Fusion SEL in Dark Ink Blue Metallic

FUSION AWD
RATED #1
OVER CAMRY
& ACCORD²

Nothing else resembles it. Nothing else responds like it. **Fusion.**

Car enthusiasts in L.A. and D.C. deemed Fusion – with available All-Wheel Drive – tops in **Performance** versus Camry and Accord; same holds true in the **Handling** and **Styling** categories.¹ Going places? Nothing else will do: Turn to Ford Fusion.

¹By special invitation from *Road & Track* (in Los Angeles) and *Car and Driver* (in Washington, D.C.), 2007 model year. ²In head-to-head comparison tests for 2007 models.

fordvehicles.com

Fusion SEL V6 AWD in Silver Birch Metallic with optional equipment

Truly inspiring, highly efficient Performance.

You have no problem handling anything life throws your way. But can you handle the road? Fusion is engineered so you don't even have to think about it. The rigid chassis and nimble 4-wheel independent suspension deliver a smooth ride and super-sharp cornering.

A TRIO OF POWERTRAINS: On Fusion S, SE and SEL, get in gear with a standard 5-speed manual transmission and the energetic, not to mention fuel-efficient, 160-hp Duratec 4-cylinder engine that achieves 29 MPG HIGHWAY* and a range of 467 miles on a full tank of gas. Or hit the road with the optional 5-speed automatic at hand. Step it up to the 221-hp Duratec V6 that works in tune with a first-in-class 6-speed automatic – quite the tempting option on SE and SEL models.

INTAKE VARIABLE CAM TIMING (iVCT) is standard on each powerplant to improve response and optimize efficiency. Meaning you get the best of all worlds and an extremely broad torque curve that makes for on-demand acceleration across the rpm range.

FIRST-IN-CLASS¹
AWD
AVAILABLE

3
Confidence

Here's the lowdown on ALL-WHEEL DRIVE (AWD): it continuously monitors – at a rate of 100 times per second – vehicle speed, throttle input and steering angle to exactly distribute torque. Fusion's AWD system can even direct that torque side to side on each axle, allowing you to continue even if only one wheel has grip. Moving forward to the next stage in life couldn't be any better.

¹Midsized Sedan class starting under \$21,000.
²2008 EPA-estimated fuel economy for front-wheel drive.

Take precision to another level when you outfit your Fusion with available AWD. Loose gravel, slippery leaves, packed snow, soaking rains, rapid acceleration or simply any of those twists and turns you encounter when the pavement's dry – AWD distributes the power precisely to ensure maximum traction, balanced control and peak performance. Fact is, AWD works so quickly and seamlessly, you'll never know it's happening.

fordvehicles.com

Fusion SEL with optional Charcoal Black leather-trimmed seating and optional equipment

“Me time” just got more Colorful.

Feel pampered every day you drive a Fusion, especially if yours is enriched with the all-new ambient lighting option.¹ Scroll through 7 different hues of eye-pleasing illumination – in blue, red, yellow, green, aqua, purple or white – that play up the enticing interior look, front to back.

¹Late availability.

