

RACING

PACK HEAT WITH A FORD RACING PERFORMANCE PACK

Ford Racing Performance Parts offers performance packs that can be installed by your local Ford dealer. These parts have been designed by Ford Racing engineers to work together as turn-key performance enhancing packages for your Mustang. When Ford dealer installed, many of these performance packs are backed by a limited Ford Racing warranty, a Ford Motor Company first!

VEHICLE PERFORMANCE AND STYLING FROM FORD RACING

M-2300-S 14" Front Brake Upgrade Kit

M-5230-5GT 2005-07 Mustang GT Exhaust Kit (Not Legal in CA)

M-13208-M100 Ford Racing Entry Guards

M-2301-5M Aluminum Fuel Fill Door

M-2784-M Mustang GT Styling Pack

FR HANDLING PACK - FR3

Now with Warranty when FORD Dealer installed

Looking for more confidence driving into turns and an aggressive lowered stance? Grab hold of our Handling Pack! The uniquely tuned dampers are specifically designed to work with the springs and anti-roll bars to improve handling. The Ford Racing strut tower brace stiffens up the front end, putting the power to the ground instead of into the chassis. A great way to add slot car handling to your street Mustang! Fits Mustang GT Coupe only.

Ford Racing Handling Pack (Part #: M-2005-FR3) includes:

- Dampers (Part # M-18000-A)
- Lowering Springs (Part # M-5300-K)
- Sway Bars (Part # M-5490-A)
- Strut Tower Brace (Part # M-20201-S197) *not compatible with supercharger*

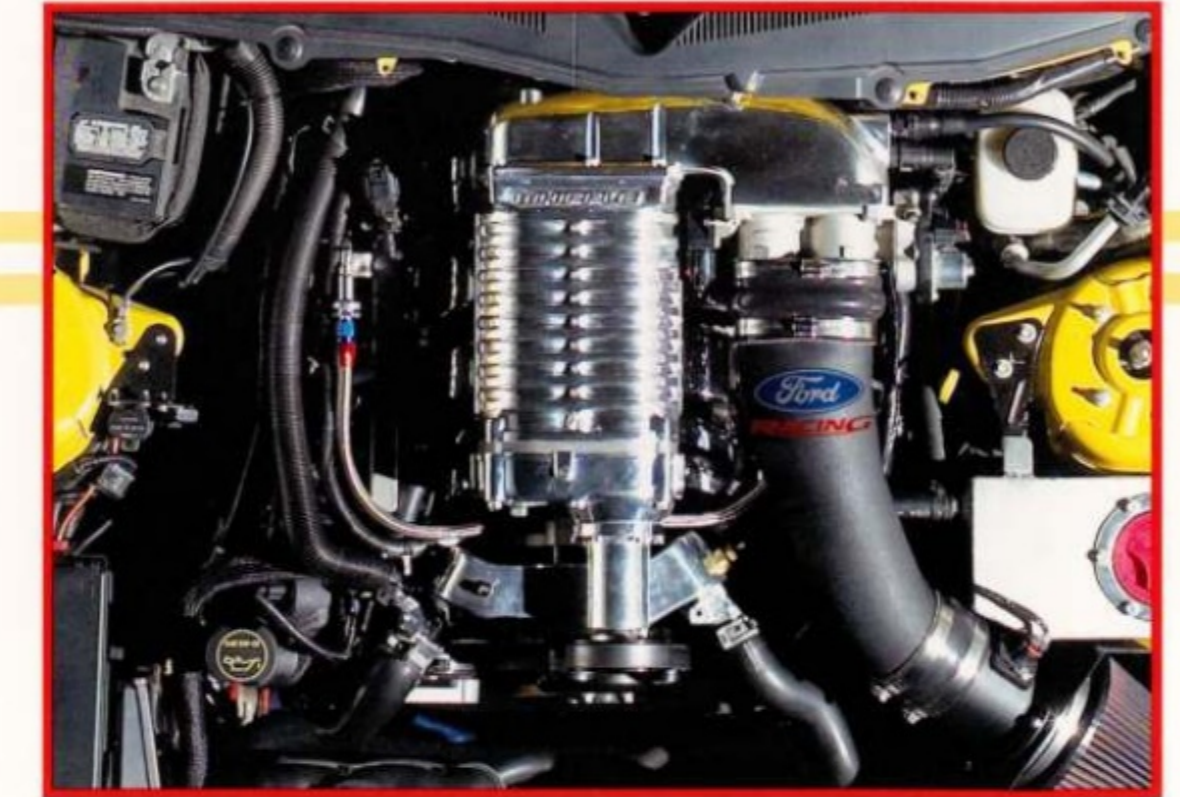

All components are designed to work together as a package. Lowers car approximately 1-1/2". Dampers uniquely tuned by Multimatic Motorsports (the same company that makes dampers for the FR500C Grand Am race car).

Original equipment on the Shelby GT Mustang.

SIX CYLINDER

V6 Power Upgrade Package and Handling Pack available Spring 2007! Same proven technology as used in the Mustang GT Performance Packs specifically designed to give the V6 Mustang more grunt and grab for the enthusiast driver.

