PERSONAL TOUCHES FOR COMFORT AND CONVENIENCE

Your Toyota has been designed to give you dependable service and driving pleasure, mile after mile, year after year. The same is true of Genuine

Toyota and Toyota-approved Parts and Accessories.

Toyota-approved Parts and Accessories have been carefully selected, refined and improved to suit the needs of individual owners. These accessories are made of the highest quality materials, and reflect the most professional workmanship. To carry the Toyota name, each part and accessory must be manufactured

to Toyota's exacting specifications. Each must meet or exceed not only industry standards, but Toyota's high standards as well.

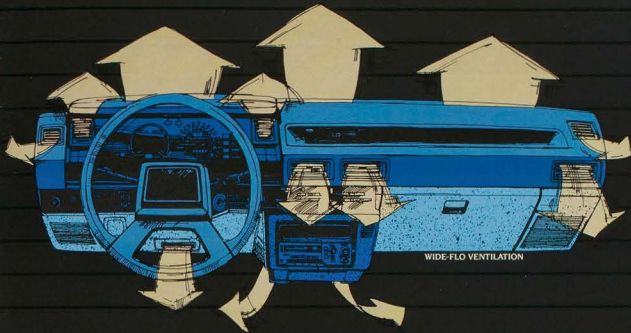

Dependability is our number one goal. Millions of satisfied Toyota car and truck owners know it. That's why you'll want to insist on Genuine Toyota and Toyota-approved Parts and Accessories for your Toyota.

On the following pages, you'll find many ways to add even more style, comfort and convenience to your

Toyota, and increase your driving enjoyment and owner satisfaction.

Genuine Toyota air conditioning provides all-season comfort. Your air conditioner will respond efficiently for a quick cool-off during warm weather. In cooler weather, use with the heater/defroster to quickly de-log the windshield. Each air conditioner is designed to perform in harmony with your vehicle's engine to avoid overloading and overheating.

Custom Look

Semi-gloss black louvers are hinged at the top for easy cleaning. Louvers—with their sun-shading function—are a sporty, practical addition for Celica Liftbacks and most Supras.

REAR WINDOW LOUVERS

TRIM RINGS

Show Time

Stainless steel trim rings take wheels out of the ordinary with their dramatic good looks and add personal dash to your Toyota, as well as extra value.

FIXED BASKET ROOF RACK

MULTI-PURPOSE ROOF RACK

Travel Ease

Multi-purpose roof rack carries the load beautifully. You can add out-of-the-way cargo space for touring in your Toyota.

Style

A CUSTOM LOOK AND EXTRA CONVENIENCE

Toyota accessories add convenience, comfort, and a unique personal touch to your car or truck.

Rear-window louvers are as practical as they are good looking. Sturdy,

easy-to-clean aluminum louvers in semi-gloss black add a dynamic new appearance while they reduce glare and help protect upholstery against sun damage. And look for the Toyota logo—it's your assurance of genuine Toyota quality.

Multi-purpose roof rack expands carrying space. With versatile rack adapters, you can transport a variety of sports equipment, luggage, or bulky cargo. Frequent travelers will find the multi-purpose rack a welcome addition. Rack comes in matte black

scratch-resistant finish. Available for Tercel Wagons.

Fixed-basket roof rack is designed to carry large loads and add an extra-stylish look. Permanently mounted, constructed of heavy-gauge stainless steel, and is wear resistant to retain its good looks, mile after mile. Available for Cressida Luxury Wagon.

Trim rings in stainless steel, shine brightly and take wheels out of the

ordinary to add a custom-finished look to the exterior of your vehicle. Toyota's exclusive retention system keeps them securely in place, and they fit most 13" and 14" wheels.

Chassis Gravel Shields cover and help protect fuel tank and transfer case under rough-road use. The gravel

shields are constructed of foam core ABS, which has high impact resistance. For rough road use, installation of optional Chassis Gravel Shields is recommended. Available for Tercel 4WD Wagons.

EXTRA TOUGH AND RELIABLE FOR WORK OR PLAY

Tough and rugged Toyota Truck accessories are specially made to add style and convenience to your vehicle. See your Toyota dealer for all your

on and off-road trucking needs.

Ultra mirror has a sturdy custom mount-point with heavy-duty stainless steel swingaway arm. On the driver's side, a wide surface area insures greater visibility day or night. On the passenger's side, a convex mirror provides the driver with a distinct image and wide field of vision. The ultra mirror is available in a deluxe chrome finish that adds a sporty touch to any Toyota Truck.

All Toyota bumpers are custom designed to add extra function and

convenience—and they complement the styling of your Toyota Truck.

Heavy-duty step bumper is built tough for work or play, constructed of rugged, heavy-duty steel, in diamond pattern traction grid with grey painted finish.

Chrome rear step bumper provides a practical touch that adds a sport truck look to your Toyota Truck. This custom rear step bumper in the new sleek design follows the contours of

the Toyota Truck, constructed of steel with bright chrome finish for style and protection.

Tube bumpers give any Toyota Truck a stylish look. The tube bumpers are constructed of high-quality aluminum, afford maximum protection and can handle a straight or drop hitch. Available in chrome or matte black finish for 4x4 and 4x2 trucks.

A 4" Drop hitch for 4x4 and Straight low

hitch for 4x2 are designed to fit step or tube bumpers for towing recreational trailers or special equipment. Be sure to consult your owner's manual for proper towing information before installing a tow hitch on your Toyota Truck.
