

06 FREESTYLE

ROBERT HISSOM
HERE'S THE INFO YOU ASKED FOR.

Add great mpg, a lot of cargo room, and mix. Freestyle combines the things you love about a car with the stuff you need from an SUV. Like that impressive 27 mpg.* (Not only car-like, but better than any other vehicle in its class.) Nimble handling that makes it easy to park. Plenty of room for cargo. Theater-style seating for seven that easily folds out of the way for the bigger things. And an available All-Wheel-Drive System for traction on just about any surface. So whether you're making quick work of the daily commute or letting annual clearance sales get the best of all that cargo space, Freestyle has you covered.

*EPA estimated 20 city/27 hwy mpg, front-wheel drive.
