

America's ideal family car: the all-new Taurus.

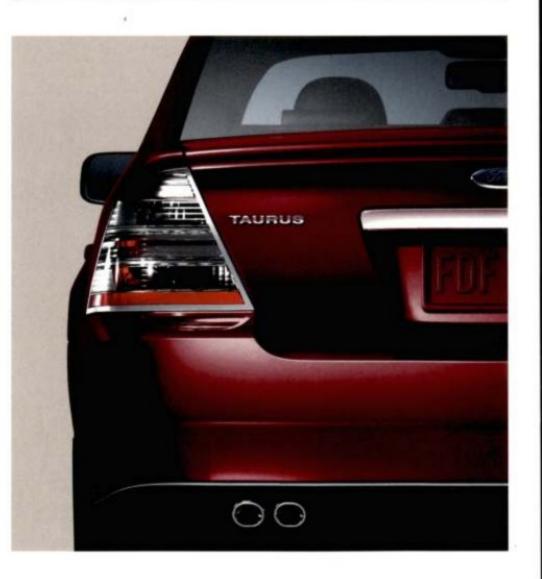

Ford Taurus has built a reputation for being the best. When it was originally introduced, Taurus forever changed the way cars look, feel and drive. Today's Taurus is better than ever: more distinctive and more confident. The bold chrome grille catches the eye, while the award-winning 263-hp V6 stirs the soul. Safe, spacious, smart and so versatile, Taurus is America's best new car for families on the go.

# Attractive. America's family car

Taurus doesn't go unnoticed. The signature tri-bar chrome grille is a focal point, boldly bridging the sculpted hood and shapely front fascia. Fog lamps are surrounded by chrome, a striking chrome side vent dresses up each front fender, and wraparound halogen headlamps have a jewel-like look.

Detailed taillamps bookend the strong horizontal design theme in back, and dual chrome exhaust tips stand out. Taurus Limited adds to the sophistication with a chrome license-plate brow. Limited models also feature chrome-accented door handles and mirror caps, plus 18" bright-aluminum wheels; chrome-clad wheels are optional for a more pronounced shine. Ford Taurus reflects exceptionally well on you and yours.

- A STANDARD AIRBAGS including: 2 dual-stage front airbags; 2 front-seat side airbags; and 2 side-curtain airbags, which run front to back and are part of the Safety Canopy™ System that also features a class-exclusive rollover sensor.
- B ULTRA-RIGID CHASSIS is not only the nucleus of the solid, 5-Star-rated structure, it was crash-modeled on a Cray® supercomputer to pinpoint energy-absorbing properties, minimize passenger compartment intrusion and maintain structural integrity. Cray is a registered trademark of Cray, Inc.
- SPACE (Side Protection And Cabin Enhancement) ARCHITECTURE<sup>TM</sup> is a class exclusive comprised of advanced structural elements, now with pressure crash sensors in the doors for faster airbag deployment.

- TRIPOD DESIGN in the front structure channels crash forces upward and downward away from passengers into a high-strength steel "ring of protection."
- LASER-WELDED SIDE PILLARS help redirect crash forces underneath the seats. To help manage energy in side collisions, laser-welded steel sheets of varying thicknesses are stamped right into the structure.
- PERSONAL SAFETY SYSTEM® (with Front-Passenger Sensing System)
  enhances collision protection for the driver and front passenger
  through a network of sensors controlling deployment of the dualstage front airbags.

#### ADDITIONAL SAFETY AND SECURITY FEATURES STANDARD ON EVERY

TAURUS: Class-exclusive keyless-entry keypad unlocks at a touch
• Auto-dimming rearview mirror cuts glare • Tire Pressure Monitoring
System alerts for underinflation • ABS and Traction Control work
at all speeds

FOR TAURUS LIMITED, THESE TOO ARE STANDARD: Anti-theft perimeter alarm helps protect valuables • Heated sideview mirrors come with memory settings • Headlamps are automatic on/off and wiperactivated for enhanced visibility • Security approach lamps (in exterior mirrors) light up via the key fob, door handle or keypad

# RATED AMERICA'S SAAF EST FULL-SIZE CAR

Taurus provides unmatched, class-leading protection. Its crash safety rates the full 5 Stars from the National Highway Traffic Safety Administration (NHTSA). Equipped with optional electronic stability control, Taurus also is an Insurance Institute for Highway Safety (IIHS) "Top Safety Pick."

It's the only vehicle in its class to achieve top crash test results across the board from NHTSA and earn the highest ratings in all 3 IIHS categories. Rigorous IIHS criteria include a 40-mph frontal offset crash test assessing structural design, a side-impact crash test simulating what it's like to be struck by an SUV or pickup, and a rear crash-protection test focusing on whiplash prevention. Taurus = Family Insurance Plan.

Take hold of the leather-wrapped wheel of Taurus and take charge. An experience enhanced by class-exclusive Command Seating, which sits you comfortably upright and tall, provides SUV-like panoramic visibility, and allows for effortless entry and exit.

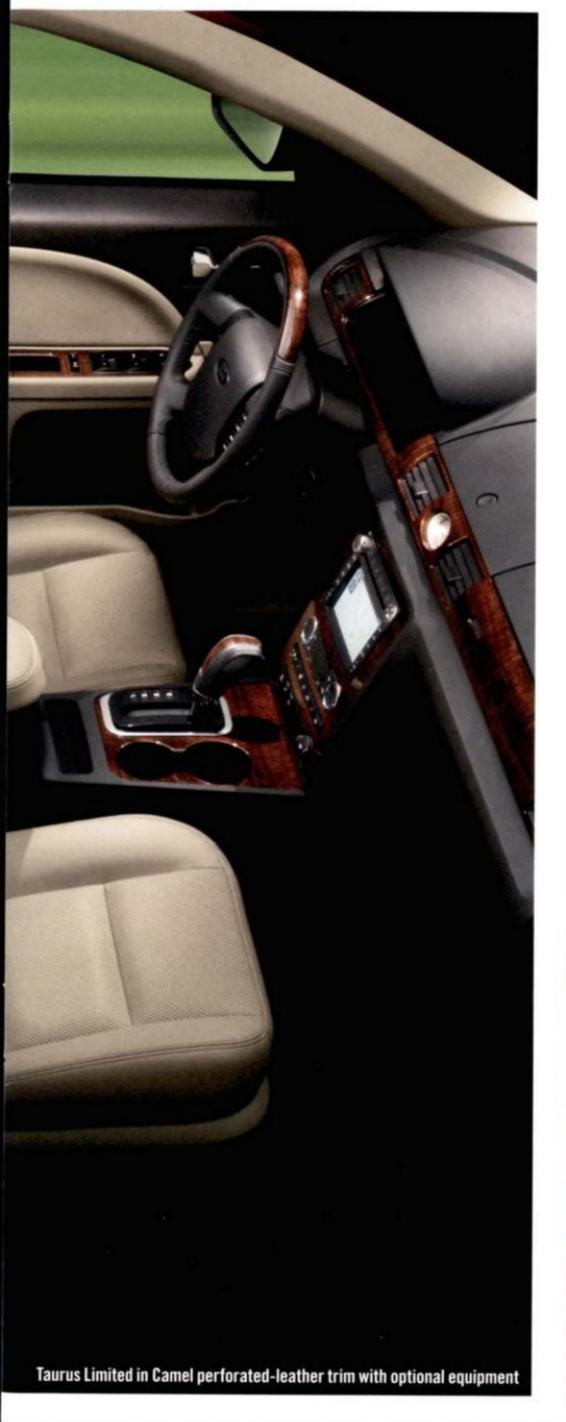

Bright accents abound, from the door handles and instrument panel gauges to the console controls and shifter. The look is rich, with a feeling of confidence: audio buttons on the steering wheel, and available power-adjustable pedals, extend your command. Take that family trip in style — and in certainty — from San Diego to Savannah with the optional voice-activated, DVD-based Navigation System as co-pilot.

