling and a more responsive drive.

3. Performance brakes.

Standard on G6E Turbo and XR6 Turbo, these larger diameter brakes feature vented discs to deliver outstanding stopping performance.

4. Specially tuned tyres.

Precision tuned tyres and a clever new wheel design reduce road noise for an enhanced driving experience.

5. Control Blade Independent Rear Suspension (IRS).

One of the most advanced suspension systems on any Australian built car, IRS promises greater handling ability and enhanced ride comfort.

XR6 Turbo shown in Silhouette.

Ford offer a range of smart, high-tech engines from the performance packed 5.0L V8, 4.0L I6 and I6 Turbo to the cleaner, greener EcoLPi engine. Each are built to the highest specifications for dynamic drive quality.

Fuel cost comparisons.

With EcoLPi you could save on fuel costs compared with a petrol model, without sacrifice to power and torque. The EcoLPi engine delivers an exhilarating 198kW of power and 409Nm of torque to ensure you continue to get the performance you've come to expect in Falcon.

EcoLPi smart engine technology

Enjoy outstanding power and torque and reduced carbon emissions while taking advantage of lower fuel costs. 13

XR6 shown in Emperor.

Ford never stops looking forward and the Falcon's EcoLPi engine is yet another example of thinking smarter to create a solution, in this case utilising low cost LPG fuel. The EcoLPi delivers more power and torque than a petrol engine, as well as outstanding LPG savings and lower carbon emissions. What's more with the EcoLPi engine there is no compromise to boot capacity, it's as generous as ever.

Human technology

Intuitive controls put the driver in full command of comfort, climate and a whole range of driving aids and information. 15

Hands-free music and entertainment.

With the latest in voice control and music streaming technology, your music is now as portable as you are. With two USB docks and iPod® integration, DAB+ digital radio, and Bluetooth® streaming capabilities, SYNC® 2 allows you to use simple voice commands to listen to your tunes. So now you can hear what you want to hear, when you want to hear it, all without taking your hands off the steering wheel.

Voice activated climate control.

Travel in complete comfort with a climate control system that allows the driver and passenger to set and maintain the optimal temperature without lifting a finger using SYNC® 2's voice control.

Hands-free phone.

Hands-free voice control lets you concentrate on the road while making phone calls. SYNC® 2 can connect with your mobile phone and let you seamlessly transfer calls between your car's audio system and phone. You can call your friends and family by name, and never miss a moment.

G6E Turbo interior shown.

Voice activated satellite navigation.

Let your sense of adventure guide you, not a lack of directions. The SYNC® 2 voice-activated navigation system combines GPS technology with 3D mapping to give you turn-by-turn navigation. Just say the word, and we'll take you there.

Make and take calls, ask the satellite navigation system to take you home, adjust the interior cabin temperature, or ask to hear your favourite artists. Just say the words and SYNC® 2 will take care of the rest. It can even automatically call emergency services and give them your GPS coordinates if you've been in a significant accident.* With an 8" colour touch screen and the ability to integrate with your phone or portable music device, SYNC® 2 ensures that you'll always be connected when you need it most.

*iPod is a trademark of Apple Inc. Please refer to ford.com.au for iPod compatibility. *Bluetooth® is a registered trademark of Bluetooth SIG Inc., and is used under licence. Customers should consult their Ford Dealer on the ability of their mobile phone handset to integrate with the Bluetooth® system prior to making a purchase decision. Please visit www.ford.com.au/compatibility for compatible devices. ^To use Emergency Assistance, your phone must be paired and in mobile reception range.

Side curtain airbags.

Providing increased driver and passenger protection in the case of impact, side curtain airbags drop down from the roof to cover the vehicle's side windows. These are standard across the range.

Reverse camera.

Make rear blind spots a thing of the past with a camera that automatically activates when reverse gear is selected providing a 130° wide angle view up to 10 metres behind the car.

Emergency Assistance.

SYNC® 2 is there for you when you need it most. In the event of an accident that deploys the airbags or activates the fuel pump shut off, Emergency Assistance uses your paired and in range mobile phone, to dial emergency services and provides them with your precise GPS coordinates.

Safety is paramount

The Falcon employs the most advanced technologies to ensure that you and your family travel in upmost safety and security.

Intelligent Safety System.

In the event of an accident occurring, information is fed to the Advanced Restraints Module which instantly deploys the appropriate safety technologies.

