XL7

VERSATILITY

The standard 7-passenger seating has easy-to-use fold-flat seats that quickly configure to carry your most unexpected cargo — that excitable Golden Retriever or the can't-pass-up antique mirror.

CONVENIENCE

With just a press of a button on your available remote start and keyless entry system, you can lock or unlock the doors, start the engine and pre-cool or pre-heat the interior.

EASY GOING

The 6-speed automatic transmission with manumatic shift mode can be either automatic for effortless cruising or clutch-free manual for running through the gears. And here's a real shift — XL7 can get you up to 24 MPG while carrying 7 passengers. That's miles ahead of Honda Pilot® or Nissan Pathfinder®.

SAFETY FIRST

As safety ratings go, there are few that provide as much driver confidence as the National Highway Traffic Safety Administration (NHTSA) 5-Star Safety Rating. You'll be glad to know that XL7 aced the test.

America's #1 Warranty

100,000 Miles/7 Yr • No Deductible • Fully Transferable

Why is it America's #1? It's the only 100,000-mile/7-year powertrain limited warranty around that doesn't have a deductible and is fully transferable for the life of the warranty. That's huge, and that's why the other guys don't talk about deductibles and transfer capability. No deductible means covered repairs are covered—you don't pay anything for parts and labor. Fully transferable means the warranty can pass from one owner to the next, increasing resale and trade-in value when it's time to buy your next car. With coverage extended for 100,000 miles or 7 years, whichever comes first, you can average a more than reasonable 14,000 miles per year. The strength of this long-term powertrain protection is compounded by a 36,000-mile/3-year new-vehicle limited warranty that also has no deductible and covers everything from the dome light to the exhaust pipe (except the battery, which is covered for 24,000 miles, and tires, which are covered by the tire manufacturer's warranty), and includes comprehensive 24-hour Roadside Assistance as well as a convenient Courtesy Vehicle Program. So...that's why we can say it's America's #1. Sounds good, doesn't it!
