

ES 430

LEXUS

2002 LEXUS

SEVEN LEXUS MODELS.

EACH DESIGNED AROUND A STARTLING NEW PRINCIPLE:

At Lexus, we do not build ordinary cars. There are more than enough of those.

We build cars and SUVs that capture the imagination. That get your heart

beating just a little faster. That inspire passion, and longing, and desire. We

build our cars beautifully, with unprecedented attention to the smallest details.

But we realize, every second of every day, that we are constructing much

more than machines. We are creating something much more important –

moments of exhilaration, of freedom, and of unexpected pleasure.

IT'S GOOD TO FEEL GOOD.

LS 430

## SHOULDN'T EVERY DAY BE THE TIME OF YOUR LIFE?

How good does it feel to drive the LS 430? *Automobile Magazine* named it the "Best Luxury Sedan over \$40,000." But the important thing is not what others think – it's how it makes you feel. Glide through the wind in a body that's been fine-tuned in a bullet-train wind tunnel. Soak up the richness of supple leather. Enjoy the glow of genuine wood. Delight to the sounds of the available Mark Levinson® audio system.\* Relax with the Rear-Seat Luxury Group,† including reclining, heated seatbacks, built-in massagers, and a cool box between the seats. Let the Intuitive Climate-Control system caress your skin with computer-guided, charcoal-filtered breezes. Thrill to the thrust of the 4.3-liter, 32-valve, VVT-i, U-LEV‡ V8. And let advanced systems like the available Dynamic Laser Cruise Control§ and Intuitive Parking Assist make driving less work – and more fun – than it's ever been before.

\*Mark Levinson is a registered trademark of Madrigal Audio Labs, Inc., a division of Harman International. †Available as part of the Ultra Luxury Selection. ‡U-LEV V8. §Dynamic Laser Cruise Control was designed to assist the driver and is not a substitute for safe driving practices. See your Owner's Manual for important cautions and instructions.

Some vehicles shown with optional equipment.

GS 430  
GS 300

## AS VIRTUES GO, PATIENCE IS HIGHLY OVERRATED.

So much life. So little time. If your pulse – and your thoughts – tend to run on the fast side, we'd like to recommend the GS 430 and GS 300. A muscular 300-horsepower, VVT-i, U-LEV<sup>2</sup> V8 propels the GS 430 with breathtaking urgency. And Formula One - inspired E-shift, standard on the GS 300, lets you control shifting right from the perforated leather - trimmed steering wheel. Double-wishbone suspension and Vehicle Skid Control (VSC)\* help keep you on the curved and narrow, and front side-curtain airbags,<sup>1</sup> a front airbag Supplemental Restraint System (SRS)\* and front seat-mounted side-impact airbags<sup>1</sup> help your GS feel as secure as it does swift. You'll arrive quickly, but you'll also arrive in style, graced by the incredibly smooth, hushed ride and luxurious amenities you'd expect to find in a Lexus. So dial up the Mark Levinson audio system.<sup>1</sup> Pinpoint a destination on the Lexus DVD Navigation System.<sup>13</sup> And before you know it, there you'll be.

\*Please see page 23 for VSC and SRS disclaimers. <sup>1</sup>Optional.

ES 300

DOES LOVE BEGIN AT FIRST SIGHT,  
OR IS IT WHAT'S INSIDE THAT TRULY MATTERS?

Attraction, of course, begins with the eyes. And the sensuous form of the all-new ES 300 is just as pleasing to look at as it is to drive. But the real relationship begins on the inside, where you'll be indulged as never before. Supple leather trim,\* the same grade used in the LS 430, waits to touch your privileged skin. Polished genuine burl walnut accents warm the atmosphere. And artfully contoured front seats, each with its own suspension system, hold you in a gratifying embrace. A Lexus DVD Navigation System\*<sup>1</sup> can show you the way. And an available Mark Levinson audio

system fills every mile with music. A 210-horsepower, VVT-i, U-LEV<sup>2</sup> V6, a new five-speed ECT-i automatic transmission and Vehicle Skid Control (VSC)\*\* encourage you to

keep on driving. And side-curtain airbags,<sup>3</sup> as well as a host of other safety engineering features, make this a relationship you can count on.

\*Optional. <sup>1</sup>Please see page 23 for VSC and SRS disclaimers.

