

EXPEDITION & EXPEDITION MAX

2009

powered by you

Come Outside and Play

Expedition makes fun in the sun even better.

 powered by you

Expedition King Ranch* in Dark Blue Pearl Metallic with available equipment.

Just looking at Expedition and Expedition MAX makes you want to pack them full of gear, hook up your favourite toy and go. You'll figure out where later. Great styling, a bold stance, room for 8, and a Heavy-Duty Trailer Tow Package make Expedition the perfect road trip partner. New for 2009 are available rain-sensing wipers and the industry-first Easy Fuel™ capless fuel-filler system that helps you spend less time at the pump.

Pulling for you

A 6-speed automatic transmission and a 5.4L V8 engine, which provides 310 hp and 365 lb.-ft. of torque, give Expedition a maximum towing capacity of up to 4082 kg (9000 lbs.).¹

¹When properly equipped.

Down under

Outstanding torsional rigidity, a stiff frame, monotube shocks, and enhanced steering gear contribute to a very smooth ride and great steering control.

Stabilizing Influence

Unique system helps maintain traction.

What you don't see about Expedition are some of its most important features. AdvanceTrac® with RSC® (Roll Stability Control™) is standard on all models. The system features a unique vehicle-roll motion sensor that works in conjunction with the Anti-lock Brake System (ABS) to help keep Expedition grounded. If the sensor detects loss of contact with the road, it applies brakes to individual wheels and modifies engine power to help keep all 4 tires on the ground!

6 airbags for protection

Standard on all models are dual-stage driver and front-passenger front airbags that are but one part of the Personal Safety System.* Front-seat side airbags and the Safety Canopy* System, that includes 3-row side-curtain airbags, provide Expedition occupants with layers of protection.

No pavement? No problem.

Multilink independent rear suspension is extremely important when travelling roads and over terrain that's not flat and smooth. Each wheel reacts independently to help Expedition maintain an element of composure despite the surface.

That's Entertainment

SYNC and SIRIUS spice up the ride.

SYNC
Powered by Microsoft

SIRIUS
SATELLITE RADIO

All together now

Groundbreaking voice-activated Ford SYNC^{®1} technology that allows you to integrate your Bluetooth[®]-enabled mobile phone and nearly any portable media player is available. Visit SyncMyRide.ca for connectivity details.

Expedition Eddie Bauer leather-trimmed interior in Charcoal Black with available equipment.

Showtime

An available Rear-Seat DVD Entertainment System includes a large 8-in. colour LCD flip-down screen, infrared remote control and 2 sets of wireless headphones. Passengers can play CDs, DVDs and video games (when paired with your compatible gaming system).

Back-up plan

An available Rear View Camera displays images from a liftgate-mounted camera onto your rearview mirror when the system is activated. If equipped with the optional voice-activated Navigation System, images are displayed on the 6.5-in. colour screen.

Expedition comes with SIRIUS[®] Satellite Radio, offering up to 120 digital-quality channels including sports, news, personalities and 100% commercial-free music all across Canada. Includes a 6-month prepaid subscription and online access. See your Ford of Canada Dealer or contact SIRIUS at 1-888-539-7474 for more information.

To make your trips less hectic, an available voice-activated Navigation System helps get you where you're going. Just say the name of your destination and a course is plotted for you. With nearly 10 gigabytes of hard drive space you can store about 2400 songs, upload photos and even watch a DVD when parked.

¹Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Microsoft is a registered trademark of Microsoft Corporation. The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc.

Interior Decoration

Beautiful styling enhances your ride.

Expedition Eddie Bauer leather-trimmed interior in Greystone with Camel inserts and available equipment.

Expedition's great looks are only overshadowed by its comfortable and beautiful interior. Standard on Eddie Bauer, King Ranch® and Limited are heated and cooled 1st-row low-back bucket seats with a 10-way power driver seat and a 6-way power front-passenger seat (10-way passenger seat on Limited models). 2nd-row heated seats are standard on King Ranch and Limited. The PowerFold™ 3rd-row seat is standard on Eddie Bauer, King Ranch and Limited models. Also standard on Eddie Bauer, King Ranch and Limited are memory features for the driver seat, sideview mirrors and power-adjustable pedals with 2 settings.

