STATION WAGONS

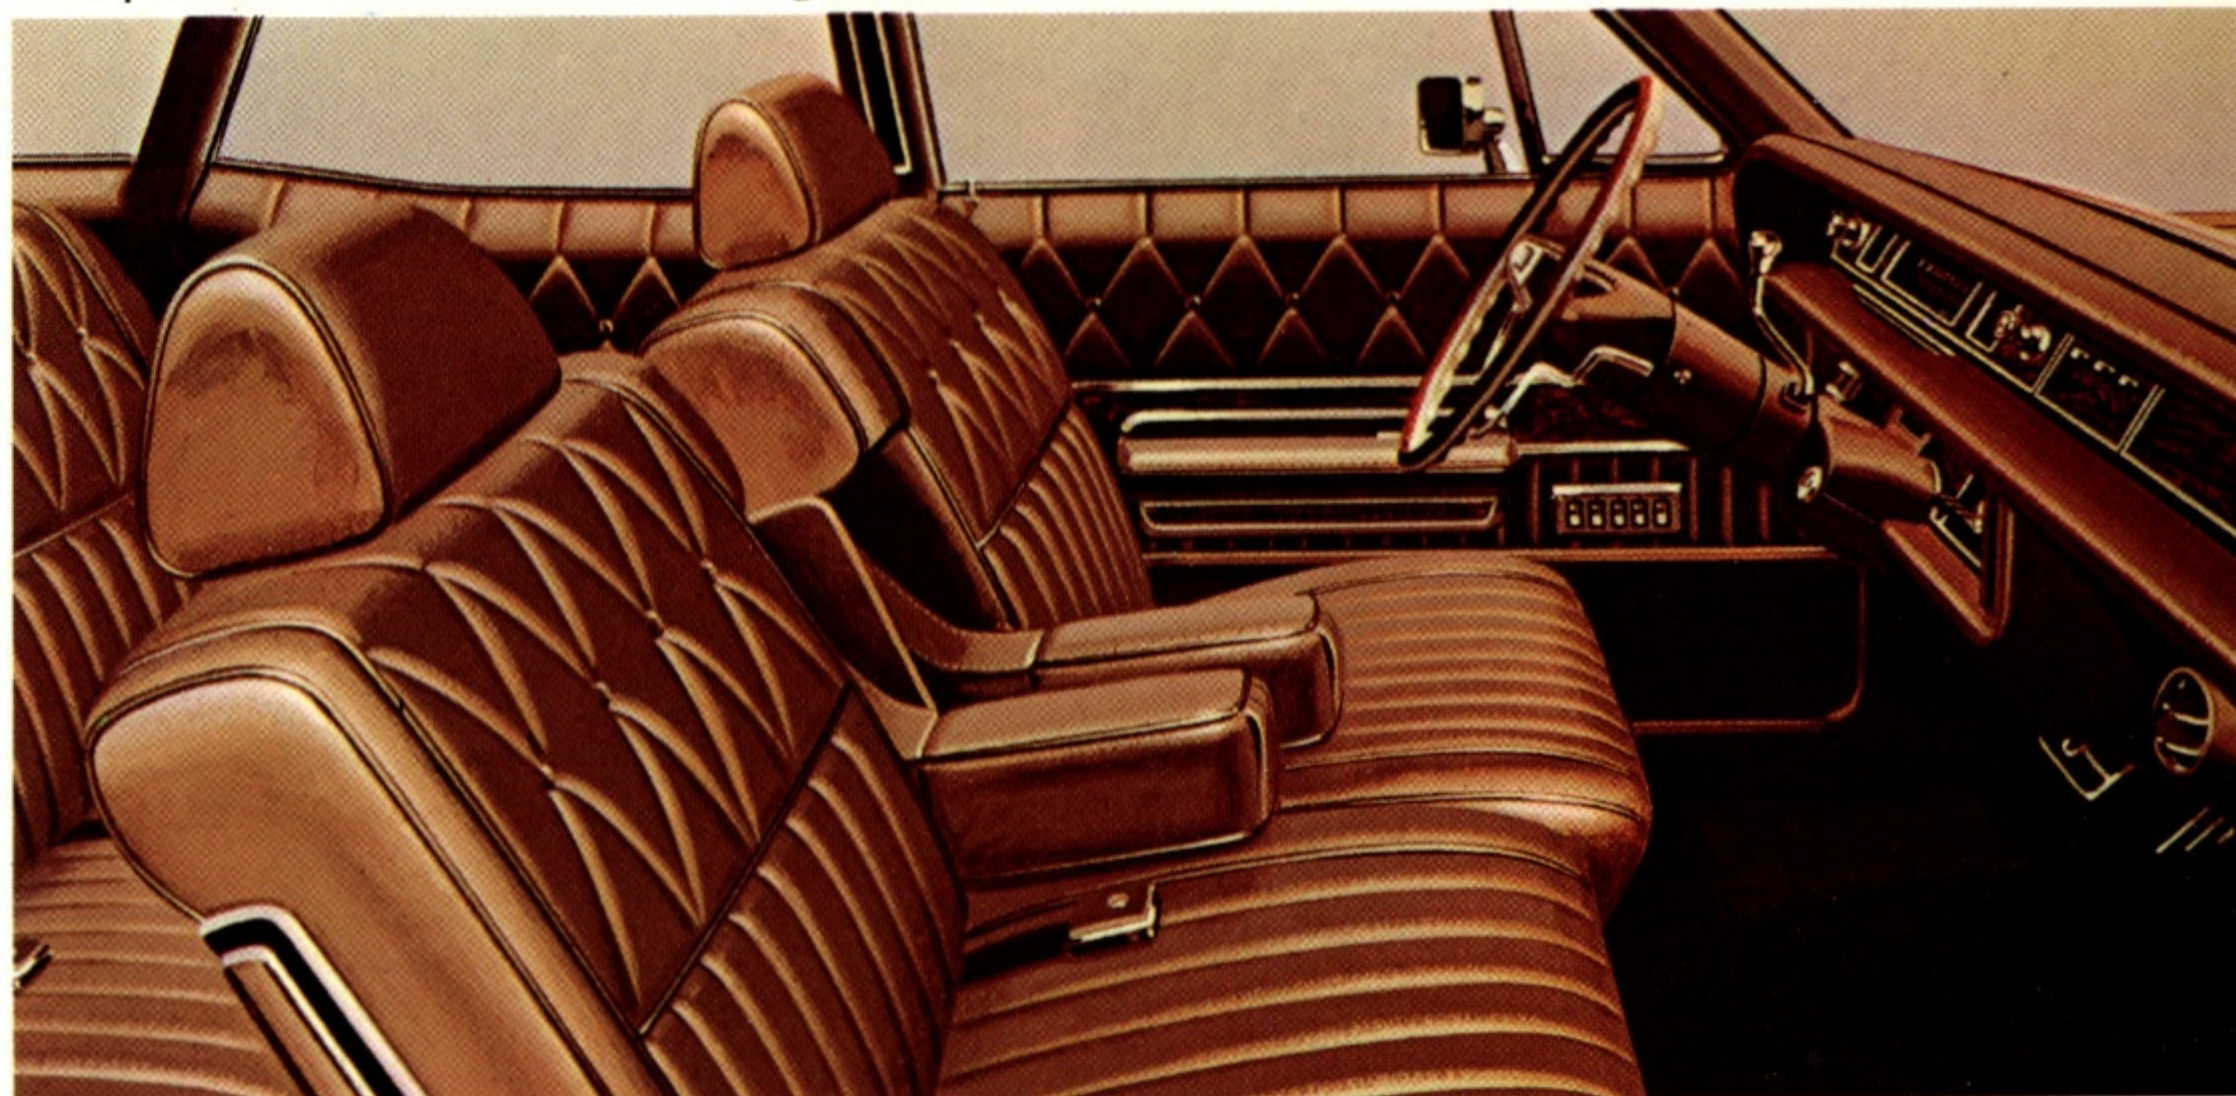

MARQUIS / MONTEGO MX / METEOR / CLUB WAGONS

MARQUIS COLONY PARK: if Lincoln Continental made a wagon, this would be it.

