

2005

LINCOLN

NAVIGATOR

Lincoln Navigator Ultimate in Cashmere Tri-Coat with available Monotone Appearance Package and power running boards.

Stunning Presence.

Lincoln Navigator is elegantly restyled for 2005 with sleek new exterior lines reinforcing its powerful proportions. The all-new front fascia blends a molded-in-color lower grille and integral fog lamps into a single, angular form while the rear fascia and bodyside cladding give Navigator a clean, modern appearance. An uncompromising luxury SUV, Navigator empowers you with the freedom to enjoy life to its fullest, confidently commanding attention everywhere you travel. Now is the time to Travel Well.

Intensely Composed.

As a Lincoln, Navigator is designed to deliver remarkably smooth, responsive ride and handling. As a full-size luxury SUV, it is built to deliver all this and more, regardless of terrain or weather conditions.

AdvanceTrac® with Roll Stability Control™ (RSC)* is standard on every Navigator. By automatically applying the brakes and modulating engine torque to help maintain control whenever it detects wheel slip, AdvanceTrac gives you more control in adverse conditions such as ice, gravel or rain. Class-exclusive** RSC utilizes a gyroscopic sensor to closely monitor the vehicle's roll stability condition and engages AdvanceTrac as soon as an unstable situation is detected, further enhancing vehicle stability under fully loaded conditions and when driving on uneven surfaces. It's peace of mind and driving confidence you can't find anywhere else.

At the heart of Navigator's impeccable road manners, a 4-wheel independent suspension allows each wheel to handle bumps in the road with minimal effect on the others. At low speeds, variable-assist power rack-and-pinion steering makes it easy to maneuver Navigator into tight spaces. When you travel at highway speeds, the steering automatically adjusts to provide more precise response.

In Lincoln Navigator, all roads lead to luxury.

*Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

**Full-size luxury SUV.

Lincoln Navigator Ultimate in Silver Birch Metallic with available power running boards.

Feel the Power.

A class-exclusive, Navigator Ultimate's standard power-folding 3rd-row seats disappear at the touch of a button, creating a flat loadfloor. Press another button and stand back as Ultimate's standard power liftgate raises or lowers on its own. Loading is easy, even with your hands full. Another class-exclusive, available power running boards on Navigator Ultimate will have you feeling like royalty right from the start. They glide out to provide a step when the door is opened and retract when the door is closed. Power-adjustable brake and accelerator pedals are standard on every Navigator. With 3" of travel and a memory feature for 2 different drivers, you'll always be comfortable behind the wheel. Large, power-fold, heated sideview mirrors are another of Navigator's exceptional standards. The heated feature quickly melts ice and snow, while built-in turn indicators clearly signal your intentions. The memory feature also recalls mirror positions for 2 different drivers. When returning to your vehicle in the dark, you'll be greeted by the warm glow of integrated security approach lamps. Navigator offers this array of powerfully innovative amenities to ensure that you and your passengers Travel Well.

Lincoln Navigator Ultimate in standard 7-passenger seating configuration with 1st- and 2nd-row leather-trimmed bucket seats in Camel.