### Roomiest. America's family car

Welcome to the most sizable family-friendly interior in the class: a full 129.2 cu. ft. to be exact. Within this wealth of room, guests can bask in class-best rear passenger volume. Up front, a genuine wood-accented steering wheel and shift knob are available to play up Taurus luxury.

**BEST-IN-CLASS** INTERIOR COMFORT fordvehicles.com

Emphasizing proper thigh, back and head support for short or long hauls, the ergonomically designed seats rank #1 in the class for comfort. A big thanks goes to the available plush, perforated-leather trim - finely adorned with color-contrasted stitching. And Taurus Limited ups the ante, treating you to an 8-way power driver seat and a 4-way power passenger seat; front seats can be heated in either of 2 settings. Definitely desirable.

ADJUSTABLE REAR AIR VENTS are furnished for backseat travelers — who also have the advantage of being able to slide their feet under the front seat for added comfort.

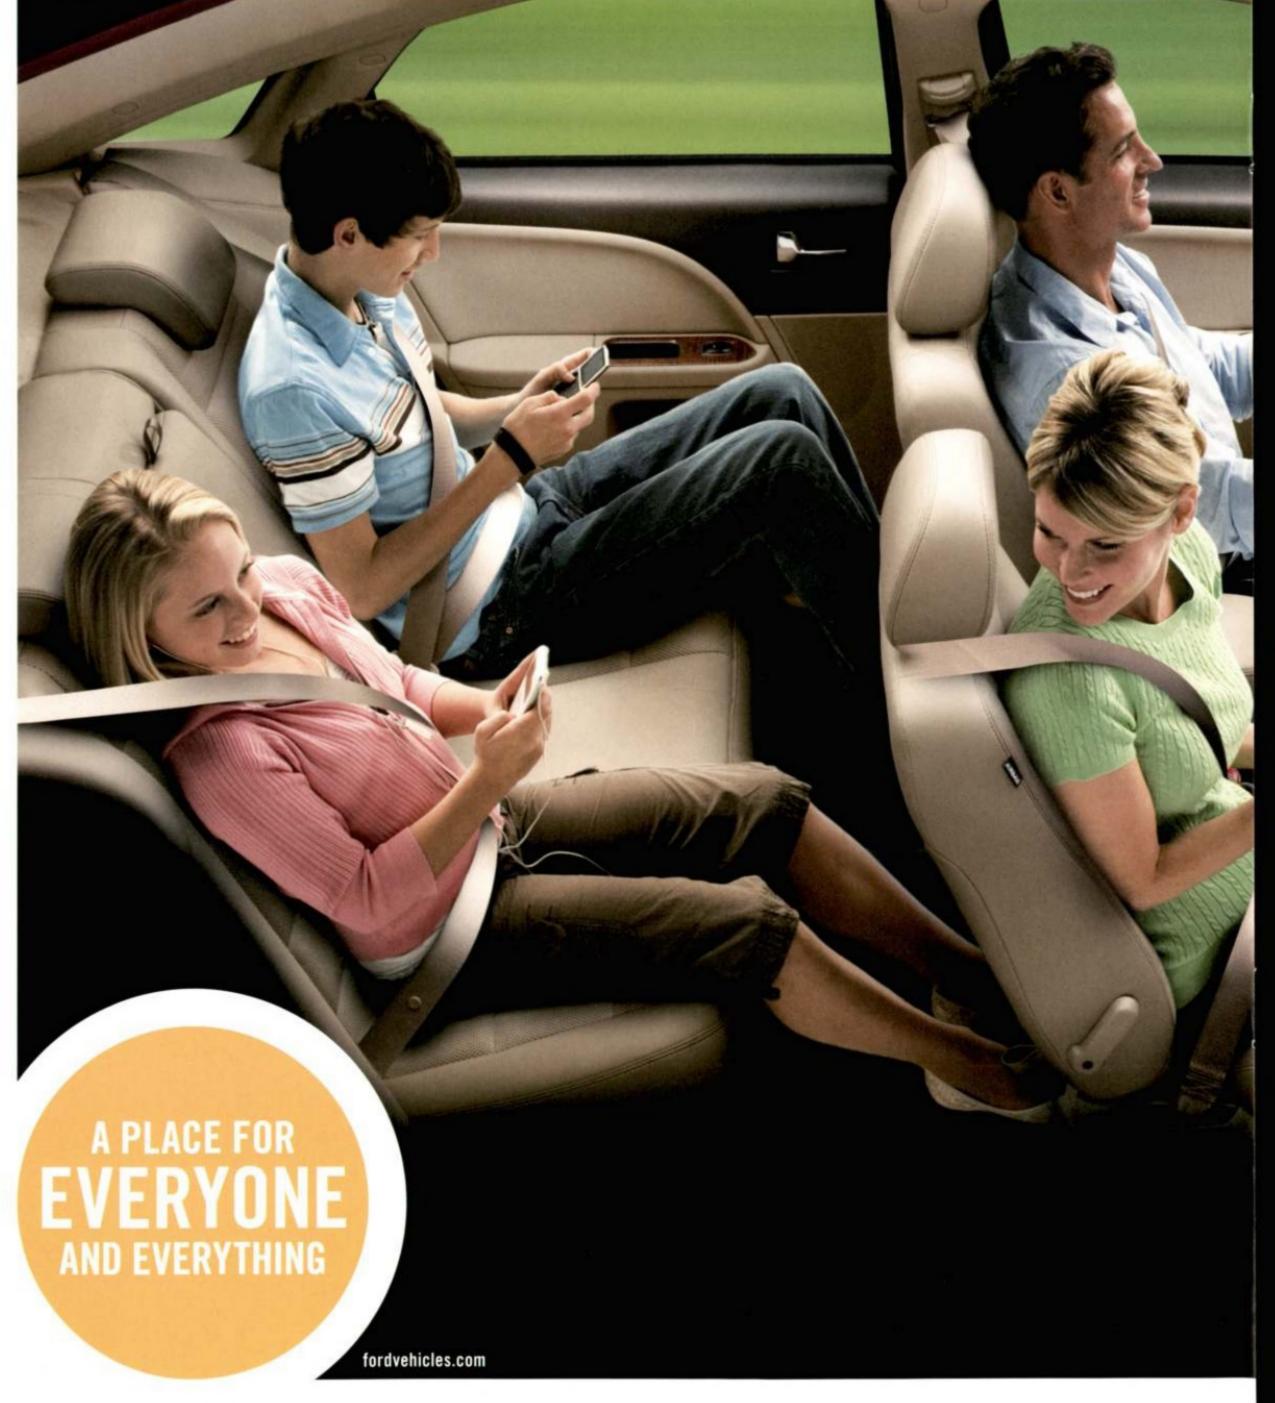

DUAL-ZONE ELECTRONIC AUTOMATIC TEMPERATURE CONTROL is standard on Taurus Limited, allowing you and your front passenger to choose precise climate settings independently. Climate control functions are whisper-like, making for a TRULY QUIET INTERIOR. Hydraulic engine mounts, aerodynamic sideview mirrors, a specially tuned suspension, and advanced, patented sound-deadening materials guarantee the Articulation Index — measuring the clarity of conversing inside of Taurus — is nothing less than superb.

