About this catalog. We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

Voyager LE high-back front reclining bucket seats, shown in Cordovan.

VOYAGER LE OUTWARD BOUND IN LUXURY.

Going places and getting there in style. That's what the premium Voyager LE is all about, proving quite conclusively that versatility doesn't have to mean boring.

LE stands for comfort, good looks and standard luxury features that cater to your needs and wants. An example: the standard forward storage console which includes a calculator storage pocket, cassette tape storage, cup and coin holders, even a writing board and more. Other examples, the standard AM stereo*/FM stereo radio, dual power remote rearview mirrors, deluxe sound insulation and luxurious interior appointments.

Obviously, when Plymouth created Voyager LE they thought of everything—most importantly, you.

*Some AM stereo broadcasting may not be compatible with this radio.

Voyager LE, shown in Dark Cordovan Pearl Coat with woodtone applique.

AMERICA'S NEWEST LEGEND

It takes a special kind of vehicle to revolutionize the American automotive industry and at the same time provide the perfect answer for the always-varying transportation needs of the modern American family. That's exactly what Plymouth Voyager has done. And that's why Voyager has so quickly become America's newest legend. □ Voyager has pioneered new directions by combining front-wheel drive, handling stability and ease, liftgate versatility, an unbelievable number of seating and cargo-carrying possibilities, garageability and true car-like comfort and control all in one pleasing shape. □ And though many imitations of Voyager have been attempted since its introduction, its most desirable

quality remains unique. Plain and simple, Voyager is fun. Fun to drive, fun to use, fun to adapt to your very individual needs. The 1987 Plymouth Voyager... so accommodating, once you've lived with it, you'll understand why Americans everywhere from all walks of life are rejoicing.

Voyager, shown in Charcoal Pearl Coat.

Voyager SE, shown in Garnet Red Pearl Coat/Dark Cordovan Pearl Coat two-tone paint.

Voyager SE, shown in Garnet Red Pearl Coat/Dark Cordovan Pearl Coat two-tone paint.

VOYAGER SE ROOM WITH A VIEW

Moving lots of people lots of the time? Mid-line Voyager SE is for you. A choice of available seating for five, six, seven or eight passengers allows you to choose an arrangement that fits everyone and everything and still enjoy room with a view.

Voyager SE is an attractive view in itself, from the unique bodyside and liftgate striping to the standard sport wheel covers. Add one of the discount equipment packages and you've created a personalized Voyager SE ready for your individual pursuits without taxing your resources.

Voyager features user-friendly designs.

The low step-up height design of the convenient sliding right side passenger door and driver's door makes entrances and exits easy and convenient. A passenger-assist strap on Voyager SE and LE helps, too. And the sliding right door features a close-to-the-body design to protect Voyager's finish in tight parking spaces.

A spacious engine compartment with filters, spark plugs and dipsticks positioned for easy access.

Voyager's space is on the inside, not the outside. Its modest overall length and standard power-assisted rack-and-pinion steering make parking a breeze.

**THE GANG'S ALL HERE...
AND COMFORTABLE.**

Voyager's standard five-passenger seating (A) can be complemented with available seating packages for an almost unlimited range of passenger and cargo-carrying capabilities. There's room for up to seven (B) on Voyager SE and LE, and up to eight (C) on Voyager SE. There's even an available Converta-Bed option (D) that sleeps two in comfort with the flip of a latch.

With Voyager SE's and LE's optional Seven-Passenger Seating Package you can move or remove rear seating to accommodate your changing needs.

Voyager's standard five-passenger seating features a removable rear seat, giving you up to 125 cubic feet of cargo area for work or play.

Voyager model. Standard all-vinyl trim low-back front bucket seats; or choose the optional cloth with vinyl trim low-back front bucket seats. A three-passenger rear bench seat in matching trim is included. A Six-Passenger Seating Package is available with the addition of the cloth with vinyl trim 40/60 split bench front seat. Available in Almond, Cordovan, Silver/Charcoal.