This is the magnificent Marquis Colony Park, from the men who make the Lincoln Continental. Until now you might never have expected a station wagon to be so rich in styling, so regal in its ride and handling; so luxurious everywhere you look. Wider in track for extra road poise, longer in wheelbase for a limousine ride. Totally new from chassis to roof, including an improved suspension and an industry first new 3-Way Tailgate that opens as a door even with the rear window up (power rear window is standard). Elegantly grained paneling on body sides and tailgate; accented by brightwork on upper and lower side moldings, roof, window frames and wheel openings; concealed headlamps; wrap-around tail-lamps — all designed to gain admiring looks. A powerful 390 V-8, and 3-speed manual transmission are standard, and as options you can command up to a four-barrel 429 cubic inch

V-8 teamed with Select-Shift automatic transmission. Other fine options include Whisper-Aire conditioner, carpeted cargo floor, luggage rack, and many more. Optional Twin Comfort lounge seats set a

new criterion in wagon luxury. Choose from rich cloth-and-vinyl or all-vinyl upholstery, shown below with optional reclining front passenger seat and deluxe interior.

Mercury's industry leading new 3-Way Tailgate operates three ways to make it easier for cargo or people getting in or out. It drops flat, or opens like a door with the window open or closed. A power rear window is standard on Colony Park.

MERCURY MONTEGO MX: long on looks, loadspace and liveliness.

