

LEAVE THE ANONYMITY TO OTHERS. WHO WANTS TO BLEND IN? CERTAINLY NOT YOU. YOU'RE ALWAYS TRYING TO FIND THAT EDGE. AT THE GYM. ON THE JOB. IN THE FAST LANE. NOT TO WORRY. WITH STYLISH COLORS, SATIN-ALUMINUM ACCENTS, AN AVAILABLE 221-HP V-6 ENGINE AND AN AVAILABLE REAR SPOILER, MERCURY MILAN IS INSTANTLY RECOGNIZABLE. MUCH LIKE YOU.

- NEW FOLD-DOWN FRONT-PASSENGER SEAT

- SIX STANDARD AIRBAGS HELP PROTECT YOU AND YOUR PASSENGERS

A new All-Wheel-Drive (AWD) system, optional on Mercury Milan V-6 models, reacts automatically to changes in traction for confident all-weather driving. To give you increased control and performance, this active AWD system seamlessly distributes torque between front and rear wheels for optimum traction. Combined with standard Traction Control on Milan V-6 models, AWD can even direct power side to side on each axle, allowing the vehicle to continue forward motion even if only one wheel has grip.

AutoPacific With the addition of AWD, Milan adds another element that further separates it from the competition. In the Vehicle Satisfaction Award by AutoPacific, Inc., Milan registered highest in overall Vehicle Satisfaction** of the 13 vehicles

tested in the Midsize Car class. "Combining excellent style, good size and roominess, sporty ride and handling, the Milan provides its owners with a very satisfying experience," AutoPacific says.