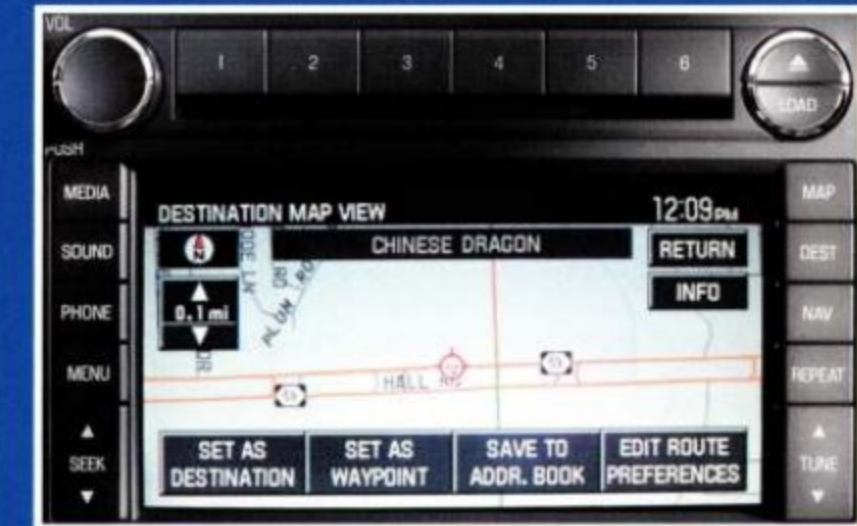

AMBIENT LIGHTING¹ provides more atmosphere whenever the mood strikes. Select this option to create an engaging LED glow – of your color choice – in the front and rear footwells along with the front cupholders.

²Service not available in Alaska or Hawaii. See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information.

So much stuff on SEL with so much attention to detail. No more fiddling with climate conditions: **ELECTRONIC AUTOMATIC TEMPERATURE CONTROL** maintains settings. The leather-wrapped steering wheel is tilt/telescoping and allows straightforward, fingertip activation of cruise controls (for the left hand), with like operation of the **SECONDARY SET OF AUDIO CONTROLS** (for the right hand) – SE models also include cruise and audio functions on the steering wheel. The standard **AUDIO INPUT JACK** turns Fusion's sound system into an extension of your iPod.[®] Keep humming along.

iPod[®] is a registered trademark of Apple Inc. All rights reserved.

Featuring more than 100 commands, the **VOICE-ACTIVATED, DVD-BASED NAVIGATION SYSTEM** that's optional on SEL displays maps, points of interest, address book, turn-by-turn route guidance and more.

SIRIUS SATELLITE RADIO² is your passport to 100% commercial-free music, along with the best in sports, news, talk and entertainment. This factory-installed option includes a 6-month prepaid subscription.

SIRIUS
SATELLITE RADIO
THE BEST RADIO ON RADIO[®]

5
Driver Seat

Bolstered, front bucket seats translate into a gratifying, controlled driving experience with a good deal of lateral support. An assuredness that takes on new meaning when optional leather-trimmed seating with color-contrasted stitching is desired. Further enhance the elation: Heated front seats – incorporating 2 warmth settings – are available, making Fusion even hotter than what its sleek, head-turning lines are telegraphing.

It's All Doable — dining, dancing, day trips, DIY projects...

... no problem, for you or Ford Fusion. Its versatility borders on boundless. Flip and fold the seating to accommodate accordingly. Drop off the goods, and you're all ready for a good time out with 4 friends.

**FLEXIBILITY:
FIT 5 ADULTS OR ITEMS
9' LONG
WITH EASE**

fordvehicles.com

Fusion SEL V6 with optional Charcoal Black leather-trimmed seating

Since a quality ride should be a quiet ride for all, emphasis was placed on achieving a tight finish inside Ford's first fully digitally designed vehicle. Sound insulation strategically placed under the floor greatly reduces road noise. And climate-control ductwork is of the high-efficiency, ultra-silent variety. Fusion may very well be your way to total bliss; however, pets, kids and backseat drivers may disrupt the peace and harmony.

Fusion is as flexible as it is delightful. There's a handy FOLD-FLAT FRONT-PASSENGER SEAT that lets you stow stuff measuring up to 9' in length on SE and SEL. Inherent to all models, convenient IN-DASH STORAGE pops open, and the 60/40 split-folding rear seats have a CENTER ARMREST — with built-in beverage holders — that tucks away in an instant.

Massive, humongous or really, really big — take your pick to best describe the LOW-LIFTOVER TRUNK. Within the trunk — and in easy reach — there are integrated hooks to keep shopping bags secure, plus a pair of quick-release levers for the spring-assisted rear seatbacks. Add optional eyes in back with the Reverse Sensing System. Up front, the TWO-TIERED CLAMSHELL CENTER CONSOLE houses an out-of-sight upper tier and oversized lower bin. In Fusion, seems everything's storable somewhere.

7
Versatility

Race-Infused appeal, including added agility.