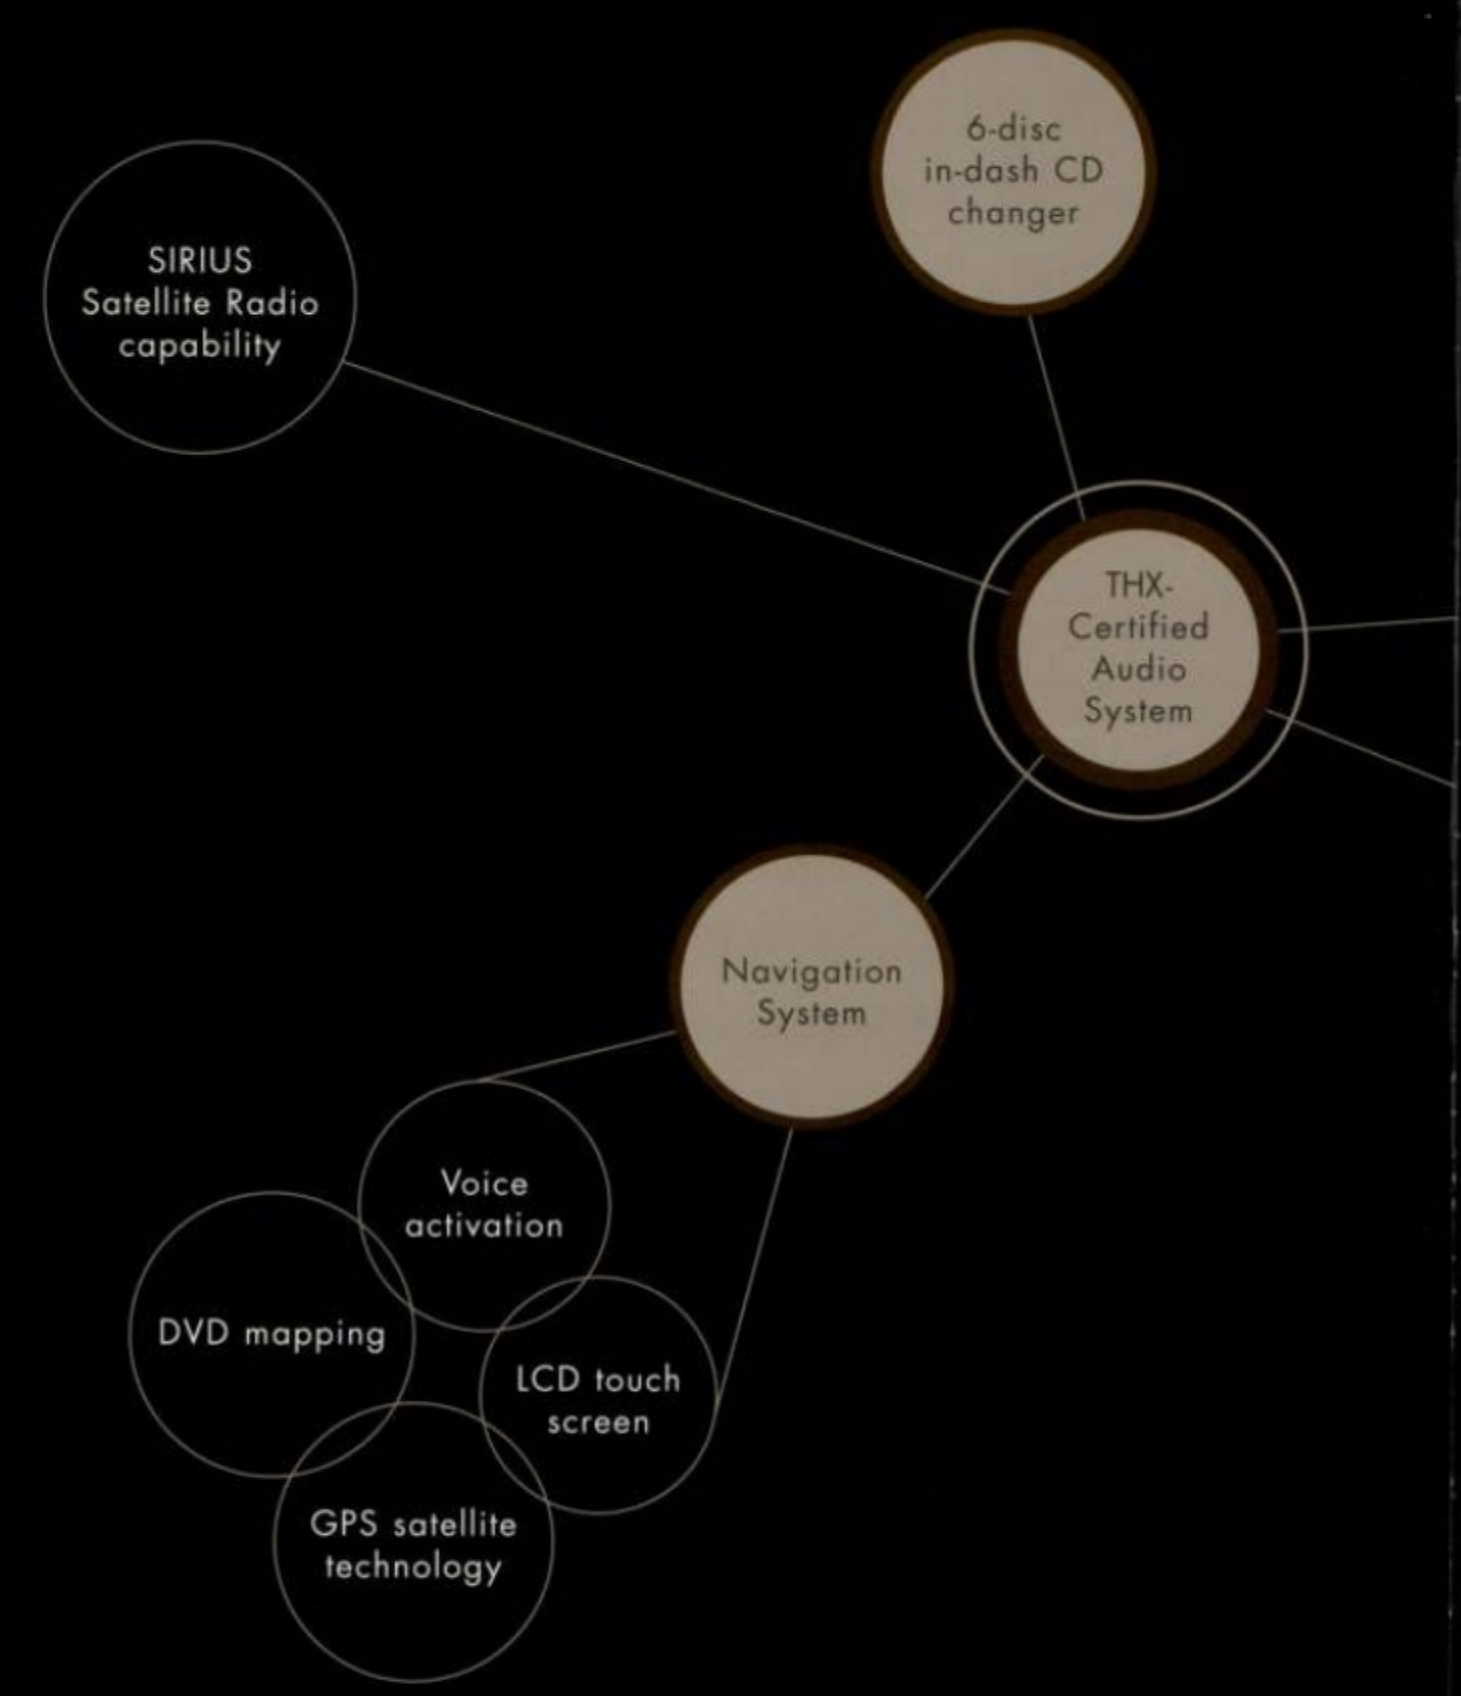

True to its Lincoln lineage, Navigator offers the ultimate in luxury with its available class-exclusive heated *and* cooled front seats. Standard on Navigator Ultimate, they enable you to perfect your environment with a choice of 3 different settings. Navigator's standard 7-passenger seating configuration includes dual reclining seats and a center floor console in the 2nd row, while the available 8-passenger configuration features a 40/20/40 split-folding bench seat in the 2nd row. A full 36.3" of 3rd-row leg room helps ensure every Navigator passenger travels in complete comfort.

Lincoln Navigator Ultimate in Camel with American walnut burl wood accents.

Only the finest materials are selected to create this warmly inviting sanctuary inside Navigator. Premium leather, rich American walnut burl wood, smooth satin-nickel accents and crisp, white LED lighting grace its interior with a blend of traditional sophistication and modern elegance that are uniquely Lincoln. And while the controls may resemble fine art, each is also carefully designed for comfort and ease of use. Note the perfect positioning and proportion of the new center-console-mounted shifter, for instance. Just one of many fine details.

The available Lincoln Soundmark THX-Certified Audio/Navigation System features a 6.5" color LCD screen that presents high-quality navigation graphics, while Map, Destination and Menu buttons, touch-screen simplicity and voice activation make it instinctively easy to use.

Certified to Perform.

Lincoln Navigator is the first in its class to offer a cinema-quality sound system created exclusively for an SUV. Just like THX® technology at the movies, the Lincoln Soundmark™ THX-Certified Audio System ensures the finest-quality sound. THX engineers analyzed the acoustic properties of the Lincoln Navigator interior as they fine-tuned the system's output. 9 speakers, 300 watts of power, a 6-disc in-dash CD changer and 3 different listening modes deliver the best-possible sound to each seat, according to how many people are inside. To further enhance your travel experiences, we've packaged this sonic treasure with a Navigation System that understands over 170 voice commands, calling out directions turn by turn. It combines DVD mapping with Global Positioning System (GPS) satellite technology. This inspiring system is available on Navigator Ultimate.