FR SUPER PACK (Emissions legal!)

Boost the performance of your Mustang with the supercharged Super Pack. Utilizing a Whipple-designed twin-screw supercharger, the Super Pack provides an efficient air charge that raises the power output of your 4.6L 3-valve beyond the naturally aspirated levels of the Power Pack or Drag Pack.

400 HP Super Pack (Part #: M-6066-M463V Black, M-6066-M463P Polished) includes:

- 140ci Twin Screw Supercharger Assembly: Polished (M463P) or Black (M463V)
- 4.6L 3-Valve Aluminum Intake Manifold and Water Crossover Pipe
- High Flow Air Intake Tube
- Open Element Air Filter
- 95mm Mass Air Meter
- Accessory Drive Belt
- 32lbs/hr Ford GT Injectors
- Zero Degree Ford Racing Spark Plugs M-12405-3V0
- Pro-Cal official Ford Racing calibration

Supercharger raises engine output to 400hp with approximately 6psi of boost. For 2005-2007 Mustang GT. Requires premium fuel.

500 HP Super Pack (Part #: M-6066-M11 Black, M-6066-M11P Polished) includes:

- Similar to 400hp kit but with smaller pulley, complete air to liquid intercooler system and dual fuel pump, fuel pump driver, and harness

500 HP Pack raises engine output to 500hp with approximately 11psi of boost. For 2005-2007 Mustang GT manual transmission **only**. Requires premium fuel.

FR POWER UPGRADE PACKAGE - FR1

Now with Warranty when FORD Dealer installed

For Mustang enthusiasts who want to power up and still maintain mild street manners, the Power Upgrade Package offers a throatier exhaust note and a new mass air meter with a performance calibration. The result is approximately 20 more horsepower!

Ford Racing Power Upgrade Package (Part #: M-2006-FR1) includes:

- 90mm Cold Air Kit (Part # M-9603-GT06)
- Muffler Kit (Part # M-5230-GTA)
- Performance Oil Filter (Part # CM-6731-FL820)
- Pro-Cal official Ford Racing calibration

For 2005-2007 Mustang GT. Requires premium fuel.

Further enhance your performance with these other warranted parts from Ford Racing!

- Stainless Steel Exhaust X-Pipe (Part # M-5251-R) for more growl
- Super Short Throw Shifter (Part # M-7210-T1) reduces shift throw 40%

X-Pipe requires cutting of factory exhaust for installation. Clamp-on installation - does not require welding!

Original equipment on the Shelby GT Mustang.

SIX CYLINDER

V6 Power Upgrade Package and Handling Pack available Spring 2007! Same proven technology as used in the Mustang GT Performance Packs specifically designed to give the V6 Mustang more grunt and grab for the enthusiast driver.

FR DRAG PACK - FR2 (Emissions legal!)

If you have the need for serious acceleration, power-up with the Drag Pack. This pack harkens back to the days of big block Ford power and provides the modular Mustang engine with that same big block performance and feel. With the Drag Pack, you'll launch harder and accelerate faster while maintaining factory drivability. Expect to shave 5/10ths off your 1/4-mile ETs with the Ford Racing Drag Pack!

Drag racing should be conducted at enclosed, dedicated facilities only.

Ford Racing Drag Pack (Part #: M-2006-FR2 or FR2A for auto trans) includes:

- 90mm Cold Air Kit (Part # M-9603-GT06)
- 4.10 ratio Ring and Pinion (Part # M-4209-G410A)
- 3.73 ratio Ring and Pinion for automatic transmission (Part # M-4209-F373N)
- Gear Installation Kit (Part # M-4210-A)
- Shorty Headers (Part # M-9430-S197C)
- Super Short Throw Shifter (Part # M-7210-T1) (included with manual transmission only)
- Performance Oil Filter (Part # CM-6731-FL820)
- Pro-Cal official Ford Racing calibration

For 2005-2007 Mustang GT. Requires premium fuel.

GENUINE FORD ACCESSORIES

For a truly personalized ride, customize your Mustang with individual kits or install all four kits, plus your choice of three rear spoilers: GT, Shelby or V6. Available kits include: Side Scoops, Front and Rear Fascias, Hood Scoop. Spoiler is sold separately. Available primed (ready to paint). Kit is also available directly from Ford and installed as part of the California Special for Mustang, dealer Order Code 54C. (fordaccessories.com)

FORD RACING LIMITED WARRANTY STATEMENT

When installed by a Ford, Lincoln or Mercury Dealer, Ford Motor Company ("Ford") warrants specific Ford Racing Performance parts identified herein (M-2005-FR1, M-5251-R, M-2005-FR1A, M-2006-FR1, M-7210-T1, M-9603-GT06, and M-2005-FR3) found to be defective in factory-supplied material or workmanship for 3 years/36,000 miles (whichever comes first) when installed on a new vehicle at the time of vehicle sale or 12 months/12,000 miles (whichever occurs first) when installed after the date of vehicle sale but prior to the expiration of the 3 years/36,000 mile coverage (whichever occurs first) under the New Vehicle Limited Warranty. This warranty is valid for the original owner of the vehicle and is transferable to any other party. Proof of purchase is registered by the installing dealer by contacting the Ford Racing Call Center at 1(800) 367-3788.