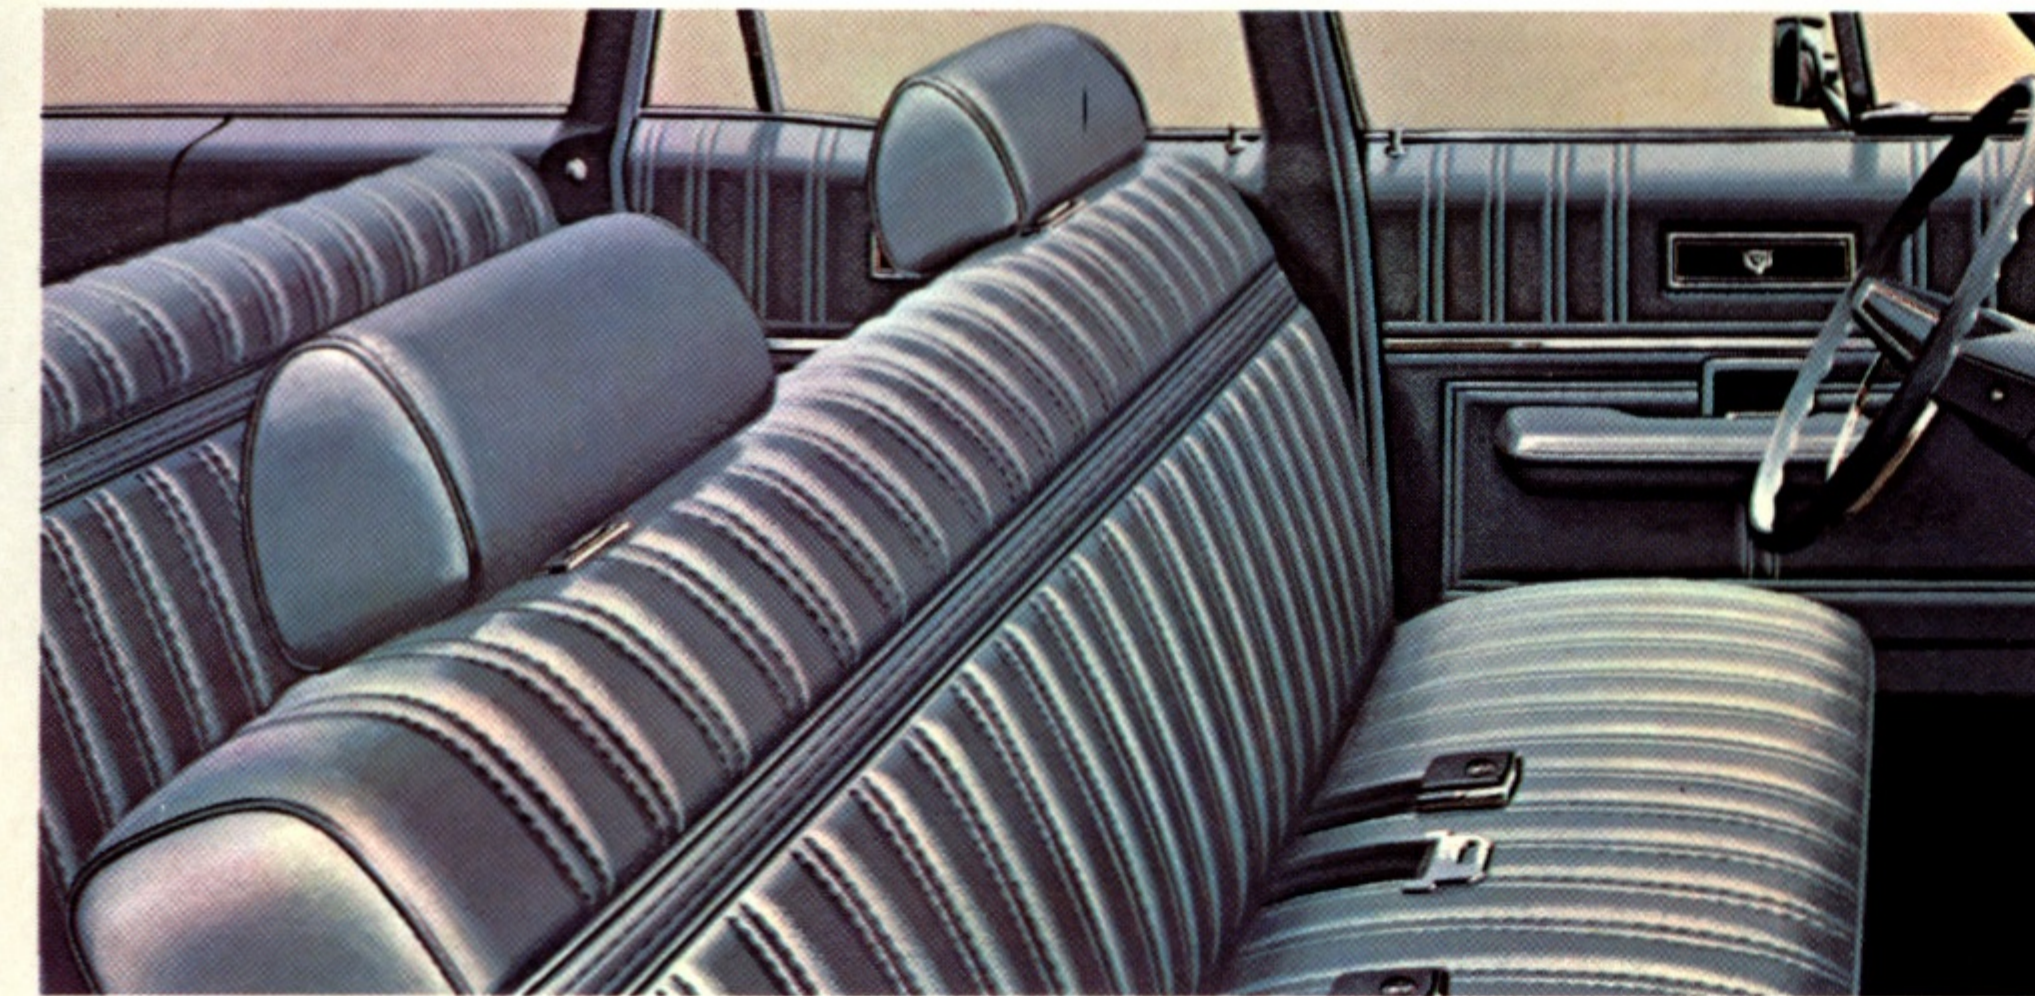

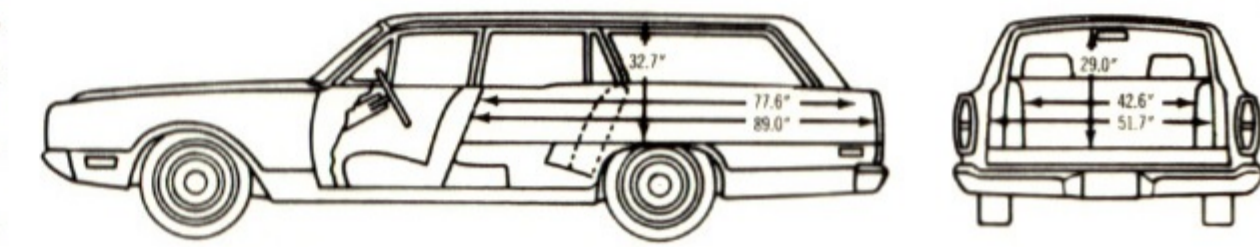

Fast-movin', easy-handlin' Montego MX leads the way for family fun! Intermediate-sized to take the pain out of parking and upkeep. You'll know it is big when it's filled with kids, luggage, or a pile of building materials. Holds more

