

05 CARS

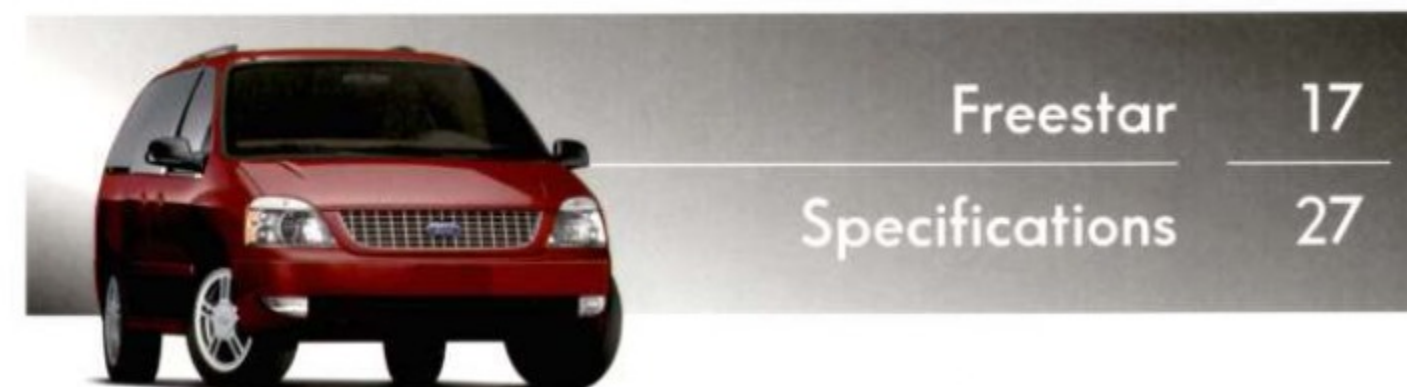

FIVE HUNDRED • FREESTYLE • FOCUS • TAUROS • CROWN VICTORIA • FREESTAR

Ford Cars – Redefining Personal Transportation.

Ford has introduced more redesigned and all-new 2005 cars to the U.S. than any other company. Everything from the spacious Five Hundred, to the adventurous Freestyle, to the fun-to-drive Focus.

With innovative Command Seating™ that raises your seating position, the all-new Ford Five Hundred elevates the sedan. Advanced powertrains offer quick, efficient performance, while front-wheel drive or available All-Wheel Drive provide confident, capable handling. Inside, it's spectacularly spacious, with interior room and trunk room that lead the class.*

The all-new Ford Freestyle is loaded – with endless possibilities. Cleverly bridging the gap between a car and an SUV, Freestyle allows you to seat up to 7 and carry their cargo as well. It's well-designed to handle your active life.

Sporting a fresh, refined look inside and out, the redesigned Ford Focus is loaded with powerful new engines and a sporty suspension that takes its superior driving dynamics to a whole new level.

So sit down, buckle up and prepare yourself for departure. With the all-new Five Hundred and Freestyle joining Focus, Taurus, Crown Victoria and Freestar, Ford cars promise you quite a ride.

*Standard 5-Passenger Large Car class.

Elevating The Sedan.

Establishing a new level of spacious comfort and refined performance, the all-new Ford Five Hundred reclaims the sedan high ground. For easy entry and exit, as well as enhanced command of the road behind the wheel, innovative Command Seating™ elevates your seating position. A long, sweeping profile and pronounced roofline offer a wealth of expansive rewards, including more rear head room, rear leg room, and more interior volume than any sedan in its class. And out back, Five Hundred has the largest trunk of *any* sedan. Front-wheel drive and available All-Wheel Drive supply confident, controlled performance while an available Continuously Variable Transmission (CVT) or 6-speed automatic offer world-class response. You could say we've redefined everything the sedan can – and should – be.

See page 19 for Five Hundred specifications.