Organize the chaos

A versatile cargo organizer is standard on Expedition MAX. It keeps items orderly in the 1206 litres (42.6 cu. ft.) of space behind the 3rd-row seat. The simple divider can be used to create 2 cargo areas or 2 storage shelves.

Sliding action

Our CenterSlide™ feature on the standard 2nd-row 40/20/40 split-folding seat allows you to pull the centre section of the seat forward for easy access from the 1st row.

Rise to the occasion

An available power liftgate raises and lowers at the push of a button on the remote keyless-entry key fob. Also available are power running boards that deploy when you open a door and retract when you close it.

Specifications

Model-Specific Features

XLT select standard content:

17-in. aluminum wheels • Body-colour lower bodyside mouldings, wheel-lip mouldings and bumpers • Chrome door handles • Fog lamps • Black, power, heated sideview mirrors with security approach lamps • Black roof side rails and crossbars • Black running boards • AM/FM stereo with single-CD player and MP3 capability • Auxiliary audio input jack • SIRIUS Satellite Radio • 1st-row captain's chairs with 6-way power driver seat with manual lumbar • 2nd-row 40/20/40 split bench seat with CenterSlide™ feature • 3rd-row 60/40 split fold-flat-to-floor bench seat • Colour-coordinated carpeted front and rear floor mats • Overhead console • 1st- and 2nd-row map lights • SecuriCode™ keyless-entry keypad • AdvanceTrac® with RSC® (Roll Stability Control™) • Personal Safety System® • Safety Canopy® System

Specifications

Standard Equipment

Mechanical

- 5.4L 3-valve V8 engine — Flex Fuel-capable
- 6-speed automatic transmission with overdrive
- 4-wheel independent suspension with coil-over shocks — Front: double-wishbone, Short- and Long-Arm (SLA) design; rear: multilink design
- 4-wheel power disc brakes with Anti-lock Brake System (ABS), Brake Assist and Electronic Brakeforce Distribution (EBD)
- Body-on-frame construction
- Control Trac® 4-wheel-drive system
- Easy Fuel™ capless fuel-filler system
- Fuel tank — 106-litre capacity (129-litre on Expedition MAX)
- Non-limited-slip rear axle — 3.31 ratio (Expedition only); 3.73 ratio (Expedition MAX only)
- Spare tire — Full-size
- Stabilizer bars — Front and rear
- Variable-assist, power rack-and-pinion steering

Safety/Security

- Personal Safety System* for driver and front passenger — Includes dual-stage front airbags, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver-seat position sensor, crash severity sensor and restraint control module
- AdvanceTrac® with RSC® (Roll Stability Control™)
- Autolock — Doors lock automatically when driving
- Battery saver with headlamps-off delay
- Belt-Minder® front safety belt reminder
- Child-safety rear door locks
- Front-seat side airbags¹
- Integrated key transmitter remotes (2)
- LATCH — Lower anchors and tether anchors for child-safety seats on rear-outboard seating positions
- Perimeter alarm
- Safety belts — 3-point for all outboard positions and 2nd- and 3rd-row centre positions
- Safety Canopy® System with side-curtain airbags¹
- SecuriCode™ keyless-entry keypad
- SecuriLock® passive anti-theft engine immobilizer system
- Side-intrusion door beams
- SOS Post-Crash Alert System
- Tire Pressure Monitoring System (excludes spare)

Seating

- 1st-row captain's chairs or low-back buckets — Model-specific (see chart on page 11)
- 2nd-row 40/20/40 split bench with CenterSlide™ seat (slide-forward feature for centre section) — Reclines and folds flat to floor
- 3rd-row 60/40 split bench — Fold-flat-to-floor