DSC™

Dynamic Stability Control (DSC)™ strengthens your connection to the road and helps you avoid the problems of over-steer and under-steer. DSC tracks the vehicle's movement and then works in tandem with Traction Control and ABS to help keep the vehicle under control.

Fatigue warning.

Tackling one of the largest hazards to road safety, this feature sounds a warning to drivers to rest after prolonged periods of continuous driving.

Passenger safety cell.

Incorporating ultra-high strength steel for greater all round strength and protection, the safety cell greatly reduces the likelihood of injury.

Airbags.

A set of 6 airbags, including curtain airbags, are arranged around the vehicle to enhance protection of the driver and passengers in the event of a crash.

Follow-me-home lighting.

Front headlights that remain lit for a short period after the vehicle is locked, providing lighting to guide you to your door.

Front and rear parking sensors.

Assists drivers in parking with greater accuracy by providing a proximity warning tone when unseen obstacles are close.

™DSC also known as Electronic Stability Control.

Meet the family

From sports performance to luxury and comfort, the Falcon range delivers it all to put the thrill into driving.

FALCON XR

G-SERIES

FALCON

Falcon interior shown.

Falcon

The Falcon provides the perfect balance between on-the-road performance and interior comfort and control.

Falcon standard features

- 16" alloy wheels
- SYNC® 2 connectivity system with Bluetooth®** hands-free phone and voice control
- Satellite navigation with Traffic Message Channel*#
- WiFi feature
- iPod™ integration
- USB integration
- SD card integration
- DAB+ radio
- 8" colour touch screen
- Front and rear parking sensors
- Reverse camera
- Single-zone climate control
- Side curtain airbags
- Driver and front passenger airbags
- Front seat side thorax airbags#
- Cruise control
- Dynamic Stability Control
- 4-way power driver's seat
- Projector headlamps
- Rear LED tail lights
- Automatic headlamps ON/OFF feature
- Driver's side carpet mat

Falcon shown in Lightning Strike.

iPod™ & USB integration.

To access and control your favourite music through the vehicle's audio system simply use the two built in USB ports to connect your iPod,™ mp3 player or USB stick.

SYNC®2 connectivity system.

SYNC® 2 uses Bluetooth®** and voice recognition technology to integrate with devices like your mobile phone or portable music player. So staying entertained and keeping in touch has never been easier.

Reverse camera.

Make rear blind spots a thing of the past with a camera that automatically activates when reverse gear is selected providing a 130° wide angle view up to 10 metres behind the car.

Airbags.

A set of 6 airbags, including side curtain airbags, are arranged around the vehicle to enhance protection of driver and passengers in the event of an accident.

Voice controlled satellite navigation with Traffic Message Channel (TMC).#

With voice control keyword search, Traffic Message Channel (TMC)* and easy-to-read colour maps, you can get where you need to be quickly and efficiently.

16" alloy wheels.

These alloy wheels bring a refined finish to the Falcon.

G6E interior shown.

G-Series

Luxury lovers need look no further. Incorporating the latest Ford smart technology, the G-Series provides the ultimate in comfort and luxury.

G6E standard features (In addition to Falcon)

- 18" alloy wheels
- Premium audio system
- Dual-zone climate control*
- Rain sensing wipers
- 8-way power driver's seat
- Leather accented seats
- Daytime running lights

G6E Turbo standard features (In addition to G6E)

- 19" alloy wheels
- 270kW/533Nm turbocharged engine
- Front fog lamps
- Front scuff plates
- Perimeter alarm

*Traffic information is provided through an arrangement with Intellematics Australia Pty Ltd. Traffic information is based on data provided with the permission of one or more third parties. Should Ford's arrangement with Intellematics Australia Pty Ltd cease for any reason, the ongoing provision of traffic information cannot be guaranteed.

G6E shown in Lightning Strike and G6E Turbo shown in Emperor.

Dual zone climate control.

Travel in complete comfort with dual-zone climate control that allows both the driver and passenger to set and maintain their optimal temperature. Using SYNC®2 with voice control drivers can change temperature without lifting a finger off the steering wheel.

Leather accented seats.

Leather accented seats add another layer of polish to the already stylish Gseries interior.

Voice controlled satellite navigation with Traffic Message Channel (TMC).#

With voice control keyword search, Traffic Message Channel (TMC)* and easy-to-read colour maps, you can get where you need to be quickly and efficiently.

Rain sensing wipers.

Front windscreen wipers that are activated automatically when it begins to rain.

18" alloy wheels.

These 20-spoke alloy wheels bring the next level of style expected of G6E Falcons.