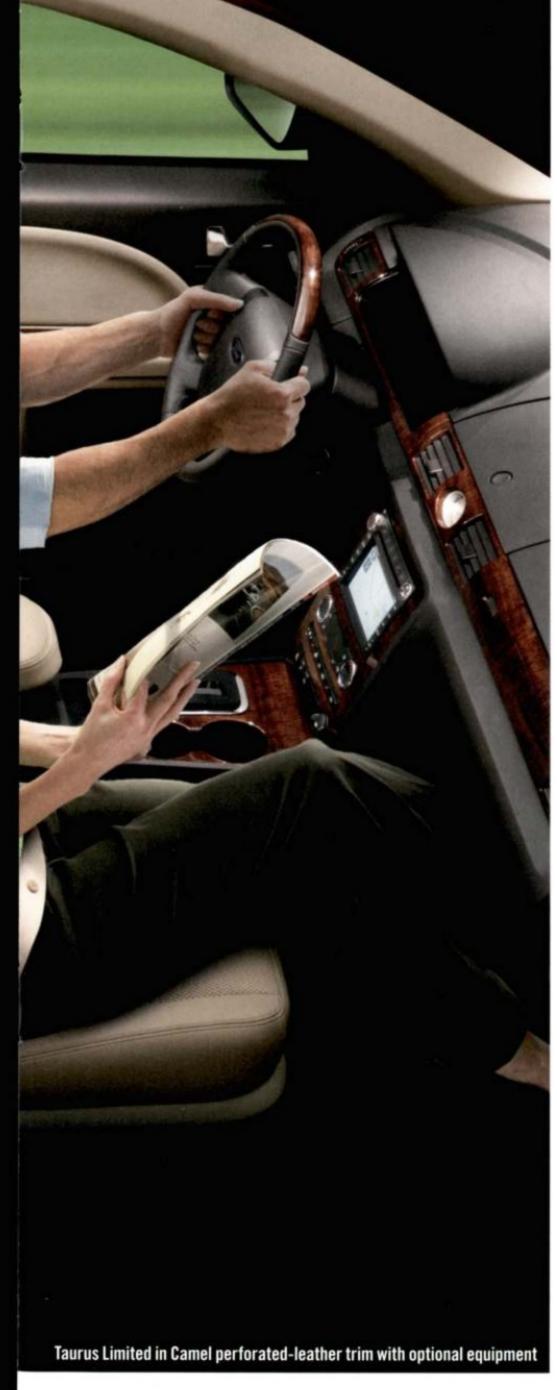

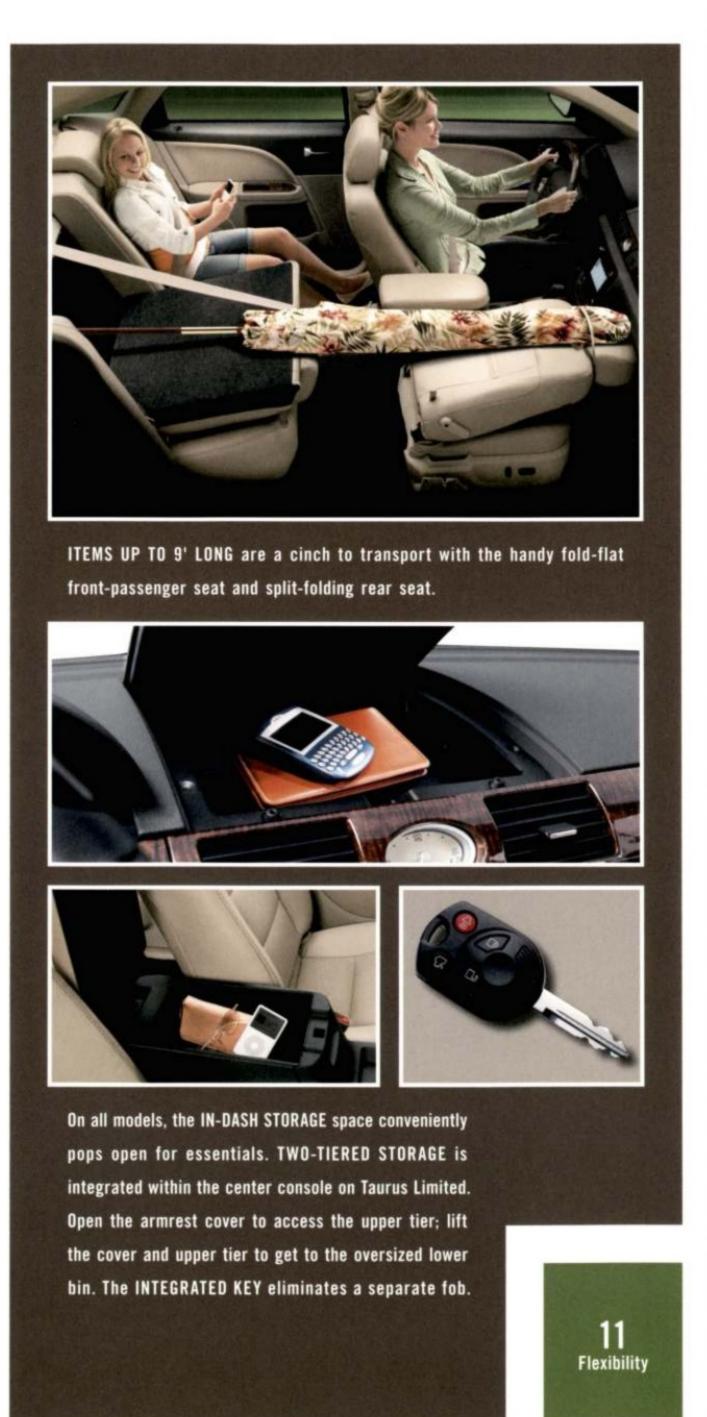

### Handiest. America's family car

No other car can handle it all like Taurus, which is always happy to lend a helping hand. While family savors the comfort of the cabin, keep cargo in the trunk — by far the biggest of any sedan in North America. Measuring a whopping 21.2 cu. ft., it packs a load with room to spare.