Voyager SE. Standard deluxe cloth with vinyl trim high-back front bucket seats or optional luxury vinyl high-back front bucket seats, both with integral head restraints, inboard armrests, and driver and passenger recliners. A three-passenger rear bench seat in matching trim is included. A Seven-Passenger Seating Package is available, as are Six- or Eight-Passenger Seating Packages with the addition of the 40/60 split bench front seat in cloth with vinyl trim*. In Almond, Cordovan, Twilight Blue, Silver/Charcoal.

Voyager LE. Standard luxury cloth trim high-back front bucket seats with integral head restraints, inboard armrests, seatback storage pocket, and driver and passenger recliners; or choose these same seats in soft-touch vinyl at no extra cost. A three-passenger bench seat in matching trim is standard. The Converta-Bed or Seven-Passenger Seating Packages are also available. In Almond, Cordovan, Twilight Blue, Silver/Charcoal.

*Not available in Twilight Blue. * Twilight Blue is available in vinyl only.

VOYAGER ENGINEERING

All Voyagers, from the base model to the premium Voyager LE, benefit from proven Plymouth engineering, giving Voyager a competitive edge that will satisfy even the most demanding driver.

Engines Voyager's standard 2.2-liter four-cylinder engine is matched to a five-speed manual transaxle with fifth-gear overdrive for improved fuel usage at highway speeds. A three-speed automatic transaxle is also available, as is the powerful yet economy-wise 2.6-liter Mitsubishi-built four-cylinder engine. (Three-speed automatic transaxle required.)

Brakes and Steering All Voyagers offer standard power-assisted brakes with fade-resistant front vented discs and self-adjusting rear drums which feature a load-sensing proportioning valve to ensure utmost safety with varying loads. Standard power-assisted rack-and-pinion steering provides the maneuverability and ease of driving rarely found in vehicles of Voyager's class.

Front-Wheel Drive Front-wheel drive is, of course, standard on all Voyagers. Chosen for its improved traction and proven pulling power, front-wheel drive aids the Voyager goal of going anywhere, anytime.

Protection Urethane-coated lower bodyside panels and the extensive use of galvanized steel help protect Voyager from corrosion throughout its long life.

Voyager, shown in Charcoal Pearl Coat with Silver/Charcoal interior.

VOYAGER STANDARD FEATURES

Voyager isn't just rugged engineering and comfortable accommodations. It's also a myriad of helpful features that keep your roadtime efficient and enjoyable.

A. The Voyager LE instrument panel—an example of the Plymouth commitment to drivers. Featuring a luxury steering wheel, AM stereo *FM stereo radio with electronic tuning and integral digital clock (the available premium system is shown here), and cup holders. Also shown is the Gauge With Gauge Alert Package for comprehensive road info including an engine coolant temperature gauge, low voltage warning light, oil pressure gauge, and trip odometer.

B. Your personal "command central" starts here: the high-back luxury cloth trim reclining front bucket seats with integral head restraints and inboard armrests are standard on Voyager LE models and available in vinyl trim at no extra cost.

C. Voyager accommodates everyone. The convenient rear storage bin on the left rear wheelhousing also features dual cup holders. (Padded lid/armrest for seven- or eight-passenger seating shown).

D. Along with all the equipment we give you, we give you room for your own. The underdash locking forward storage console, standard on Voyager LE and available only in the Popular Equipment Discount Package on Voyager SE, features a large locking lower compartment and nine-cassette tape storage space.

E. Voyager's upper console door opens to another array of convenience features including ashtray and lighter, a calculator storage pocket, cup and coin holders, map light and writing board.

F. Voyager LE's overhead console offers front and rear map/reading lights as well as separate storage areas for garage door opener and sunglasses, and readouts for outside temperature and compass heading. (Available in the Popular Equipment Discount Package only.)

