

2005 RANGER *STX*

STYLE, EXCITEMENT AND STREET SMARTS IN ONE HOT PACKAGE.

Come on strong.

The body color lower valance and horizontal grille with integrated fog lamps set you apart from the pack. STX's unique black horizontal grille insert features a body color grille surround for a look that grabs second looks everywhere.

Stay cool and in control.

Silver trimmed rally style gauges give you speedometer, tachometer, fuel and temperature readings against a cool black background.

Inside, your ride styles.

Exclusive to STX, the carbon fiber finish center stack bezel gives a strong, clean statement to the center dash.

Color. Comfort. And flare.

Custom two-tone, cloth, sport bucket seats light up the interior with cool color contrast and downtown style.

Make your mark on the street.

Tri-color taillamps and STX graphic style say this Ranger is something else altogether.

Ranger STX makes all the right moves all day long.

Built Ford Tough and styled to steal the spotlight, this new Ford Ranger STX has got it all going on. Low-profile effects and high design detail make the STX cool from the ground up. Inside and out, it's all about new attitude for Ranger. From its machined split spoke aluminum wheels to its exclusive body color trim touches, STX makes a statement to the street. Genuine Ford Accessories for Great Looks and Custom Cool

Engineered by Ford for a precise fit and perfect finish, Genuine Ford Accessories are the perfect complement to your Ranger. For a complete selection, visit our Web site and discover all the great ways to personalize your Ranger.

Sport Liner™

Rugged as a bedliner, this carpeted liner will haul lumber, sand and more, yet still cushion your most delicate cargo. Marine-style polyester surface is bonded to foam and will not absorb stains, moisture, rot or mildew. Molded sidewalls conform to the contours of bed. Easy to clean. Fits standard 6-ft. bed. Base Part No. **00038**

Soft Tonneau Cover – Snapless

Specially designed frame attaches directly to the rails of the pickup bed. This allows access to the bed without the need for removing the cover. Constructed of a durable black vinyl. Base Part No. **501A42**

Chrome Exhaust Tip

Slips over the end of the tailpipe. Constructed of heavy-duty, corrosion-resistant, chrome-plated stainless steel for long life. Easy to install; no drilling necessary. Base Part No. **5K238**

Ford Racing Performance Parts for Peak Performance

Ford's proud racing heritage can work for your Ranger when you put Ford Racing Performance Parts under the hood. Check out the cool performance parts that are designed to enhance your life in the fast lane.

3.0L Ranger Supercharger Kit

Gain excellent throttle response and mid-range torque on your 3.0L Ranger by installing the Whipple Supercharger. The kit achieves 230 HP @ 5400 RPM and 260 ft./lbs. of torque @ 3000 RPM. This is an easy-to-install system that bolts on in less than 2 hours. It fits under the hood with no permanent modifications to the vehicle and no wiring. **M-6066-R30P**

Ranger Lowering Kit

This kit lowers Rangers in the front by 2 inches and the rear by 3 inches. The lower center of gravity improves handling and the increased spring rates allow for a firmer-than-stock ride. The kit includes two front coil springs, two rear mono leaf springs, U-bolts and four shock absorbers. **M-3000-R**