than 85-cu. ft. of cargo! The interior includes all-vinyl upholstery, deluxe steering wheel, deep-loop carpeting, and (at your option) a rear-facing third seat. Standard Montego MX power is a lively, economical 250 "6". Options? Montego

MX can be whatever you want with the addition of features like a versatile luggage carrier, Power Tailgate window and Select-Shift transmission. Rugged, good-looking vinyl upholstery combines with woodtone appliques on

door panels, instrument cluster, and lower instrument panel to give Montego MX interiors distinctive appeal. Colours available are blue, black, dark red, and nugget gold. Montego MX station wagon is also avail-

able with optional Yacht Deck paneling. The rear-facing third seat is one of many desirable options for Montego MX. Whisper-Aire conditioner, courtesy light group, and the many other options can make your Montego as personal as you wish.

METEOR MONTCALM: good looks carry extra weight.

There's a choice of two Meteor wagons in beautiful shape for whatever task you have in mind. Montcalm and Rideau 500. They're big, smooth-handling and distinctively styled.

And they give you luxurious surprises like an optional fully carpeted cargo floor. A lockable 9.1 cubic foot storage area under the floor. Comfortable upholstered seats with room for six adults. Or you can choose models with dual facing rear seats for the children. Meteor wagons have space to work — a full 96.2 cubic foot cargo area. Meteor has performance too, starting with a 240 cubic inch 6 cylinder engine, right up to an optional 429 cubic inch V8. With a big 121 inch wheelbase, handling is sure and smooth. Options include a six-way power front seat with a reclining version for the front passenger. A deluxe roof rack with an air deflecting venturi plate to keep the rear window clean. A new automatic load levelling device.

The new 3-Way Tailgate goes one better, it drops flush for loads or swings wide like a door with the window up or down.

CLUB WAGONS: the ultimate in spacious luxury.