G. Out of sight is out of mind. Voyager's standard locking storage drawer beneath the front passenger bucket seat keeps larger items safely concealed.

H. Voyager's standard rear wiper/washer keeps your liftgate window clear for driving, whatever the weather.

I. Fresh air on demand is yours with Voyager's standard flip-open center and rear side quarter panel windows. (Remote control rear quarter vent windows are available in the Popular Equipment Discount Package on SE and LE models only.)

*Some AM stereo broadcasting may not be compatible with this radio.

VOYAGER OPTIONS

Personalizing Voyager for your specific needs and wants is easy. Just look at the selected options below.

A. Tilt steering column offers variable adjustments for just the right driving position. Available on all Voyager models and included with the Popular Equipment Discount Package on Voyager LE models.

B. The electric rear window defroster automatically clears the view.

C. Illuminated vanity mirror on both driver and front passenger visors makes touch-ups simple. (Available in the Voyager SE or LE Popular Equipment Discount Package only.)

D. Premium AM stereo²/FM stereo radio features electronic tuning, seek-and-scan, Dynamic Noise Reduction³, a cassette tape player with automatic reverse, four speakers and integral digital clock.

E. Power windows and door locks add value, convenience and peace of mind to Voyager SE and LE.

F. Air conditioning keeps things cool with bi-level ventilation and a four-speed blower switch.

G. Liftgate-mounted dual floodlights brighten the rear cargo loading area and interior for simple nighttime visibility. (Available with Light Package only.)

H. Luggage roof rack increases cargo-carrying capabilities and includes adjustable crossrails and multiple tie-downs.

Voyager's sense of style is evident in the selected available wheel covers and road wheels shown below. (1) Wire wheel covers offer classic styling; locks increase security. Available on Voyager SE and LE only. (2) Fourteen-inch cast aluminum road wheels are an integral part of the Voyager SE and LE Sport Road Wheel Package. (3) Styled road wheels with bright trim ring, lug nuts and hub cover round off the selection on all Voyager models.

²Some AM stereo broadcasting may not be compatible with this system.

³Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.

VOYAGER EXTERIOR COLORS

VOYAGER TWO-TONE COLORS*

*Available at extra cost.

*Available at extra cost on Voyager SE. No-charge option on Voyager LE as replacement for standard woodtone treatment. Not available on base Voyager.

NOTE: Due to printing limitations, the colors shown will vary slightly from actual hues. See your Plymouth dealer for accurate color chips.

Clear Coat finish is standard on every 1987 passenger car built by Chrysler Motors.

SPECIFICATIONS

Wheelbase	112.0"	Width—Cargo compartment between wheelhouses	48.2"
Overall Length	175.9"	Cargo Volume	
Overall Width	69.6"	Five-passenger seating	60 cu ft
Overall Height	64.2"	Rear seats removed	125 cu ft
Length—Driver's seatback (top of seat) to liftgate	72.4"		

5/50 LIMITED WARRANTY

Upon expiration of the basic 12-month or 12,000-mile new vehicle limited warranty, limited warranty coverage is extended on power train components to five years or 50,000 miles (two years or 24,000 miles for fleet and lease vehicles), plus outer panel rust-through protection of five years or 50,000 miles. A deductible may be required. Export vehicles excluded. See copy at your dealer.

OPTIONAL SERVICE CONTRACT

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Coverage starts on the specified major components after your vehicle's basic 12-month or 12,000-mile limited warranty expires and continues for five years or 50,000 miles from the original warranty start date. A deductible applies. Allowances for car rental and towing are also included. See copy at your dealer.

CONSIDER LEASING

More consumers are considering leasing as an alternative to buying. Leasing a new Plymouth Voyager usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

MOPAR parts are engineered by Chrysler Motors for use in your new Plymouth Voyager. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

All product illustrations and specifications are based on authorized information. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

The Pride Is Back.