Largest Trunk of Any Sedan

Fold-Down Front-Passenger Seat

Innovative Command Seating™

All-New Five Hundred

When 203 Horsepower Beats 250.

By pairing the torque-laden power of its 3.0L Duratec 30 V6 engine with its class-exclusive CVT, Five Hundred's 0-60 mph time of 7.45 seconds* beats the 250-hp Chrysler 300 Touring, among others (see chart below). Quick and efficient, Five Hundred's advanced powertrain technology delivers a highly responsive 203 hp and 207 lb.-ft. of torque. And because it uses engine torque so wisely, engineers were able to optimize fuel economy as well.** A finely tuned independent suspension, power rack-and-pinion steering and 17" or available 18" wheels help you command any road with confidence and authority.

See page 19 for Five Hundred specifications.

*Based on AMCI-Certified testing against segment competitors (Ford and Chrysler '05 models; all others '04).
 **EPA-estimated 21 mpg city/29 hwy. (6-speed auto.) and 19 mpg city/26 hwy. (CVT w/AWD).

3.0L Duratec 30 V6

CVT's Steel-Link Belt

Acceleration (0-60 mph time)	
Ford Five Hundred SE	7.45 sec.
Toyota Camry XLE V6	7.79 sec.
Chevrolet Impala LS	7.99 sec.
Chrysler 300 Touring	8.00 sec.
Toyota Avalon XLS	8.61 sec.

Five Hundred Accelerates Faster

One Vehicle. Endless Possibilities.

Somewhere between a car and an SUV, there's a brand-new way to get around. Introducing the all-new Ford Freestyle: everything you love about a car, and everything you need in an SUV. Smooth, responsive power flows from a 3.0L Duratec 30 V6 engine that's paired with a class-exclusive* Continuously Variable Transmission (CVT). In fact, the 203-hp Freestyle AWD clocks a faster 0-60 mph time (8.65 seconds) than the 250-hp Chrysler Pacifica Touring AWD (9.57 seconds).** Available All-Wheel Drive reacts automatically to changing traction to help get you through each day's adventure. Whether snow, rain or uneven pavement crosses your path, the system's lightning-fast activation helps you continue your journey. That's true driving freedom. **See page 21 for Freestyle specifications.**

*Class is Medium Crossover Vehicle with 3rd row. **Based on AMCI-Certified testing against '04 class competitors.

The Perfect Fit For Any Lifestyle.

In Ford Freestyle, there's spacious room for up to 7 adults and their cargo. The driver is positioned for success, thanks to an elevated seating position. For 2nd- and 3rd-row passengers, theatre-style seating treats everyone to an exceptional view. No other vehicle in its class offers as much combined leg room in the 1st, 2nd and 3rd rows, and Freestyle's 3rd row features best-in-class leg room, head room and passenger volume. When needs change to include cargo capacity, Freestyle provides the ultimate in interior flexibility, with a fold-in-floor 3rd-row bench seat, fold-down 2nd-row bucket seats and a class-exclusive fold-down front-passenger seat. With all passenger seats folded down, you can fit items up to 9.5' long inside. Whatever your needs, Ford Freestyle quickly adapts.

See page 21 for Freestyle specifications.

The New Ford Focus. It Begs To Be Driven.

Ever notice how some things just get better with time? Like the 2005 Ford Focus. Every year since its debut, Focus has been one of *Car and Driver's* 10Best (5 years running, 2000-2004).* It's also been a *Consumer Guide*® "Best Buy" (4 years)** and an *Automobile Magazine* All-Star 4 times in a row.† That's some serious praise, but we believe there's always room for improvement. So, for 2005, we've given Focus a fresh, refined look inside and out. We've loaded it with sporty suspensions and powerful new engines that actually produce 23% more horsepower, improved fuel economy and lower emissions than last year.†† And we've created the new ZX4 ST performance sedan with a standard 151-hp 2.3L Duratec 23 DOHC engine, 5-speed manual transmission, performance-tuned suspension and Pirelli tires. After all, critical acclaim is nice, but we have more important people to impress — you. **See page 23 for Focus specifications.**

*2000-2004 Focus, all models. **2001-2004 Focus models. †2001 Focus, 2002 Focus, 2002 Focus SVT, 2003 Focus/Focus SVT.
††Based on '04 2.0L vs. '05 2.0L Duratec 20 DOHC engine emissions. EPA-estimated 26 mpg city/35 hwy., 5-speed manual.