SIRIUS Satellite Radio* service, which features over 120 channels of coast-to-coast music, news and entertainment, can be added to the available Soundmark THX-Certified Audio System or the standard Audiophile Sound System for a seemingly endless outpouring of audio bliss.

*See your Lincoln Mercury Dealer for SIRIUS installation and activation details.

The Fine Art of Entertaining.

Gather your closest friends and family (whether for a cross-country journey or a jaunt into town), and Lincoln Navigator is sure to be the transportation of choice. Filled with luxuriously inviting features, Navigator ensures a pleasant traveling environment for one and all. Dual-zone Electronic Automatic Temperature Control (below left) allows the driver and front passenger to select different temperatures and automatically maintains the desired settings on either side of the front cabin. The rear cabin climate can be controlled by 2nd-row passengers via a separate set of fan and temperature controls. Another benefit of being seated in the back, 2nd- and 3rd-row passengers can enjoy DVDs, CD/MP3s and video games on the available Rear-Seat DVD Entertainment System (above right). An infrared remote control lets viewers make easy adjustments, while wireless headphones allow them to listen in comfort and help keep the cabin quiet. The standard Lincoln Soundmark™ Audiophile Sound System (below center) includes an integrated 6-disc in-dash CD changer, high-power amplifier, 9 Audiophile speakers with sail-mounted tweeters and a subwoofer. Navigator Ultimate's mini-overhead console offers 1st-row map lights, power rear-quarter-window switches, a power liftgate switch, auxiliary climate controls and even a conversation mirror. Entertaining has never been so easy.

Exceptional Peace of Mind.

Lincoln Navigator is the only vehicle in its class to receive the government's highest crash test safety rating* – 5 stars – which is not surprising when you consider its array of innovative safety and security features. Up front, Navigator's Personal Safety System™ controls airbag energy-deployment levels and safety belt tension in certain frontal accidents to provide optimum protection for the driver and front passenger. On the sides, the Safety Canopy™ System deploys side-curtain airbags from the headliner in certain side-impact collisions and rollover events to offer enhanced head protection for 1st- and 2nd-row outboard passengers.

When any tire (except the spare) drops below recommended pressure, the Tire Pressure Monitoring System displays an alert in the message center. And finally, our convenient Reverse Sensing System alerts you with a beeping tone if you come within 20' of an object when in Reverse.

*Government's driver and passenger front crash test.

Muscle, Refined.

New this year, Navigator's 5.4L SOHC 3-valve V-8 engine and 6-speed automatic transmission combine to deliver improved off-the-line acceleration. The new V-8 produces an impressive 300 hp and 365 lb.-ft. of torque, empowering you to pass with confidence and tow heavy loads. In fact, properly equipped models let you tow up to 8600 lbs. That's more than enough to get you cruising the big lakes. When the engine is shut off and the vehicle is in Park, Navigator's 4-corner load-leveling air suspension lowers 1" for easier entry and exit. It also levels the ride according to payload and towing demands – and in off-road 4x4 conditions – to ensure a more comfortable journey.

Serious Capability.

After putting a Navigator 4x4 to the test in notorious Death Valley, *Motor Trend* said it "...easily tackled even the most forbidding terrain we could find." Navigator's available Control Trac® 4-Wheel-Drive (4WD) System delivers exceptional overall performance in everyday driving as well. The high-range 2-wheel-drive (2H) mode sends all power to the rear wheels. In adverse on-road situations, the Automatic (A4WD) mode sends torque to the wheels with the most grip. The high-range 4-wheel-drive (4H) mode is intended for use in off-road or low-traction situations. And low-range 4-wheel drive (4L), which significantly multiplies engine torque to the wheels, should be reserved for extreme off-road conditions and very low-speed towing.