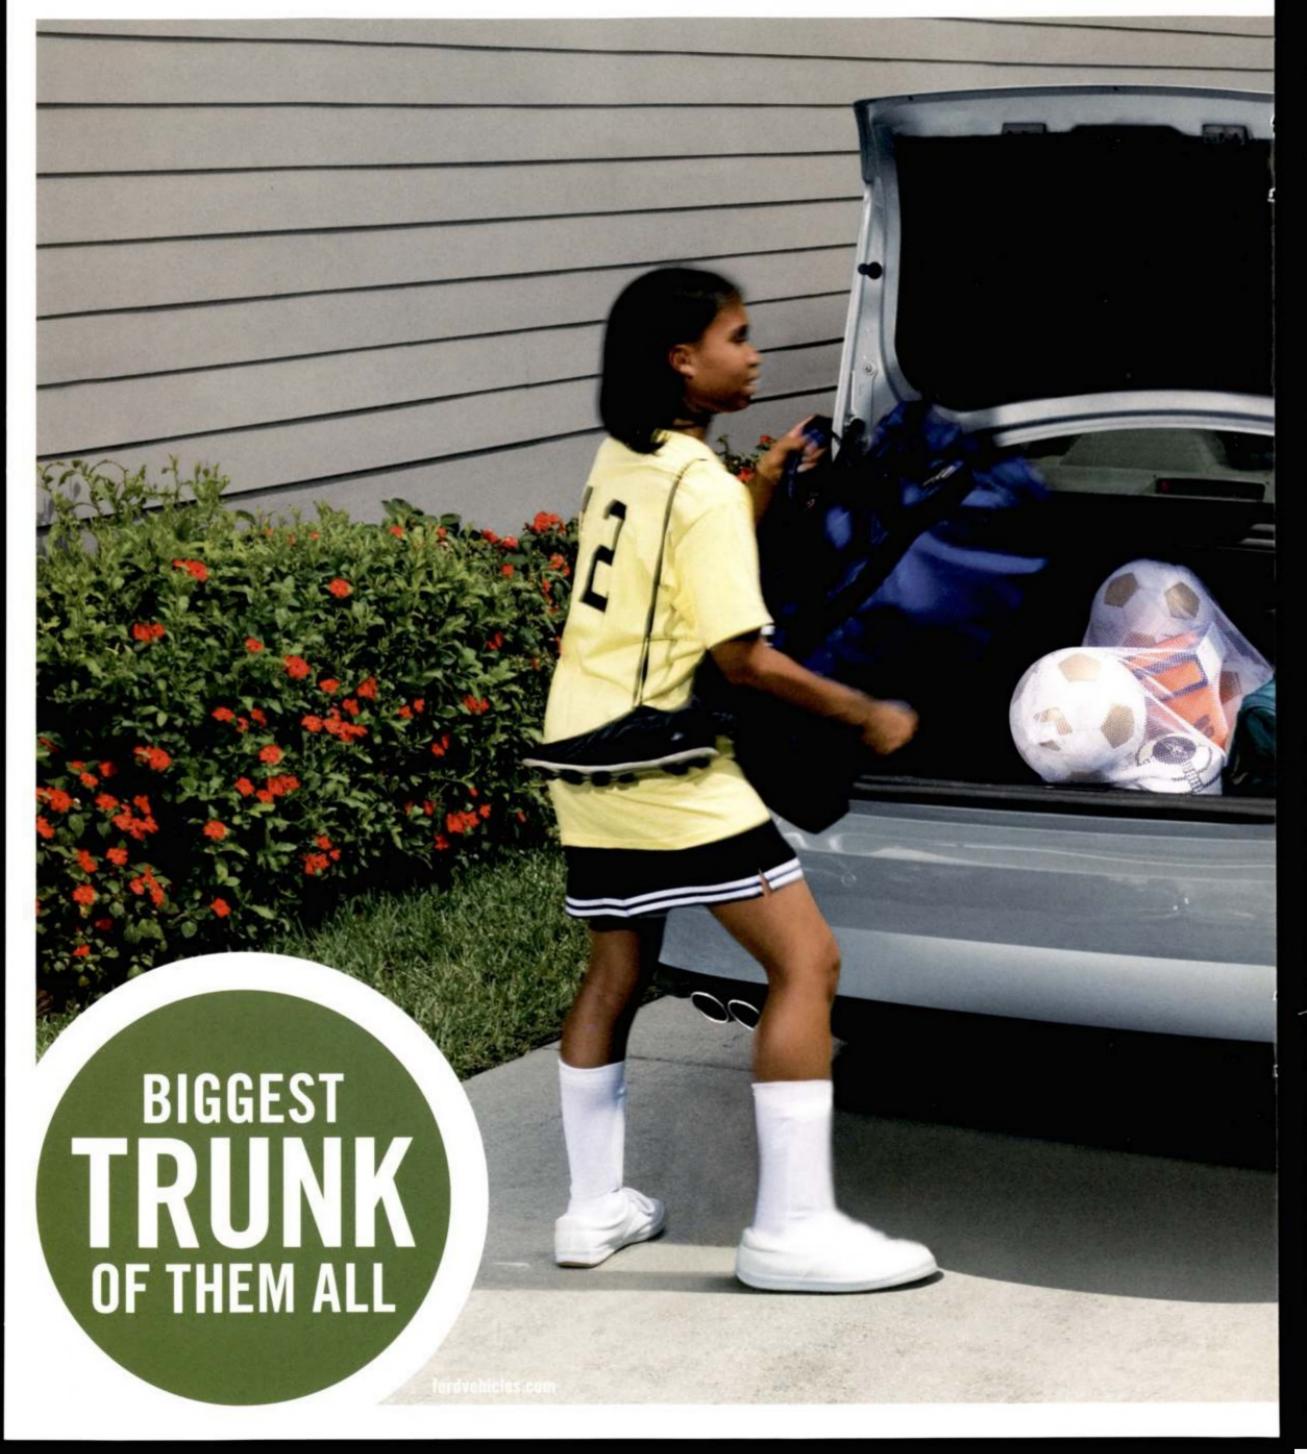

Lower either or both sections of the 60/40 split-folding rear seat, and then drop the fold-flat front-passenger seat. You've just equipped yourself with the weather-protected ability to haul objects 9' in length. Stow smaller-scale items within each door's built-in storage pocket or the locking glove compartment. Taurus versatility extends to the 8 beverage holders, three 12-volt power points, and a nifty foldaway rear armrest.

