THERE'S A NEW HOT ONE ON THE ROAD. IT'S CORONA BY TOYOTA—

and it tops the field in power, smoothness, performance and price. Read what automotive experts have to say about the style and maneuverability of this sleek new import. Then, make your own road test! You'll see why Corona is called "the car you can't give up!"

MOTOR TREND

"80 HP engine... puts it miles ahead of its competition in performance... Sprung, nicely rigged, and comfortable. Corona boasts a feel of no-cost excess, makes sense for American buyers."

CAR & DRIVER

"The Corona at less than \$12,000 is a better buy than practically any car being imported from Europe... it is powerful, sturdy, and comfortable as if you got out... does everything a European economy sedan does."

ROAD TEST

"In the economy car class... a new contender has climbed into the ring. It happens when the Corona is tested as well as the VW before making their decision, the Corona just might change the new class."

SPORTS CAR GRAPHIC

"We drove the 80 HP Corona for several weeks and found it to be one of the most pleasant, low-priced sedans we have driven in a long time... We feel its success is already guaranteed!"

CAR LIFE

"The Corona performs like a job champion... may well administer a harsh blow to its competition... passes one after another blowing Volkswagen and shows the rest of its kin to be a Ford Falcon and Pontiac American..."

POPULAR IMPORTED CARS

"We found that the Corona will accelerate to 100 MPH... The average passing price is remarkable... the new Corona is one of the hottest dollar values available today."

WALL ST. JOURNAL

"Toyota... already has its sights on Volkswagen's 40% share of the U.S. import market."