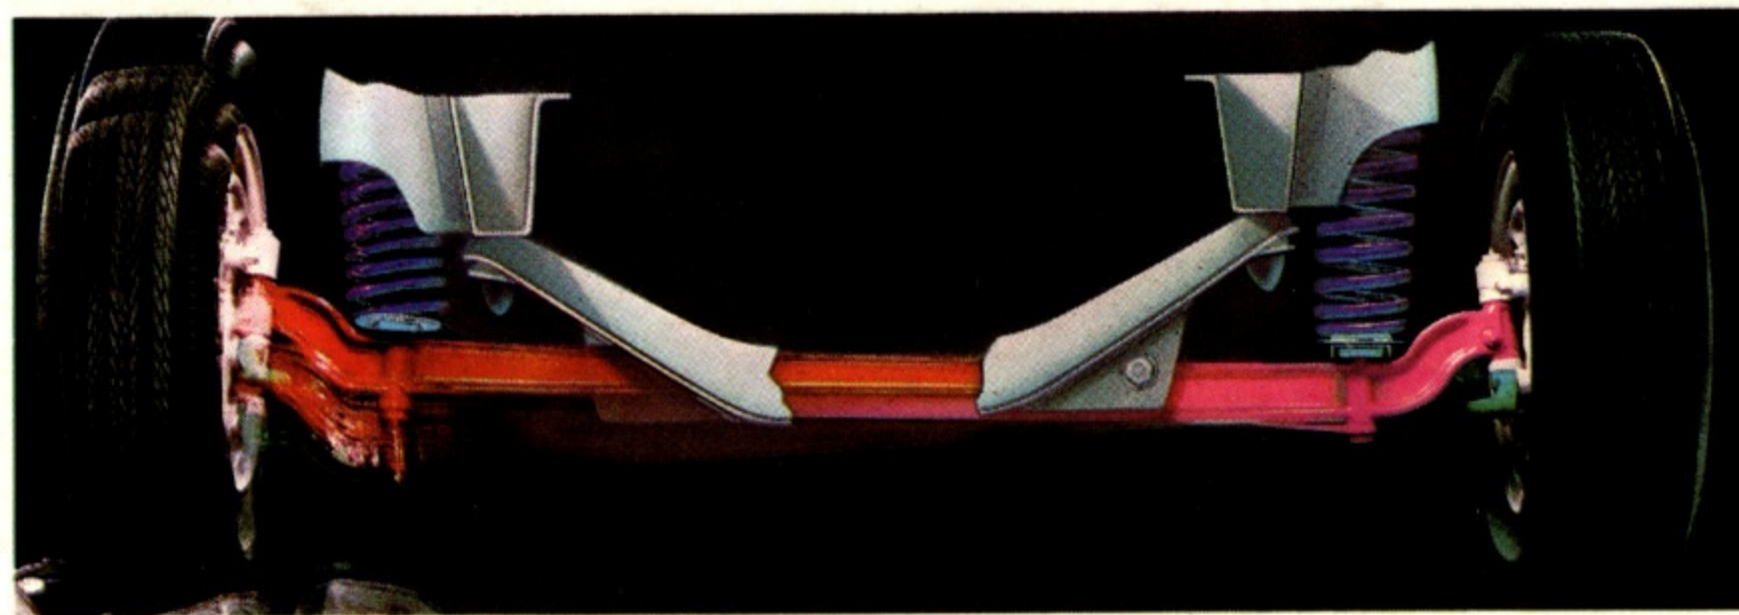

If you want maximum capacity and versatility in a station wagon, but don't want to sacrifice car-like handling qualities, Club Wagons are for you.

Club Wagons give stretch-out comfort for up to 12 passengers and an unsurpassed load area for equipment or luggage, with

a flat floor area to handle bulky items. These compact wagons offer 5, 8, or 12-passenger capacities with excellent handling, and luxurious station wagon interiors.

In all Club Wagons, you'll find practical features like a retracting auxiliary step,

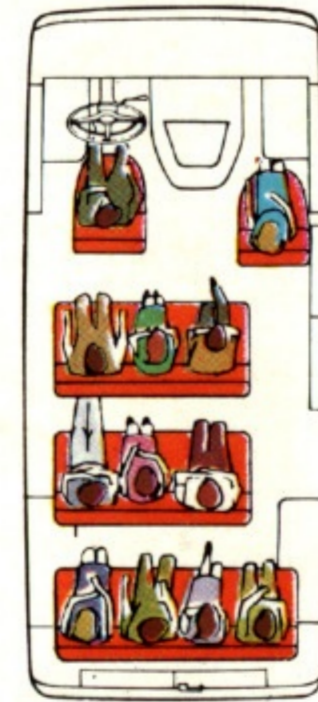

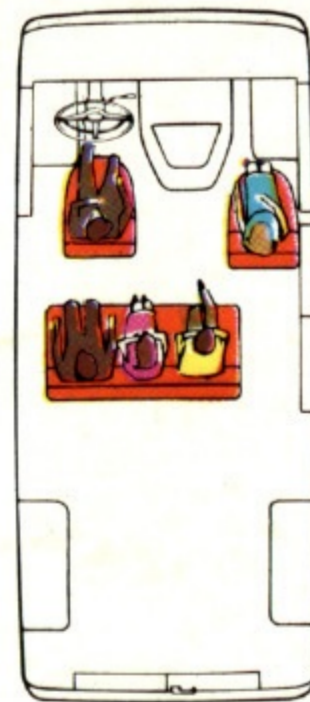

push button door handles and reversible key locks. And options like even more luxurious interior trim are available to make your wagon suit your taste: pleated vinyl seats, fibreglass window garnish moldings, simulated wood grain inserts and full-length carpeting.

INDEPENDENT FRONT SUSPENSION

Ford's exclusive Twin-I-Beam front suspension offers a new kind of ride and stability. The twin-I-beam front axles are cushioned by coil springs for a smooth ride under all road and load conditions.

Choose Club Wagons from standard 5 or 8-passenger models with either a 105.5" or 123.5" wheelbase. 12-passenger models are on a 123.5" wheelbase. Seats can be removed for more load-carrying capacity.
