

SPORT TRAC 09

Drive one.

292 SURE-FOOTED HORSES, always ready to charge.

If power's your thing, the optional 4.6L V8 is your engine. Variable camshaft timing and a free-breathing, 3-valve head design enable the V8 to provide a vigorous 292 hp and 315 lb.-ft. of torque. It's mated to an electronically controlled 6-speed automatic transmission that delivers peak power when you need it, such as when accelerating or climbing a hill, and peak efficiency whenever possible. Of course, the standard 4.0L SOHC V6 engine and 5-speed automatic transmission are also built to hold their own, pumping out a substantial 210 hp and 254 lb.-ft. of torque.

Independent rear suspension empowers Sport Trac to tackle rough terrain and uneven road surfaces with ease. When you need extra traction, turn to the optional Control Trac® 4-wheel-drive system. It takes you from everyday driving in 4x4 AUTO, to serious rock-crawling in 4x4 LOW, at the touch of a button.

Trailer Sway Control, new on every Sport Trac this year, works in conjunction with our exclusive AdvanceTrac® with RSC.® Together, they monitor the yaw motion of the vehicle to determine if the trailer may be swaying and take measures — such as reducing engine torque or applying precise braking — to help bring both vehicle and trailer under control. Sport Trac 4x2 with the optional V8 engine has a maximum towing capacity of up to 7160 lbs. when properly equipped — that's literally tons of fun.

Gear. Gadgets. Stuff.

A place for **EVERYTHING.**

A. Sport Trac Limited gets luxurious two-tone leather trim with heated front seats and a 10-way power-adjustable seat for the driver (including power lumbar and recline). The 60/40 split-folding rear seat, standard on all models, carries up to 3 adults and includes articulating head restraints for outboard passengers. Flip them forward (when not in use) to open up your view through the rear window.

B. The versatile cargo box's corrosion-proof, sheet-molded composite exterior takes muddy trails in stride, while the dent-proof, scratch-resistant, molded inner liner withstands the worst. Up to 37.5 cu. ft. of gear fits inside, where you'll also find a power point to supply the juice for any of your tools or toys with a compatible adapter cord. You can use the special notches inside the box to create tiered storage perfect for carrying sheets of plywood.

C. The cargo box holds another 6+ cu. ft. with the optional cargo cage bed extender in place and the tailgate open. With the tailgate closed, the extender works as a partition.

D. The power-sliding rear window on every Sport Trac provides access to fresh air as well as to the cargo box.

E. Weather-resistant lids and removable drain plugs make the cargo box gear bins perfect for keeping items dry or on ice.

F. Sport Trac makes securing your gear a breeze with a total of 10 integrated tie-down hooks on the cargo box, including 3 of these beefy cleats down each side of the exterior.

G. The available, hard, locking tonneau cover is hinged in the middle, so you can open just the front or back if need be. It's also easily removed when you want the entire box open.

I know I'm going to **GET THERE.**

Every Sport Trac is filled with cutting-edge safety and security features designed to help protect you and your loved ones, wherever you may roam.

New for 2009, our SOS Post-Crash Alert System³ automatically activates in the event of airbag deployment or safety belt pretensioner activation in certain collisions. The system attracts attention to your vehicle by flashing the hazard lights and sounding the horn. Our AdvanceTrac[®] with class-exclusive⁴ RSC[®] (Roll Stability Control™) is the industry's only electronic stability control system with 2 gyroscopic sensors, one of which is a unique vehicle-roll motion sensor. This sensor directly measures the roll rate 100 times every second. Working in conjunction with the Anti-lock Brake System (ABS), traction control and yaw control, the system automatically determines when and how to apply individual brakes and modify engine power to help keep all 4 wheels firmly planted.⁵

Sport Trac has received 5-Star ratings in the National Highway Traffic Safety Administration's (NHTSA) frontal and side-impact crash tests for 2 years in a row.⁶

In the event of a frontal crash, the adaptive stroking steering column works like a shock absorber, in conjunction with your safety belt and the front airbag, to help reduce the impact to your chest.

Our standard, patented Safety Canopy[®] System deploys side-curtain airbags to enhance protection for both rows of outboard-seated occupants in the event of certain side-impact collisions.

Our class-exclusive Intelligent Safety System™ (ISS) is also standard on every Sport Trac. The ISS enhances your protection in the event of certain frontal collisions by processing information from its suite of sophisticated sensors and adjusting the performance of the adaptive front airbags, adaptive load-limiting safety belt retractors and adaptive stroking steering column. Front-seat side airbags are also standard.

**Real-time traffic monitoring available in select markets. Some features are unavailable while driving. Service not available in Alaska or Hawaii. See your Ford Dealer for details. "SIRIUS," the SIRIUS logo, "SIRIUS Travel Link" and related marks are trademarks of SIRIUS Satellite Radio Inc.

†SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

*Sport Utility Truck class.

**Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on AdvancedTrac® with RSC® visit fordvehicles.com.

*2007-2008 model years. Star ratings are part of the U.S. Department of Transportation's Safercar.gov program (www.safercar.gov).

**Based on cumulative survey data of 2007 MY Ford and competitive owners at 3 months of service in 3 surveys conducted 9/06-5/07.

†2008 EPA-estimated 13 mpg city/20 hwy. for V8 engine and 4x2.

Comparisons based on 2008 competitive models (Sport Utility Truck class), publicly available information and Ford certification data at time of printing. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of the catalog, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations.

New Vehicle Limited Warranty. We want your Ford Sport Trac ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3947, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

No road?

No SWEAT.

Sport Trac XLT • Brilliant Silver Metallic • Available Equipment

Drive quality.

You see it, feel it, hear it. Quality matters. And Ford delivers. In fact, Ford is in a dead heat with Toyota when it comes to quality.⁷

Drive green.

Sport Trac features an available, fuel-efficient 6-speed automatic transmission that delivers smooth acceleration and up to 20 mpg.⁸

Drive safe.

Every Sport Trac features 6 airbags, our exclusive Intelligent Safety System™ and our AdvanceTrac® with exclusive RSC® (Roll Stability Control™).

Drive smart.

Stay in touch and manage your music on the go with our exclusive, available Ford SYNC® voice-activated, customizable media system.¹

Drive one.