Show the world what you're all about in your own special way. The stunning Sport Appearance Package is available solely on SE and SEL editions, and is reserved selectively for this exterior color palette: Black, Redfire Metallic and Silver Birch Metallic.

On the outside, the package turns that signature grille into black-chrome, frames fog lamps in body-color bezels and adds a unique rear "lip" spoiler. Wide rubber rides on 18" machined-aluminum wheels with painted pockets. Perfect for the sport-tuned suspension – bigger rear stabilizer bar, stiffer springs, plus dampened struts and shocks – that makes for even greater ride and handling performance, taking cues from the NASCAR® Fusion.

NASCAR is a registered trademark of the National Association for Stock Car Auto Racing, Inc.

On the inside too, the **SPORT APPEARANCE PACKAGE** is packed with standout style. A distinctive **BRUSHED-ALUMINUM FACE** surrounds the radio. Charcoal Black interior trim is unique with contrasting red stitching – extending to the leather-wrapped steering wheel and center console. Get **RED-SPLASHED CLOTH SEAT INSERTS** standard, or go for the optional leather-trimmed seating and its **RICH RED LEATHER INLAYS**. Want more? Add the Moon & Tune Package: This option throws a power moonroof overhead and a premium 8-speaker Audiophile® Sound System in earshot.

Fusion SEL in Black with optional Sport Appearance Package

9
Sport
Appearance

“...flatters the driver in a way that the Honda

Accord and Toyota Camry can't.”

ROAD & TRACK
October 2005

11
Accolades

Safety isn't an option.

Honestly, safety may not be sexy. But it sure does matter. Fusion is fully armed with the latest technology to resist, absorb and divert the force of an impact. Proof: The Insurance Institute for Highway Safety (IIHS) gave Fusion the highest protection ratings in frontal offset and side-impact crash testing.¹

¹Based on IIHS testing of the 2007 model-year Fusion.

13
Protection

Surrounding you with a wealth of safety, Fusion is standard-equipped with 6 AIRBAGS: 2 dual-stage front airbags, 2 front-seat side airbags and 2 side-curtain airbags covering both outboard rows. The PERSONAL SAFETY SYSTEM[®] utilizes a network of sensors to deploy the driver and front-passenger front airbags in just the right manner at just the right time. In addition, the FRONT-PASSENGER SENSING SYSTEM identifies whether or not a person is present, and then activates or deactivates the airbag as necessary. By preventing wheel lockup whenever you have to stop hard, the 4-WHEEL DISC ANTI-LOCK BRAKE SYSTEM (ABS) helps ensure stay-in-control steerability.

Additional safety features on Fusion include child-safety rear door locks, LATCH for ease of securing child-safety seats, and a Tire Pressure Monitoring System that alerts the driver – via the message center – for underinflation.

Fusion is as secure as it is safe. On top of the convenience of remote illuminated entry (because controls are part of the integrated key, there's no need for a loose fob), every Fusion touts a battery saver that prevents drain and an anti-theft perimeter alarm. SEL models are also standard with SECURITY APPROACH LAMPS under the heated sideview mirrors, plus a class-exclusive, built-in KEYLESS-ENTRY KEYPAD that unlocks at a touch. Fusion's got you covered, for certain.

SYNC
Powered by **Microsoft**

EXCLUSIVE NEW FORD SYNC™

BLUETOOTH® VOICE-ACTIVATED, HANDS-FREE PHONE CALLING

MULTILINGUAL INTELLIGENCE – Communicate with SYNC in English, French or Spanish.

UNINTERRUPTED CONNECTIONS – In the middle of a call on the way to or from your car? Keep on talking. Once paired with your Bluetooth-enabled phone, SYNC automatically transfers calls as you enter and exit.

RING-TONE SUPPORT¹ – Have specific ring tones assigned to your friends and family? SYNC can play them to help you identify incoming calls.

SUPPORT FOR UP TO 12 BLUETOOTH-ENABLED PHONES – The system can be paired with as many as 12 different phones at once, so your entire family can get in SYNC.