Family-Valued.

Ford Taurus richly rewards families, large and small. Its 4-wheel independent suspension and power rack-and-pinion steering help deliver the smooth, agile ride and handling of a luxury automobile. And its versatile interior boasts quite an array of features. Every Taurus includes a message center to inform you of average fuel economy, distance-to-empty and more. Steering-wheel-mounted speed control is another helpful standard. SEL models include a wood- and leather-trimmed steering wheel, and the convenient HomeLink® Universal Transceiver, which can be programmed to activate your garage door opener and 2 other home-based units. The standard Personal Safety System™ and available Safety/Security Package, with its side-impact airbags, anti-lock brakes and Traction Control, add up to the kind of peace of mind everyone can appreciate.

See page 25 for Taurus specifications.

Imagine Yourself In A Timeless Classic.

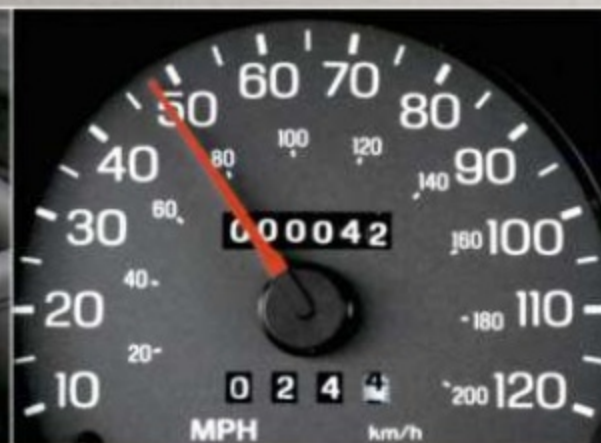

Ford Crown Victoria offers an abundance of room, a remarkably smooth ride, and generous power from its V8 engine that makes owning one a rewarding experience. With 20.6 cu. ft. of space, Crown Victoria's full-sized trunk can handle quite a bit of luggage, and the low liftover height eases loading and unloading. Power-adjustable pedals are available to accommodate short and tall drivers alike. On the safety front, a standard Anti-lock Brake System joins Crown Victoria's Personal Safety System™ that includes driver and right-front-passenger airbags. Side-impact airbags are also available. In fact, Crown Victoria has received NHTSA's 5-Star crash-test rating for both the driver and right-front-passenger seating positions 9 years in a row.* Sometimes it's the little things in life that are most appreciated. And sometimes it's the big things as well.

See page 25 for Crown Victoria specifications.

Versatile By Design.

Whether it's errands, basketball games or hauling remodeling materials, you never know what the day may bring. So it's good to know the versatile Ford Freestar can keep up with your pace. Its 7-passenger interior features a standard 3rd-row Tailgate Bench Seat™* (shown below) that's perfect for tailgating, camping and sporting events. With the available 2nd-row captain's chairs, Freestar can be reconfigured for just about any situation. In addition to the standard Personal Safety System™, the available Safety Canopy™ System includes a segment-exclusive rollover sensor and side-curtain airbags that cover all 3 rows of seating in the event of a rollover or side-impact collision. One of only 2 minivans to be named an Insurance Institute for Highway Safety (IIHS) Best Pick,** Freestar also earned NHTSA's 5-Star driver and passenger frontal crash-test rating — their highest. **See page 27 for Freestar specifications.**

*Rear-facing 3rd-row seat is not intended for passenger seating while vehicle is in motion. **Based on 40-mph frontal offset crash test.
