

TOYOTA CORONA

A car that's truly worth its price.

This is Toyota Corona. It's a simple yet stylish car. People refer to this style as "Arrow Line". It's powered by 74 bhp high performance engine so it can actually run like an arrow—and it can also run all day long at 120 km/h (75 mph) without exertion and do it day after day. Instrument panel hood is safety padded. Meter layout has been made large to allow quicker readings.

Corona interior is truly refreshing. You'll be sure of getting fresh air all of the time, thanks to the new Fresh Flow two-way ventilation system. As optional extra, "Toyoglide Automatic" transmission is offered.