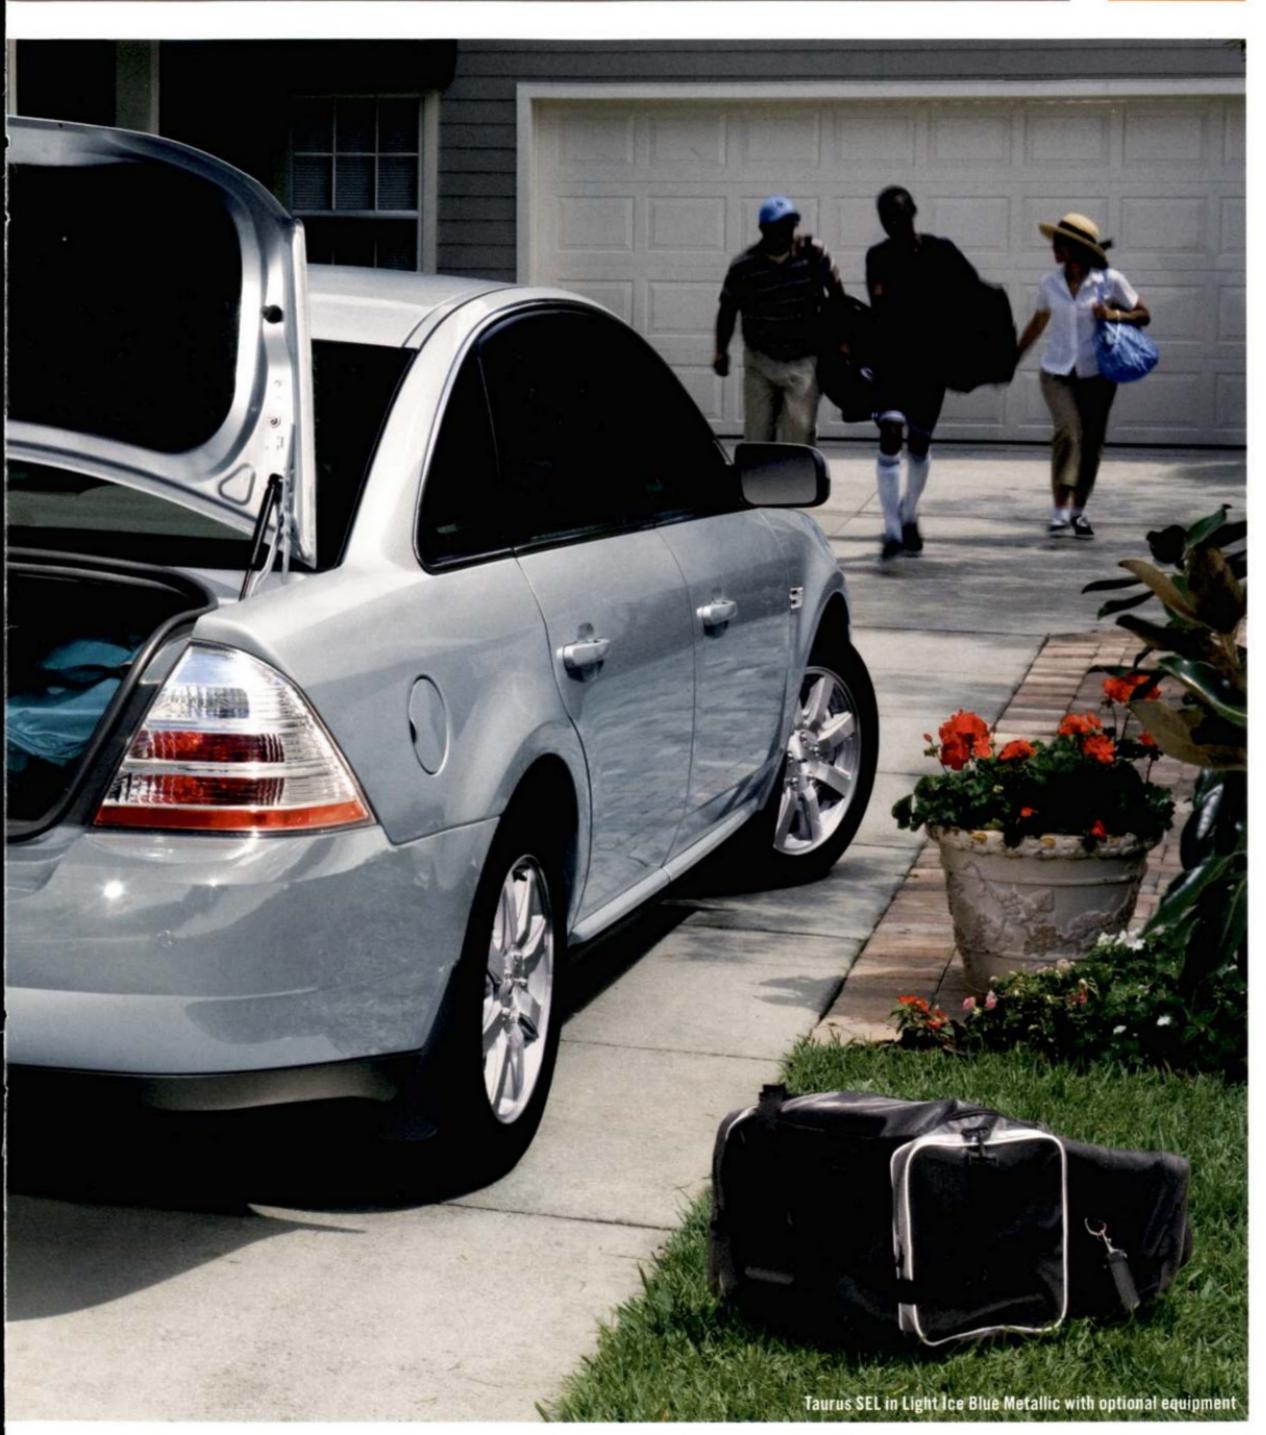

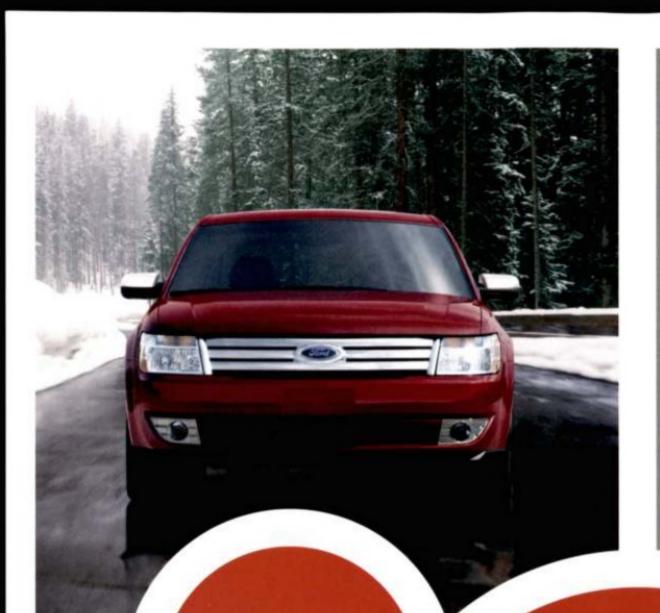

# Maximum space for all your gear.

### ALL-WHEEL DEFENSE

ALL-WHEEL DRIVE (AWD) is optional on all models for enhanced safety: increased control and superior performance. Taurus AWD utilizes an on-demand electronic center coupler to deliver the ideal amount of torque to all 4 wheels independently. So wheel slippage is anticipated - and virtually eliminated - before it can occur.

ADVANCETRAC® ELECTRONIC STABILITY CONTROL manages engine torque and applies braking to help keep Taurus tracking safely on the intended path. Studies show this option can be a true lifesaver.

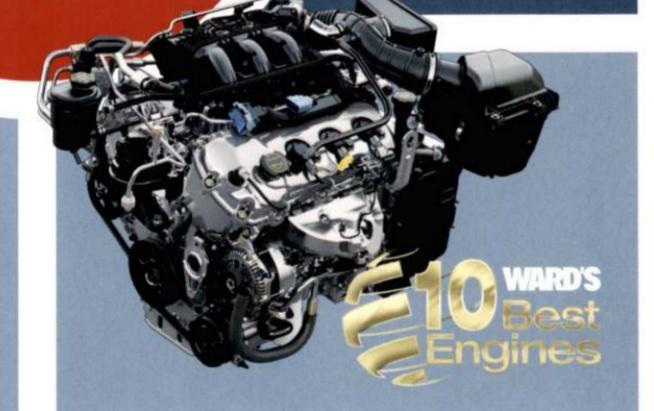

28 MPG **HIGHWAY** 

263 HP

AND CRISP THROTTLE RESPONSE TO MATCH: "I'VE NEVER SEEN A TACH NEEDLE **JUMP FROM 1500 RPM TO 5000 RPM QUITE LIKE THIS."** 

> - SENIOR EDITOR TOM MURPHY WARDSAUTO.COM

AWARD WINNER in the 13th annual Ward's 10 Best Engines1 competition: "Along with inspired mid-range snap, the Duratec 35 3.5L DOHC V6 fronts what we believe to be class-leading refinement." And it posts some impressive EPA-estimated fuel economy figures: 18 MPG CITY/ 28 HWY for front-wheel drive; 17 MPG CITY/24 HWY for All-Wheel Drive. Just as noteworthy is the astounding 574-MILE RANGE you can achieve on a full tank of gas.