Performance Packs (FR1 Only). Note: Customers who purchase FR1 kits are required to use 91 or higher octane fuels at all times. Any failures associated with the non-use of premium 91 Octane fuel will be ineligible for warranty repair.

Performance Packs (FR3) Note: The FR3 performance handling application is designed for "Track Day" limit ride and handling. The FR3 Handling Pack requires the use of original equipment size wheels only. Such performance standards suggest vehicle ride performance will be more indicative of race performance vehicles. Driving conditions including, but not limited to, squeaks, rattles and harsh ride are not subject to warrantable repair.

All Ford Racing Parts are aftermarket parts. Ford Racing Parts are not Genuine Ford Parts. Therefore, they may not be used in any application that requires the use of Genuine Ford Parts.

Ford Racing parts and components may increase horsepower and affect other performance characteristics. Consumers are solely and completely responsible for evaluating their vehicle to ensure that the vehicle, and all its parts, are appropriate for this Ford Racing part or component. It is the consumer's sole responsibility to have the performance enhancement parts properly installed on their vehicle along with any modifications that are necessary for the proper performance of the vehicle. Vehicle damage caused by a consumer's failure to modify the vehicle properly for use of one or more Ford Racing parts and components is not covered by this limited warranty and is the sole responsibility of the consumer. This limited warranty and/or the New Vehicle Limited Warranty on your vehicle may be voided, either in whole or in part, where the vehicle has been damaged due to a consumer's failure to modify the vehicle properly as necessary for use of Ford Racing parts and components.

Retail Customers: To obtain warranty service, please return your vehicle to any Ford, Lincoln or Mercury Dealership. Please have your original dated receipt for date and installation verification.

Warranty Start Date

This limited warranty begins upon dealer installation and registration of the Ford Racing Performance Pack(s) with Ford Racing and ends at either 3 years/36,000 miles (whichever occurs first) when installed on a new vehicle at the time of vehicle sale or 12 months/12,000 miles (whichever occurs first) for all installations occurring after the date of vehicle sale but prior to the expiration of the 3 years/36,000 mile coverage (whichever occurs first) under the New Vehicle Limited Warranty.

Limitations to Warranty

The following limitations apply to the products covered by this Limited Warranty:

- The purchase invoice(s) may be required for submission of warranty claims.
- Where a warranted Ford Racing part is replaced under this limited warranty, the replacement Ford Racing parts are warranted only for the time remaining in the original Ford Racing warranty.
- Should Ford Racing modify any currently released parts which apply to this warranty program, Ford Racing is not obligated to update any previously manufactured parts.

• Ford Racing's warranty program does not cover parts with:

- Damage or corrosion due to accidents, misuse, or alterations. Damage or surface corrosion from the environment such as acid rain, airborne fallout (chemicals, tree sap), stones, salt, road hazards, wind storm, lightning, floods and other natural disasters.
- Normal wear, tear or deterioration such as discoloration, fading, or blurring.
- Replacement parts, or accessories installed on a Ford vehicle in which the odometer has been altered, or on which the actual mileage cannot be readily determined.
- Replacement parts or accessories used in applications for which they are not designed.
- Non-Ford Racing parts or Ford Genuine replacement parts or accessories which Ford/Lincoln/Mercury Dealers may sell or install on your Ford vehicle.
- Misuse of a vehicle, such as driving over curbs, overloading, racing or using the vehicle as a stationary power source.

NOTES:

Federal and many state laws prohibit the removal, modification or rendering inoperative of any part that affects emissions or safety on motor vehicles used on public streets or highways. Ford Racing customers are responsible for complying with applicable state and local environmental regulations. In the case of vehicles which are licensed in California, it is the responsibility of the customer to determine if their own modified vehicle meets California laws for operations over public highways.

Questions or concerns relating to this warranty policy may be answered by calling the Ford Racing Warranty Call Center (800) 367-3788.

THIS LIMITED WARRANTY DOES NOT COVER PARTS REPLACED OR LABOR CHARGES INCURRED AS PART OF NORMAL VEHICLE MAINTENANCE.

THIS LIMITED WARRANTY DOES NOT COVER ENGINE DAMAGE ASSOCIATED WITH CUSTOMERS USING LESS THAN 91 OCTANE FUELS. (FR1 KIT ONLY).

TO THE EXTENT ALLOWED BY LAW, LOSS OF TIME, INCONVENIENCE, LOSS OF THE USE OF THE VEHICLE, COMMERCIAL LOSS, AND INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE NOT COVERED.

THERE IS NO OTHER EXPRESS OR IMPLIED WARRANTY ON THESE FORD RACING PARTS, BUT YOU MAY HAVE OTHER LEGAL RIGHTS UNDER STATE LAW RELATING TO THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