LUXURY

Performance

Brakes - power 4-wheel disc with Anti-lock Brake System (ABS) and Electronic Brake Force Distribution (EBD)
Cooling System - fail-safe
Drivetrain - rear-wheel drive
Engine - 5.4L SOHC 3-valve V-8
Stabilizer Bars - front and rear
Steering - power, variable-assist, rack-and-pinion
Suspension - 4-corner load-leveling air suspension, independent front and rear
Tires - P255/70R18 all-season black sidewall
Transmission - 6-speed automatic with overdrive

Interior

Assist Handles - color-keyed, 2 in 1st and 2nd rows and assist pull in liftgate
Audio - Lincoln Soundmark™ Audiophile Sound System with AM/FM stereo/6-disc in-dash CD changer, driver-adjustable speed-compensated volume, 9 speakers including a subwoofer and rear-seat controller, SIRIUS Satellite Radio capable¹
Auxiliary Climate Control - 2 overhead vents for 2nd and 3rd rows, controls in overhead console and back of 1st-row floor console
Cargo Area Storage - behind 3rd row under floor and bins in quarter trim panels
Cigar Lighter - located in console
Climate Control - Dual-zone Electronic Automatic Temperature Control with secondary steering-wheel-mounted controls and heated/cooled seat controls (if equipped)
Clock - analog, mounted between instrument panel center vents
Cupholders - 2 in 1st row, 4 in 2nd row and 2 in 3rd row
Floor Consoles - 1st row with floor shifter, power window switches, covered storage bin with chrome handle, 2 front cupholders, rear audio/climate controls, 2 headphone jacks and 2 rear cupholders; 2nd row with padded armrest, covered storage and 2 cupholders
Floor Mats - color-keyed carpeted, 1st and 2nd rows
Power Points - located in 1st row, 2nd row and rear cargo area
Rearview Mirror - auto-dimming
Seats - 1st row: leather-trimmed, low-back bucket seats, power 10-way seats including power lumbar and recline, 4-way adjustable head restraints and driver's-side memory; 2nd row: leather-trimmed low-back fold-down bucket seats with recline, 2-way head restraints and easy entry to 3rd row; 3rd row: 60/40 split bench fold-flat-into-floor seat with 2-way adjustable head restraints (outboard only) and center-seat integrated restraint
Visors - dual blade with dual illuminated mirrors and driver's-side HomeLink® Universal Transceiver

Exterior

Antenna - concealed
Bodyside Cladding - color-keyed with color-keyed wheel-lip moldings
Bumpers - color-keyed upper fascia and accent-colored lower fascia
Door Handles - body-color bezel with chromed strap
Fog Lamps
Glass - privacy in rear doors, rear-quarter windows and liftgate; solar-tinted in front doors and windshield
Grille - silver-painted slats with chrome surround, integrated with hood
Headlamps - quad-beam halogen
Liftgate - gas cylinder lift with flip-up glass
Luggage Rack - with bright accents and black crossbars
Power Flip-Out Rear Quarter Glass
Rear-Window Defroster
Running Boards - fixed
Sideview Mirrors - power-fold heated with security approach lamps, integrated turn-signal indicators and memory feature
Standard-Duty Trailer Tow Package - Class III frame-mounted trailer hitch receiver integrated into rear fascia, 4-pin wiring harness
Tow Hooks - black, integrated into front fascia
Wheels - 18" 7-spoke machined-aluminum with 17" steel spare
Wipers - windshield: speed-sensitive intermittent with 3 washers; rear window: 2-speed intermittent with washer

Safety/Security

AdvanceTrac® with Roll Stability Control™ (RSC)
Airbags² - dual-stage driver and front-passenger; side-curtain airbags as part of Safety Canopy™ System
Autolamp - automatic on/off headlamps with delay
Battery Saver
Brake/Shift Interlock
Child-Safety Rear Door Locks
Keyless-Entry Keypad - driver's door-mounted
LATCH - 2nd row: lower anchors and tether anchors for child-safety seats, all seating positions; 3rd row: center tether anchor only
Personal Safety System™ - including dual-stage front airbags with front crash severity sensor, sensors to detect front safety belt usage and driver's-seat position, front safety belt pretensioners and energy-management retractors
Remote Keyless-Entry System - with illuminated entry and security approach lamps
Reverse Sensing System - integrated in bumper
Safety Belts - color-keyed 3-point restraints for all seating positions and height-adjustable for 1st and 2nd rows

Safety/Security (continued)