INSTANT VOICE RECOGNITION
AUTOMATIC PHONE BOOK TRANSFER¹

VOICE-ACTIVATED, HANDS-FREE DIGITAL MEDIA PLAYING

SUPPORT FOR POPULAR PLAYERS AND FORMATS – SYNC works with most digital media players, including iPod® and Microsoft Zune™ as well as USB drives.

SIMPLE VOICE COMMANDS – Access your music library by speaking commands like "Play All," "Similar Music" or simply "Play Artist" plus the name of an artist.

USB DEVICE CHARGING – SYNC automatically charges most devices while your car is running.

BLUETOOTH STREAMING AUDIO¹ – SYNC can play music files saved to your Bluetooth-enabled mobile phone as well.

PODCAST AND AUDIO BOOK SUPPORT

¹Requires a Bluetooth-enabled phone with this capability. Microsoft is a registered trademark of Microsoft Corporation. The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc.

SYNC YOUR BLUETOOTH-ENABLED MOBILE PHONE. When you enter Ford Fusion with a compatible and paired Bluetooth-enabled mobile phone, SYNC automatically recognizes its presence. Then you just press a button and use simple voice commands to make calls, take calls and more – with both hands on the wheel.

SYNC YOUR DIGITAL MEDIA PLAYER. Just connect your player to SYNC's USB port, press the button on the steering wheel and start speaking simple voice commands. SYNC even charges most digital media players while you're enjoying the tunes.

Go to SyncMyRide.com for more details. Coming Fall 2007.

SE V6 includes all SE I-4 content, plus: 3.0L Duratec 24-valve V6 engine • 6-speed automatic transmission • Dual exhaust tips

AWD includes SE V6 content, plus: Traction Control • P205/60VR16 tires

FUSION SEL includes Fusion SE standard features, plus: Automatic headlamps • Power, heated sideview mirrors with security approach lamps • Keyless-entry keypad • Bright molding at beltline • Electronic Automatic Temperature Control • Auto-dimming rearview mirror • Unique center stack instrument panel appliqué • Compass • Analog clock • Leather-wrapped steering wheel • 17" machined-aluminum wheels • P225/50VR17 performance tires

SEL V6 includes all SEL I-4 content, plus: 3.0L Duratec 24-valve V6 engine • 6-speed automatic transmission • Dual chrome exhaust tips

AWD includes SEL V6 content, plus: Traction Control

Fusion competes in NASCAR®, marking the first time since 1968 that an all-new Ford model debuted in showrooms and on the track at the same time. It builds on a legacy nearing 600 Sprint Cup wins. In fact, Red Byron took the checkered flag in the first-ever NASCAR-sanctioned race, piloting a modified Ford over the sands of the Daytona Beach Road Course in 1948; there were 14,000 fans in attendance. Today, more than 75 million Americans pride themselves on being NASCAR fans. Ford Racing's Carl Edwards (pictured above in winning, high-speed form) loves the crowd roar nearly as much as the stock, production version of his #99 racer: "The Fusion is awesome. It's easy to drive. It's a fun car."

THE 5 YEAR/60,000 MILE WARRANTY

New Vehicle Limited Warranty

We want your Ford Fusion ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: The 5-year/60,000-mile powertrain limited warranty is fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage – on select components, including the engine and transmission – beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Ford Accessories are designed and engineered specifically for Ford vehicles. Visit our website at fordaccessoriesstore.com to use the Accessorizer, and to learn about complete accessory details and purchase instructions.

The Right Ford for You

For a great value, look to Ford. The all-new Taurus and Taurus X are America's ideal family vehicles – loaded with the latest in 5-Star safety and full-size necessities. The breakthrough Fusion is the essence of midsize quality, taking handling finesse to an available All-Wheel-Drive degree. The fun-loving Focus is new inside and out, running with compact efficiency¹ and eco-responsibility. Mustang is pure muscle, making it America's best-selling sports car *and* top-selling convertible.

Visit fordvehicles.com to find your perfect match.

¹32 mpg hwy, based on preliminary Ford testing.