19" alloy wheels.

These 10-spoke alloy wheels are designed to give the G6E Turbo the performance look that matches its engine's credentials.

XR6 interior shown.

Falcon XR

The Falcon XR is made for the road. With the latest engine and transmission technologies, it delivers all you want and a whole lot more.

XR6 standard features
(In addition to Falcon)

- 18" alloy wheels
- Front fog lamps
- Prestige audio system
- Rear spoiler
- Sports rear bumper

- Sports leather wrapped steering wheel
- Alloy pedal covers
- Rain sensing wipers
- Daytime running lights
- Front scuff plates

XR6 Turbo standard features
(In addition to XR6)

- Chrome front fog lamps
- 19" alloy wheels

XR8 standard features
(In addition to XR6 Turbo)

- Leather accented sports seats
- Dual-zone climate control
- Brembo brakes
- Matching alloy spare wheel

XR6 Turbo shown in Lighting Strike and XR8 shown in Victory Gold.

Rain sensing wipers.
Front windscreen wipers that are activated automatically when it begins to rain.

Sports leather wrapped steering wheel.
A superior feel beneath your fingers sets the tone for a vehicle that's a cut above the rest.

18" alloy wheels.
Bold and dynamic 18" 10-spoke alloys add an extra bit of style to the already impressive Falcon XR6 and XR6 Turbo.

XR6 Luxury pack.
• 19" XR6 Turbo alloy wheels
• Leather accented sport seats
• Premium audio system
• Dual-zone climate control

XR6 Turbo Luxury pack.
• Leather accented sport seats
• Premium audio system
• Dual-zone climate control

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

Safety

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions that make life a little easier.

Speak to your Ford Dealer today about how we can help you make the most out of your vehicle ownership experience.

Complimentary State Auto Club Roadside Assistance and Membership.

Our commitment to your complete satisfaction plays a major role in everything we do. That is why we provide a 12 month Roadside Assistance package including State Auto Club Membership for all Retail and Blue Fleet Customers (with fleets less than 5 vehicles).

This package gives you access to the largest network of roadside assistance providers in the country, so you can be assured that you have non-stop coverage every day of the year.

The benefits of being a member are not limited to the peace of mind of 24/7 roadside assistance. You also have access to a wide range of member benefits including Show Your Card & Save. In addition, you will maintain any benefits accrued through your existing years of membership (where applicable).

Complimentary State Auto Club Roadside Assistance & Membership is valid for eligible Ford vehicles and is available from participating Authorised Ford Dealers only. Visit your local Ford Dealer or refer to ford.com.au for more information and full terms and conditions.

Warranties & Service.

3 year/100,000km new car warranty.#

For three years or 100,000km, whichever comes first, your Ford is covered against any defects in factory materials or workmanship. This also applies to Genuine Ford Accessories you may have had fitted before you took delivery.

5 year warranty against perforation corrosion.#

It's reassuring to know that the original body of your gleaming new Ford is guaranteed against perforation corrosion for the first five years of its life. If perforation corrosion occurs, we'll fix it for free.

myFord Warranties and Insurance.

When you first turn the key of your brand new Ford you want to do so without a care in the world. Our range of myFord products gives you that extra peace of mind. For more information about myFord Warranties and Insurance, visit your participating Ford Dealer for further details on the plans that best suit your needs. Terms, conditions and eligibility criteria apply.

12 months/15,000km service intervals.

Under normal driving conditions service intervals are 12 months or 15,000km, whichever occurs first.

FORD SERVICE

At Ford, we are committed to providing an outstanding ownership experience. For example, we think you should always know what you're going to pay for a standard service, before you go in. So we offer a Service Price Promise for the life of your car, which means we'll publish the maximum price you'll pay for your next A or B logbook service at participating Authorised Ford Dealers on all vehicles built from 2007.

However our service doesn't end at the service garage. With each standard service at a participating Auto Club Dealer, Retail and Small Business

Customers (fleets of less than five vehicles) will also receive up to 12 months Auto Club Membership (including free Roadside Assistance), for up to seven years. Eligible customers will even have access to a free loan car with any scheduled service, through participating dealers. Why do we do all this? Because at Ford, we think that's what service should be.

For more details visit your participating local Ford Dealer or visit ford.com.au/service/t-and-c for full terms and conditions.

#Conditions and exclusions apply. For more information consult your authorised Ford Dealer.

This brochure details specifications and features of the FG X Falcon. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire FG X Falcon model range. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and Illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
