MALIBU LS MILLENNIUM

The advent of the new millennium is a good time to take stock of where you are and where you are going – and how you're getting there. Isn't this an excellent opportunity to ensure that you are driving the kind of automobile you deserve? Then you should take a close look at what the 2000 Malibu LS Millennium Value Package has to offer. It gives you the power, comfort and dependability you'd expect from a Chevrolet. On top of that, it includes a wealth of luxury and convenience features that push this Malibu into some very elite company. That is – until you look at the sticker price. Yes, you have something substantial to celebrate at the beginning of the millennium – the beginning of a very fulfilling driving experience, inside the 2000 Malibu LS Millennium.

The sunroof allows you the pleasure of open-air driving whenever you choose. For your convenience, the sunroof is power-operated and opens at the touch of a button.

The 2000 Malibu LS Millennium provides the kind of luxury you would expect from a sedan costing thousands more. Interior appointments include standard leather seating areas and a 6-way power driver's seat adjuster.
