2005 CUSTOM WHEELS

Our custom wheels go the extra mile to meet or exceed the same original equipment standards as our factory wheels. Your local dealer offers a distinctive collection of wheels for select Ford, Lincoln and Mercury vehicles. And, they're backed by the exclusive Genuine Ford Accessories Limited Warranty, so you can buy with confidence.

FEATURES:

- Designed specifically for each vehicle application.
- Compatible with Genuine Ford Accessories wheel lock kits.
- Fit and function are engineered and tested on all components.
- Durability tested to meet original equipment standards.
- Paints and coatings of all components meet original equipment specifications.
- Chrome plating meets stringent CASS test (corrosion-resistance) standards.
- Each Custom Wheel is kitted and includes:
 - The wheel itself
 - Matching center cap
 - Chromed lug nuts (when exposed, most applications)
- The cost of each wheel can be worked into the loan/Red Carpet Lease payment.

CARS

Wheel lock kit: 2L1Z-1A043-AA

LIMITED WARRANTY INFORMATION

Ford Motor Company will repair or replace any properly dealer-installed Ford, Lincoln or Mercury accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides you the greatest benefit:

- 12 months or 12,000 miles/20,000 km (whichever occurs first), or

- The remainder of your New Vehicle Limited Warranty.

Contact your dealer for details and a copy of the warranty.

NOTE: The product descriptions and specifications contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.

CAUTION TO NOTE:

If the vehicle is equipped with a Tire Pressure Monitoring System (TPMS), it is recommended that your dealer transfer the sensors to the new accessory wheels at time of purchase. Proper sensor installation is critical to TPMS functionality.
