**Named one of Consumer Guide®'s
Best Buys For 2008**

SX4 SPORT

**LIVE LARGE.
DRIVE SMALL.**

PROTECT

Safety is just as important to Suzuki as it is to you and your family. **Standard advanced dual-stage front, side and side-curtain airbags** helps ensure make sure you are surrounded by the best available protection.

STRENGTH

PERFORMANCE

Presenting the Suzuki SX4 Sport

It gets 30 mpg¹ highway and has more horsepower than a Honda Civic LX.^{2,3} It has a five-star safety rating and America's #1 Warranty.⁵ And it's the first car under \$16,000⁴ that comes standard with touch-screen GPS Navigation, not to mention a long list of other cool amenities. Its size and price are small. Its offering is enormous. Discover more at SuzukiSX4.com.

SMART

The available **SmartPass™ keyless entry and start system** lets you unlock your doors and start your engine without taking your key out of your pocket—just the thing when the weather throws a few challenges your way.

STRONG

Large 17" alloy wheels with low-profile tires and tuned sport suspension complete with **high-performance KYB shocks** produce the ideal balance of responsiveness and a smooth ride. It isn't called the SX4 Sport by accident.

A LITTLE HELP

Standard Electronic Stability Program (ESP®) and Traction Control System (TCS) sensors constantly monitor your throttle and steering wheel angle to help determine your intended path. The graphic shows how the stability control functions during cornering. ESP® and TCS are on the grey car.

¹Based on 2009 SX4 Crossover FWD with automatic transmission. Gas mileage statistics based on EPA emissions testing standards. Actual mileage will vary with options, driving conditions, driving habits and vehicle's conditions. ²Based on manufacturers' Web Site as of August 2008. ³Honda Civic is a registered trademark of Honda Motor Co., Ltd. ⁴Price does not include tax, title, or destination charges. Dealer prices may vary. ⁵All new Suzuki automobiles come standard with a 100,000-mile/7-year powertrain limited warranty. See dealer or SuzukiAuto.com for complete warranty details. ⁶ESP is a registered trademark of Daimler AG. ⁷Based on manufacturers' Web Site as of September 2008. ©American Suzuki Motor Corporation 2008. Suzuki, the "S" logo, Suzuki model names and Live Large, Drive Small, are Suzuki trademarks or ®. Touring Pkg. model shown with accessories.

CREATURE COMFORTS

With standard power windows and door locks, available automatic climate control plus available stereo systems all the way up to a 9-speaker XM®-ready AM / FM / CD audio system with MP3 playback and a subwoofer, the SX4 Crossover Touring model is a car with amenities at the top of its class. You can even get an available iPod® jack.

Even though the SX4 Crossover and SX4 Sport are the most affordable navi-equipped cars in America, the Suzuki TRIP™ system offers more features than navi units in cars like the Lexus ES® and Acura TSX®. TRIP™ navigation, which stands for Travel, Real-time traffic, Information and Play, contains over six million standard points of interest such as hotels, restaurants and ATMs and provides turn-by-turn driving directions through the front speakers.. You can also get MSN Direct® 2 real-time traffic, weather, news, stocks, movie times and lowest gas prices in addition to Bluetooth® hands-free communications.

WORLD CLASS

Motor Trend says that the sleek 2.0-liter four-cylinder DOHC engine “picks a good punch.” With a forged steel crankshaft, reliable chain-drive camshafts, drop-forged connecting rods, high 10.5:1 compression for efficient combustion and Variable Induction System (VIS) that helps spread out the power, the SX4 engine is an incredibly durable engine, pumping out an inspiring 143 hp and 135 lb.-ft. of peak torque—all with minimum maintenance.