Interior

- Accessory delay for power features
- Air conditioning
- Assist handles — 1st row (2) and 2nd row (2)
- Auto-dimming rearview mirror
- Auxiliary audio input jack
- Auxiliary rear air conditioning and heat
- Cargo organizer (Expedition MAX only)
- Cruise control — Steering wheel-mounted
- Cupholders — 9
- Floor console — Storage bin, coin holder, rear audio controls, 2 headphone jacks, 4 cupholders, power point, auxiliary climate controls, and pen holder
- Floor mats — Carpeted 1st and 2nd rows (with King Ranch® logo on King Ranch)
- Front door-trim panels with map pockets and cupholders (up to 0.5L bottles)
- Head restraints — All outboard positions and 2nd-row-centre position (if equipped with standard 40/20/40 split bench)
- Height-adjustable shoulder safety belts — 1st-row
- Instrumentation — Analog with voltmeter, speedometer/odometer, tachometer, and oil pressure, water temperature and fuel gauges
- Lights — Glove compartment, front dome/map, 2nd-row map and rear cargo area; illuminated entry system with theatre lighting
- Overhead console — Map lights, single sunglasses holder and conversation mirror (plus rear quarter window switches, if equipped)
- Power door locks

Interior (continued)

- Power points — 1st row (1), 2nd row (1) and rear cargo area (1)
- Power windows — With one-touch-down driver-window feature
- Rear floor air ducts
- SIRIUS Satellite Radio (includes 6-month prepaid subscription)
- Steering wheel — Leather-wrapped
- Sun visors — Dual-blade with illuminated vanity mirrors
- Tilt steering column

Exterior

- Antenna — Concealed in rear quarter window glass
- Automatic headlamps with rainlamp
- Door and liftgate handles — Chrome with body-colour bezels
- Fog lamps
- Headlamps — Complex-reflector system with integrated park/turn-signal indicators (blackout treatment on Limited)
- Heavy-Duty Trailer Tow Package — Includes Class IV hitch receiver, 4-pin and 7-pin connectors, heavy-duty auxiliary transmission oil cooler, heavy-duty radiator and electronic brake wiring kit
- Liftgate with flip-up glass
- Lower bodyside mouldings — Body-colour-painted on XLT and Limited; Pueblo Gold-painted on Eddie Bauer and King Ranch
- Mirrors — Power, heated sideview with security approach lamps and fold-away design (includes turn signals and memory on Eddie Bauer, King Ranch and Limited; power-folding on Limited)
- Privacy glass (rear doors, quarter windows and rear window)
- Rear-window defroster
- Running boards — Black on XLT; Pueblo Gold on Eddie Bauer and King Ranch; body-colour on Limited
- Tail lamps — Complex reflectors with two-tone colour lenses and built-in backup lighting
- Tow hooks — Front
- Wheel-lip mouldings — Body-colour-painted on XLT and Limited; Pueblo Gold-painted on Eddie Bauer and King Ranch
- Windshield wipers — Front: speed-sensitive, 2-speed variable-intermittent; rear: intermittent with washer

*SIRIUS, the SIRIUS dog logo, channel names and logos are trademarks of SIRIUS Satellite Radio Inc.
¹Always wear your safety belt and secure children in the rear seat.

Competitive comparisons are based on 2008 competitive models, publicly available information and Ford data at the time of printing. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of this catalogue, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford of Canada Dealer is your best source for up-to-date information. Ford Motor Company of Canada, Limited, reserves the right to change product specifications at any time without incurring obligations. Colours may not be exactly as illustrated due to restrictions of the printing process. Please see your sales consultant for specific colour and model availability.

FORD EXTENDED SERVICE PLAN

For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and help protect you from the cost of unexpected repairs. To add to your peace of mind and help protect your investment beyond your New Vehicle Basic Warranty, complement your ESP with a prepaid maintenance plan that covers all required scheduled maintenance items for your vehicle and B wear items. Ask your Dealer for a Ford ESP, the only service contract backed exclusively by Ford Motor Company of Canada, Limited, and honoured at all Ford and Ford Lincoln Dealerships across North America. Certain limitations and exclusions apply, see your Dealer for details.

FORD CREDIT

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.
