OLDSMOBILE *Custom 8 Cruiser*

*Oldsmobile is the Only Car in the World
Offering the Sensational Hydra-Matic Drive*

Oldsmobile's Roomiest, Most Luxurious Unisteel Body

You ride in motoring's newest and best interpretation of comfort and luxury when you ride in an Olds Custom 8 Cruiser. This great new car is the longest, lowest, finest Oldsmobile ever built . . . with sweeping exterior beauty and a richly appointed interior unsurpassed in roominess and comfort by any car at or near its price. The Olds Custom 8 Cruiser is a fast-stepping, smooth-operating, precision-built automobile with an imposing array of

extra-value features, including Quadri-Coil Springing with 4-Way Stabilization. And Oldsmobile is the only car in the world offering, as optional equipment, Hydra-Matic Drive—the sensational new development which banishes gear shifting and completely eliminates clutch operation. Come in and drive this thrilling new car. It will give you a wholly new conception of modern motoring that you'll want and can have . . . at surprisingly moderate cost.
