The 2007 Mercury Monterey provides all the minivan versatility you require. For starters, you can enter, exit and load Monterey with ease thanks to its standard dual power-sliding doors and available power liftgate. In the 3rd row, Monterey's Tailgate Bench Seat holds 3 comfortably in its upright position. When not in use, it can be folded into the floor – opening up 71.6 cu. ft. of cargo space with a flat loadfloor. But even that's not the end of its uses. At sporting events, family outings or even fireworks displays, you can **quickly and easily tip the Tailgate Bench Seat backward** to create a comfortable, rear-facing tailgating seat.**

On every journey, Monterey's 4.2L V-6 engine – **the largest engine in a minivan** – supplies 201 hp and a **best-in-class 263 lb.-ft. of torque**. You'll have ample power to accelerate, haul and pass with authority and confidence – a fact you'll appreciate most when all 7 seats are occupied and the cargo storage well is full. In addition, thanks to a large 26-gallon gas tank, you'll have a **generous driving range of over 500 highway miles**†