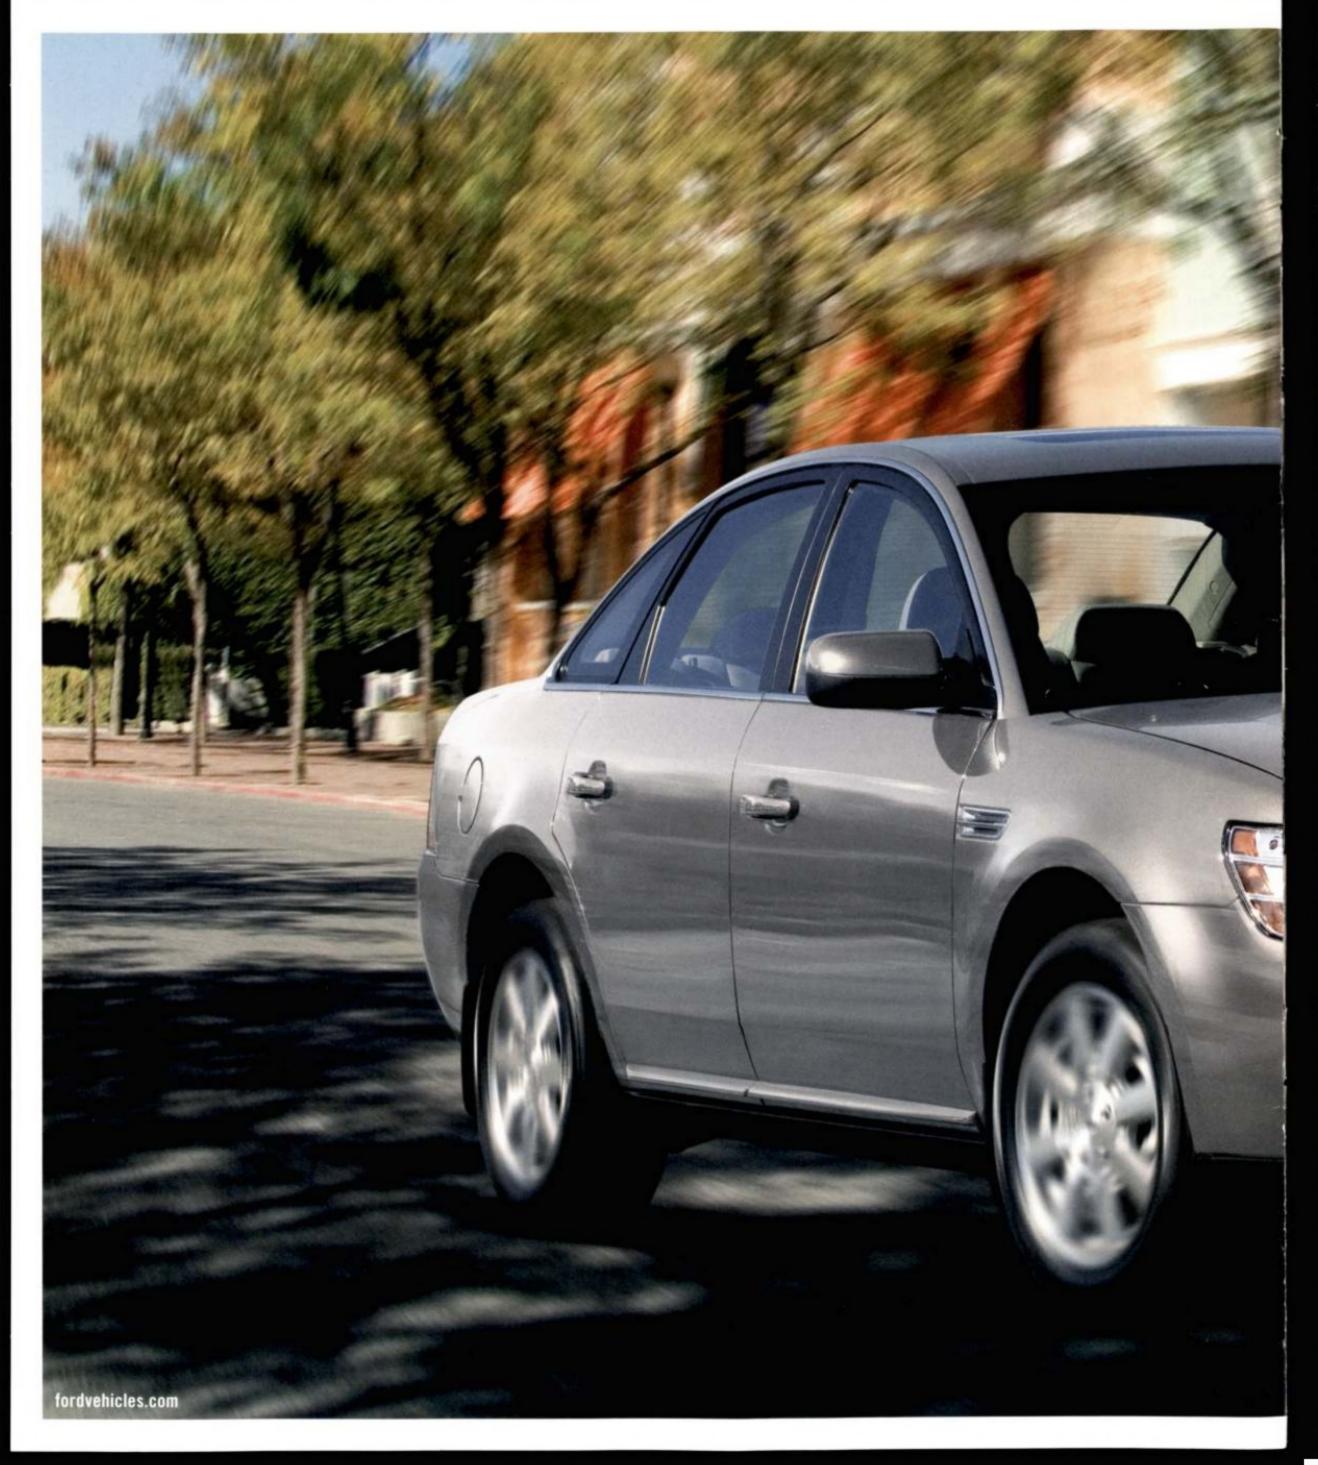

On-demand acceleration gives you the strength to make things happen. Ford's most powerful V6 ever is one of the cleanest-running, which marks another first in Ford history: The V6 achieves PZEV (Partial Zero Emissions Vehicle) in certain states, so it's as eco-responsible as a hybrid vehicle.

