

06 LINCOLN TOWN CAR

LINCOLN

Move distinctively. On every journey, Lincoln Town Car rewards you with the essential luxury car experience: crisp steering, impeccable poise and a tranquil interior environment. As in life, you're in full command.

Town Car for 2006 epitomizes the best of everything a Lincoln should be: spacious, smooth and, above all, solid. Driven by our supremely capable and reliable 4.6L SOHC V-8 engine, Town Car delivers the refined confidence of 239 horsepower and 287 lb.-ft. of torque, more than enough when pulling away from a stoplight or passing on the open road. Quiet strength comes from a full-length frame – the foundation of Town Car's legendary, hushed ride.

Inside its plush cabin, rich details create a delightful, soothing harmony. Spacious comfort lets you stretch out in style, so you're simply free to enjoy the drive. For a unique experience, the new Town Car Designer includes tailored Provence leather-trimmed seats with contrasting piping, two-tone door-trim panels, embroidered floor mats, brushed-aluminum scuff plates and more.

For the most superb storage capability, Town Car has a place for everything. Trunk cargo space is best-in-class\* with 21.0 cu. ft., enough room for a week's worth of vacation necessities or the golf clubs of your entire foursome. On Signature models, lowering the trunk lid within 1.5" of closing activates a power pull-down feature that latches it for you. Town Car Signature Limited, Designer and Signature L include a Full-Power Trunk Lid. Just press the key fob button, and the trunk lid fully opens or closes, automatically.

The available Lincoln Soundmark® THX™ Certified Audio and Navigation System is pure delight. A 6-disc CD changer supplies continuous music, while THX certification ensures that 8 Audiophile® speakers and a subwoofer provide crisp, clear sound. An easy-to-use, voice-activated/touch-screen Navigation System understands over 170 voice commands to verbally guide you to your location with hospitality. The system can also be equipped with the SIRIUS Satellite Radio service,\*\* adding over 120 channels of coast-to-coast music, news, sports and entertainment.