America's #1 Warranty

100,000 Miles/7 Yr • No Deductible • Fully Transferable

Why is it America's #1? It's the only 100,000-mile/7-year powertrain limited warranty around that doesn't have a deductible and is fully transferable for the life of the warranty. That's huge, and that's why the other guys don't talk about deductibles and transfer capability. No deductible means covered repairs are covered—you don't pay anything for parts and labor. Fully transferable means the warranty can pass from one owner to the next, increasing resale and trade-in value when it's time to buy your next car. With coverage extended for 100,000 miles or 7 years, whichever comes first, you can average a more than reasonable 14,000 miles per year. The strength of this long-term powertrain protection is compounded by a 36,000-mile/3-year new-vehicle limited warranty that also has no deductible and covers everything from the dome light to the exhaust pipe (except the battery, which is covered for 24,000 miles, and tires, which are covered by the tire manufacturer's warranty), and includes comprehensive 24-hour Roadside Assistance as well as a convenient Courtesy Vehicle Program. So...that's why we can say it's America's #1. Sounds good, doesn't it!

²Only available on LE Sedan. ³Only available on FWD model. ⁴Bluetooth® is a trademark of Bluetooth® SIG, Inc. ⁵Includes one year free MSN Direct service subscription. Some services only available in select cities where coverage exists. ⁶Not available on standard Sedan. ⁷Required XM® tuner and subscription sold separately. All fees and programming subject to change. Subscriptions subject to customer agreement available at xmradio.com. XM® service only available in the 48 contiguous United States. The XM® name is a registered trademark of XM® Satellite Radio, Inc. ⁸Only available on i-AWD™ model. ⁹Bosch® is a registered trademark of The Bosch Group. ¹⁰ESP® is a registered trademark of DaimlerChrysler AG. ¹¹The Tire Pressure Monitoring System (TPMS) is not a substitute for regular tire pressure inspections. Tire pressures should be checked at least monthly using a tire pressure gauge. Maintaining the recommended tire pressure can help avoid performance problems, tire damage and premature wear. See the Owner's Manual for additional details. ¹²iPod® is a registered product of Apple, Inc. ¹³Only available on Sport Sedan. ¹⁴Mont Blanc® is a registered trademark of Mont Blanc® Company. CONTROL

Presenting the Suzuki SX4 Crossover

It gets 30 mpg¹ highway and has more horsepower than a Honda Civic LX.^{2,3} It's the first car under \$16,000⁴ that comes standard with touch-screen GPS Navigation. It has America's #1 Warranty⁵ and an array of safety features including Electronic Stability Program.⁶ And the SX4 Crossover AWD is the most affordable all-wheel drive automobile in America.⁷ Its size and price are small. Its offering is enormous. Discover more at SuzukiSX4.com.

3 - M O D E

SX4 Crossover's available 3-mode intelligent All-Wheel-Drive (i-AWD)⁸ system helps give you optimal traction for challenging road conditions.

As America's most affordable AWD car, the Suzuki Crossover stands above Honda's CR-V⁹, Subaru's Impreza⁹ and Toyota's Matrix⁹ and their single-mode AWD systems.

B R E A T H T A K I N G V I E W S

In-command seating puts you at a higher level than the average sedan. Not only can you get in and out more easily, it provides a more commanding view of the road and with it—greater control and confidence.

¹Based on 2009 SX4 Crossover FWD with automatic transmission. Gas mileage statistics based on EPA emissions testing standards. The graphic shows how the stability control functions during cornering. ESP[®] and TCS are on the grey car.

TRACTION

2WD sends power to the front wheels. Use this mode primarily on dry pavement and for optimal fuel economy.

i-AWD™ Auto continually monitors traction in changing conditions. If the i-AWD™ system detects slippage from the front wheels, it automatically transfers some of the drive power to the rear wheels for all-wheel traction.

i-AWD™ Lock gives 50 / 50 front and rear torque distribution for the best traction in mud and snow. Full i-AWD™ Lock is maintained until the vehicle reaches a cruising speed (36 mph), when it automatically switches to i-AWD™ Auto.

i-AWD™