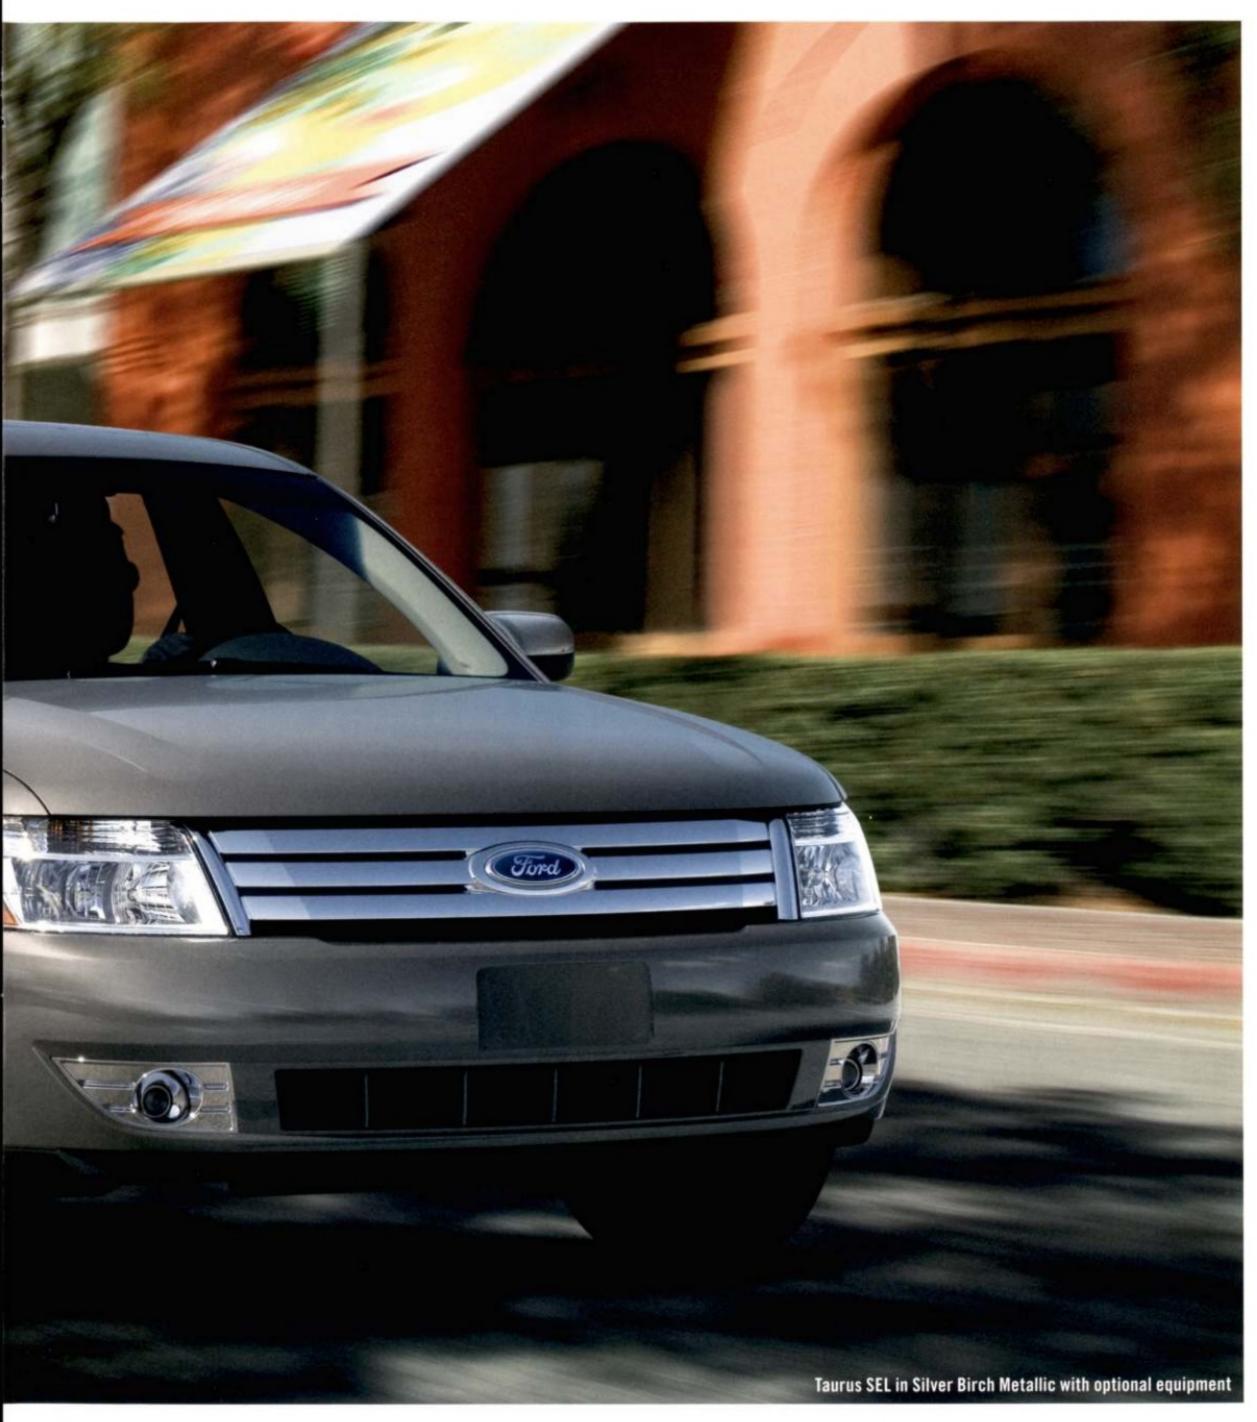

2CA, MA, ME, NY and VT.

The die-cast, aluminum-block engine produces a robust 263 horsepower and 249 lb.-ft. of torque; employs intake variable cam timing (iVCT) for optimal horsepower per liter; attains peak performance on regular unleaded gasoline; and is teamed with a new, class-exclusive standard 6-speed automatic. It delivers impressive fuel economy and ultra-smooth precision shifts. V6 acceleration never felt so good.

# "...looks and acts the part..." AUTOBYTEL.COM

### Engaging. America's family car

Take the show — and those games — on the road. The next-generation DVD Family Entertainment System is the perfect option. Its flip-down, full-color LCD screen is sized a generous 8". Two infrared wireless headphone sets and an infrared remote control are also included.

Another plus for the DVD Family Entertainment System: Its dual-media function lets those in back remain transfixed with on-screen action, while you and your front seatmate listen to the radio, a CD, or all those portable MP3 tunes — courtesy of the built-in auxiliary audio input jack that's wired directly to the acoustically optimized sound system and standard on every Taurus. It's good to have connections.

### PLAY UP THE PLEASURE

VOICE-ACTIVATED DVD-BASED NAVIGATION SYSTEM eliminates travel guesswork. The generous 6.5" color LCD monitor clearly displays maps and menus, pinpointing where you are and providing turn-by-turn Route Guidance. More than 20 different functions — many of which can simply be voice prompted — are accessible on this option.

Sensory

channels of crystal-clear, digital-quality sound. This factory-installed option is your passport to an amazing range of music (all of it 100% commercial-free), sports, news, talk and entertainment. SIRIUS coast-to-coast coverage is seamless in the contiguous U.S., and as a subscriber, you'll also receive free online access to all music channels. To top it off, a complimentary 6-month subscription to SIRIUS is included in the option price.

See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information.

SIRIUS ASSAULTE RADIO

AUDIOPHILE® SOUND SYSTEM is standard on Taurus Limited for your listening pleasure — with 8 speakers, a 2-channel 90-watt amplifier, subwoofers, speed-compensated volume, and a 6-disc in-dash CD player that's MP3-capable.

