VANTASTIC!

VANS THAT CAN

Toyota Cargo Vans are the versatile answer to your cargo-carrying needs for business and pleasure. They're perfect for any recreational gear like surfboards, windsurfers, dirt bikes and more. And when travel is on tap, their fuel-efficient engines** will get you where you want to go—economically. What's more, they take to many recreational conversions with style and versatility.**

BUSINESS PLAN

Whether you choose a 2WD Window or Panel Van, or the new 4WD Panel Van, the Toyota Cargo Vans can return big dividends in business. They carry you in comfort and deliver the goods with a roomy 187.2 cu. ft. of cargo space and 2020 lbs. of payload for 2WD![†] 1875 lbs. for 4WD!^{††} That's a bottom line that's hard to beat.

The technologically advanced engine of the Cargo Van has electronic fuel injection and develops 101 hp, while the 15.9 gallon fuel tank gives you a long cruising range. Acceleration is quick; handling, responsive; and efficient operation and low maintenance make good business sense.

Toyota Cargo Vans give you a variety of choices: the Window Van with exceptional visibility, or the Panel Van for added security, which is now available in all-weather 4-wheel drive. These versatile Cargo Vans are tough, rugged and economical—and every one delivers traditional Toyota quality and dependability.

Cargo Van's easy-opening rear hatch and low-liftover height make moving bulky cargo quick and easy.

The wide, easy-sliding door and low sill height make side loading easy, too. The door has an inside protector lock and the inside step is illuminated.

Cargo Van carries 155.3 cu. ft. of cargo with the optional front passenger's seat in place—187.2 cu. ft. without passenger seat. Durable side panels and carpeting protect both interior and cargo.

A reclining driver's seat and choice of several audio systems make long hauls go by quickly. A cargo restraint screen is available.

The Van's compact size, sophisticated suspension, and tight turning radius make parking a snap. Now you can have your Panel Van with 4WD for extra traction in bad weather.

NEW 4-WHEEL DRIVE PANEL VAN ADVANTAGE

The 4WD Panel Van puts all-weather 4-wheel power and extra traction to the ground in all kinds of weather. Variable assist power rack-and-pinion steering is optional.

Cargo Van has a tough 2.2 liter electronically fuel-injected engine rated at 101 hp. The Toyota 4-wheel drive Van has 5-speed manual transmission with 2-speed transfer case or optional 4-speed automatic transmission with 7-speed transfer case.

The 4WD Panel Van has manual-locking front hubs and extra ground clearance. All-season tires and front mudguards are standard equipment.

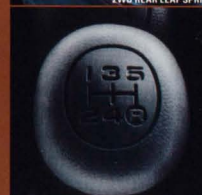

Front torsion bars and double wishbone A-type lower arm front suspension team up with a live rear axle to provide both a comfortable ride and extra 4-wheel drive traction.

SECURITY

An Intrusion Monitoring System is a valuable option on all Cargo Vans to help protect both vehicle and cargo.

RUGGED

Under the Toyota Cargo Van, there's a ladder-type "double-Y" steel frame for rigidity and strength. The brakes have ventilated front discs and rear drums with a load-sensing valve to automatically adjust front/rear braking force for changes in load.