Safety Canopy System - 1st- and 2nd-row side-curtain airbags with rollover sensors
SecuriLock® Passive Anti-Theft System
Side-Impact Door Beams
Tire Pressure Monitoring System³

Instrumentation/Driver Control

Accessory Timed Delays
HomeLink® Universal Transceiver - located in driver's-side visor
Instrument Cluster - white LED back-lit cluster with speedometer, tachometer, fuel level, coolant temperature and message center
Instrument Panel - soft touch with American walnut burl wood and satin-nickel accents, power point, Control Trac® switch (if equipped), headlamp controls, power-adjustable pedal controls and analog clock
Memory Setting Controls - mounted in door-trim panel for driver's-seat position, sideview mirrors and power-adjustable pedals
Message Center - includes compass display, distance-to-empty, average fuel economy, odometer and trip odometer
Overhead Console - includes 1st-row map lights, sunglasses storage, power rear-quarter-window switches, auxiliary climate controls, conversation mirror and power liftgate switch (if equipped)
Power-Adjustable Pedals - with memory
Power Door Locks
Power Windows - with one-touch-up/-down driver's-side
Speed Control - electronic, steering-wheel-mounted
Steering Wheel - tilt, leather- and wood-trimmed with audio, climate, speed and Navigation System controls (if equipped)

ULTIMATE

In addition to or in place of equipment on Luxury:

Heated and Cooled Seats - driver and front-passenger with 3 settings
Moonroof - power, includes mini-overhead console
Power-Folding 3rd-Row Seat - 60/40 split bench
Power Liftgate

AVAILABLE EQUIPMENT

LUXURY ULTIMATE

- Appearance Option Package - monotone painted front/rear lower fascias, license-plate surround and grille (chromed slats with body-color surround); Rear-Seat DVD Entertainment System and heated and cooled front seats (available with Black or Cashmere Tri-Coat exterior)
- Audio - AM/FM stereo/single-CD/cassette player
 - Audio/Navigation - Lincoln Soundmark THX®-Certified Audio System including touch-screen DVD/Satellite Navigation System and 6-disc in-dash CD changer, SIRIUS Satellite Radio capable
- ○ Control Trac® - 4x4 system
- ○ Headlamps - High-Intensity Discharge (HID)
- S Heated and Cooled Seats - driver and front-passenger with 3 settings
 - Limited Edition Monotone Appearance Package - monotone-painted front and rear lower fascias, license-plate surround, running boards, bodyside cladding and grille (chromed slats with body-color surround); chromed exhaust tip; 18" 7-spoke chrome-aluminum wheels; "Limited Edition" exterior badge; and leather-trimmed seats with contrasting seat piping in Charcoal Black and embossed "Lincoln" logo (available with Black or Cashmere Tri-Coat exterior)
 - Monotone Appearance Package - monotone-painted front and rear lower fascias, license-plate surround, running boards, bodyside cladding and grille (chromed slats with body-color surround); chromed exhaust tip and 18" 7-spoke chrome-aluminum wheels (available with Black or Cashmere Tri-Coat exterior)
- S Moonroof - power, includes mini-overhead console
- ○ Rear-Seat DVD Entertainment System - includes 2nd-row overhead DVD/CD player with MP3 capability, infrared remote, flip-down 7" color LCD screen and 2 sets of wireless headphones
- Running Boards - power-deployable (not available with 40/20/40 2nd-row split seat on 4x4)
- ○ Seats - 2nd-row premium leather-trimmed 40/20/40 split-fold bench with fold-flat feature, outboard recline, and center section that slides forward up to 11" (not available with 4-wheel-drive models with power running boards)
- ○ Heavy-Duty Trailer Tow Package - includes frame-mounted Class III/IV hitch receiver, 4- and 7-pin wiring harness, heavy-duty radiator, heavy-duty flashers, transmission cooler and brake module wiring
- Wheels - 18" 7-spoke chrome-aluminum with P255/70R18 black sidewall all-season tires

S=Standard ○=Optional

WHEELS

- A 18" 7-spoke chrome-aluminum Available on Ultimate and included with the Monotone Appearance Package and the Limited Edition Monotone Appearance Package
- B 18" 7-spoke chrome-clad aluminum Optional on Luxury and Ultimate
- C 18" 7-spoke machined-aluminum Standard on Luxury and Ultimate