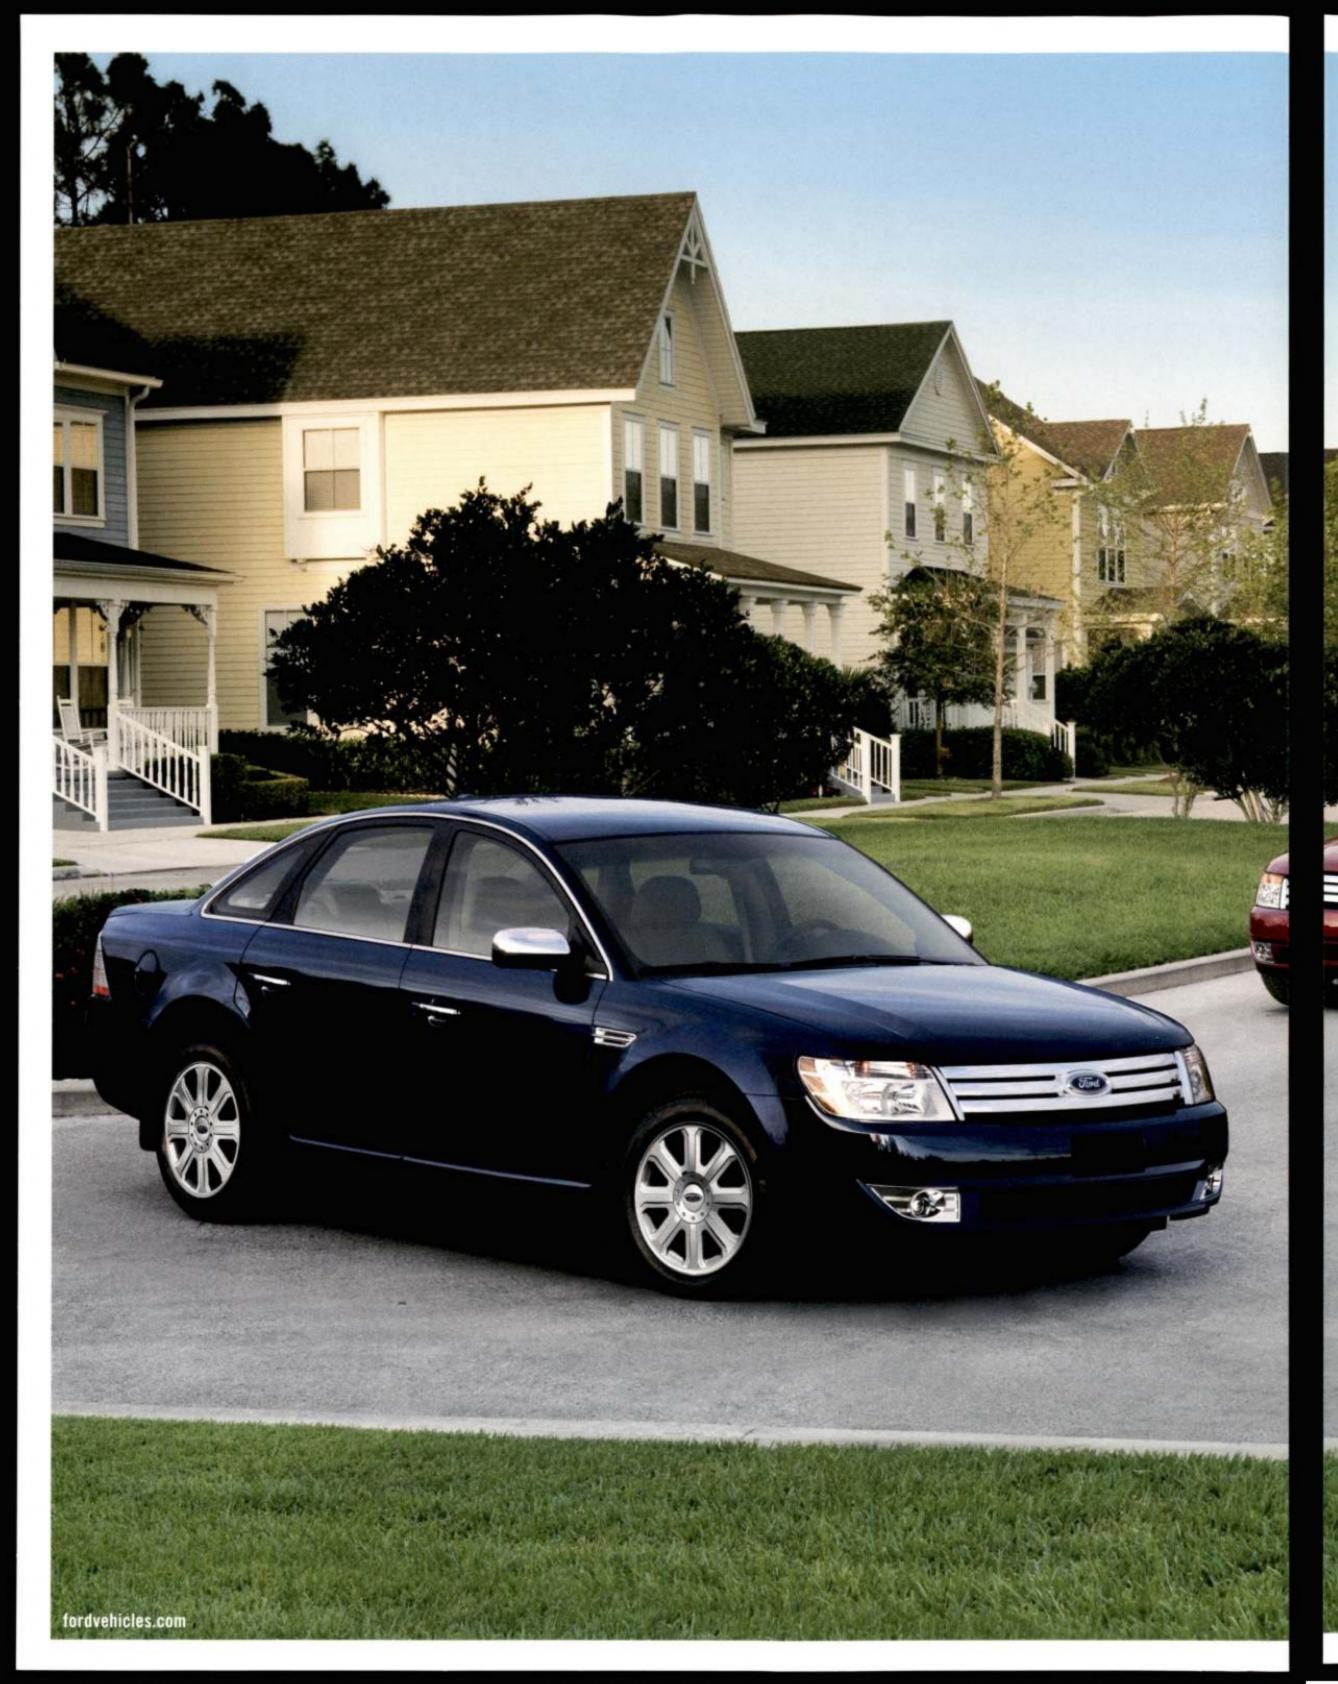

#### SEL select standard content:

2-row Safety Canopy™ System with side-curtain airbags • Front-seat side airbags • 4-wheel disc Anti-lock Brake System (ABS) • Traction Control • Tri-bar chrome grille • Fog lamps • Body-color, power sideview mirrors with chrome bezels • Dual chrome exhaust tips • Air conditioning • Auto-dimming rearview mirror • Heat and air conditioning vents in rear of front center floor console for rear-seat passengers • Leather-wrapped steering wheel and shift knob • Message center with compass • Steering wheel-mounted cruise and audio controls • AM/FM stereo with single-CD player and clock • Auxiliary audio input jack • Three 12-volt power points • 6-way power driver seat with manual lumbar adjustment • 2-way power fold-flat front-passenger seat • Rear-seat center armrest with beverage holders • Interior Ash woodgrain-appearance appliqués • 17" 8-spoke bright-finish aluminum wheels with P215/60R17 tires • Tire Pressure Monitoring System

#### LIMITED includes SEL content, plus:

#### New Vehicle Limited Warranty

We want your Ford Taurus ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile WARRANTY Powertrain Warranty Coverage and Roadside Assistance, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: The 5-year/60,000-mile powertrain limited warranty is fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage — on select components, including the engine and transmission - beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask Ford Motor Company insurance. Our program offers industry-leading your Ford Dealer for details or check us out at fordcredit.com. Insurance Services benefits and competitive rates. Call 1-877-367-3847.
