COMPASS

BUYER'S GUIDE

Jeep[®]

Jeep® Compass capability shines in every capacity ... with Trail Rated® performance badges to prove it. The Jeep Compass is comfortable navigating the twists and turns of everyday life but also pushes navigation map boundaries. Compass comes prepared with Jeep® Brand skills like controlled traction, water fording,* maneuverability, articulation and ground clearance. Advanced driving assist systems serve up a new level of driving autonomy, and brilliant digital displays deliver cutting-edge connectivity, entertainment and information. This Jeep exterior provides stunning, landscape-worthy views, while its interior caters to all the senses. With Jeep Compass, you'll reach higher elevations in every part of your world.

*A note about this brochure: all disclosures can be found on the last page.

(1) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (2) All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C. and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of SiriusXM Radio Inc. and its respective subsidiaries. (3) All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), up to five years of Vehicle Performance Package, up to 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrollment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. (4) Three-month / 3GB trial included with the purchase or lease of a new vehicle. Upon the earlier of either the expiration of the trial period or usage of included 3GBs, the trial ends. Purchase of a subscription is required to continue service. Wi-Fi Hotspot available through third-party provider subscription and subject to provider terms and conditions. Requires eligible vehicle with Internet-enabled mobile device. Contact your dealer for details. Wi-Fi Hotspot functionality available in U.S. and Canada only. Coverage and service not available everywhere. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (5) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (6) To wirelessly use Android Auto on your display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. (7) The Uconnect Phone requires a mobile phone equipped with wireless connectivity. To check phone compatibility, please visit www.UconnectPhone.com. (8) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (9) Always sit properly in designated seating positions with seat belts securely fastened at all times. (10) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (11) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (12) Always check visually for vehicles prior to changing lanes. (13) Always check entire surroundings visually before proceeding. (14) This system is

a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (15) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (16) Vehicle must be locked and system activated for alarm to sound. (17) Always drive carefully, consistent with conditions. (18) Check state and local laws regarding the use of remote start systems. (19) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (20) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. (21) This system is not intended to be used while vehicle is in motion. (22) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. (23) Vehicle must be enrolled in an active subscription with Jeep Connect. (24) Based on manufacturer's-estimated 24 city / 32 hwy / 27 combined mpg rating when equipped with 2.0L Turbo engine and 8-speed automatic transmission on 4x4 models. Actual mileage may vary.