GENERATES MASSIVE BUZZ,  
AND YET IS REMARKABLY VIBRATION-FREE.

The IS 300 burst onto the sport-sedan scene with all the subtlety of an air horn at a chess match. And, as you might have guessed, has no intention of quieting down in 2002. It is, in fact, making noise on a number of new fronts. First off, the new IS 300 5-Speed combines a slick-shifting manual transmission with an even more responsive sport-tuned suspension, creating the ultimate ensemble for dedicated driving enthusiasts. And the new IS 300 SportCross introduces a new brand of spontaneous style, along with a fresh dose of people- and plaything-carrying versatility. Factor in the strengths of the original IS 300 E-Shift, with its 215-horsepower, VVT-i in-line 6, 17-inch alloy wheels,\* Formula One - style, drilled-aluminum foot pedals with modern skid-resistant black rubber studs, and cutting-edge shape, and you can see why it's the perfect formula to keep heads turning - and keep the buzz buzzing.

SPORTCROSS

## RX 300

### HIT THE ROAD. AND REST ASSURED THAT IT WON'T HIT BACK.

There's a world of new experiences out there, just waiting for you to come out and find them. And the RX 300 is your willing co-conspirator, cajoling you to get off the couch and into its leather-trimmed,\* walnut-accented interior. The RX 300 comes in two unforgettable flavors: the highly skilled front-wheel-drive version and the universally capable, full-time four-wheel-drive model. In either case, you'll control a 220-horsepower, VVT-i V6, be guided by standard, computer-managed Vehicle Skid Control (VSC),† and master the road with four-wheel independent suspension. The route to adventure may be rough, but inside it's anything but, with the RX 300's legendary smooth ride and impeccable accommodations. So crank up the 240-watt Premium Sound System. Turn on the available Lexus DVD Navigation System.‡ Program in your favorite points of interest. And let the games begin.

\*Optional. †Please see page 23 for VSC disclaimer.

LX 470

## IT'S LOVELY AT THE TOP.

Some people just can't get enough adventure – they push harder, explore farther and climb higher. They count on the biggest-ever Lexus V8 to conquer steep mountain passes. They depend on off-road-ready Adaptive Variable Suspension (AVS), Adjustable Height Control (AHC) and full-time four-wheel drive to surmount tough terrain from Alaska to Patagonia. And rely on Vehicle Skid Control (VSC),<sup>1</sup> four-wheel Traction Control (TRAC) and Brake Assist\* to help make sure the fun stays fun. The day's route may be rugged, but there's no reason the accommodations should be. Which is why we trimmed the cathedral-sized, chapel-quiet, eight-seat interior in soft leather and rich walnut, and included a standard Lexus DVD Navigation System<sup>2</sup> and an available Mark Levinson audio system. The horizon is waiting. Don't make it wait too long.

\*Please see page 23 for VSC and Brake Assist disclaimers.

SC 430

YOUR HAIR IS UNRUFFLED, BUT YOUR HEART IS SWEEPED AWAY.

If there is one car that sums up the spirit of Lexus, this would be it. It's the hardtop convertible you've always longed for – and the kind of gratifying driving experience you knew only Lexus could deliver. The aluminum-alloy roof creates the security, weather protection and serene ride of a grand touring coupe. But when it's time to come out of your shell, the roof disappears in seconds, leaving you free to commune with the world – and your adoring public. And in the unlikely event that you tire of all the attention, escape is just a push of the throttle away, thanks to the 4.3-liter, 300-horsepower, four-cam, U-LEV<sup>®</sup> V8. Massive 18-inch alloy wheels and high-performance tires<sup>®</sup> stick you to the road like peanut butter to the roof of your mouth. And Vehicle Skid Control (VSC)<sup>\*</sup>, ABS and Brake Assist<sup>®</sup> are designed to help keep the SC 430 securely in control – even when your emotions are anything but.

\*Please see page 23 for VSC and Brake Assist disclaimers.

WE'RE SENSITIVE TO YOUR NEEDS. AND NOT SHY ABOUT FULFILLING THEM.

How does the world measure luxury? On a scale of one to Lexus. From the rich textures of our hand-selected leathers to the silky operation of every switch, knob and control, each Lexus is human-engineered to not only impress, but to feel wonderful doing it. We are also dedicated to giving you

the latest technology – that will make your driving experience as pleasurable and as liberating as possible. Lexus Link<sup>®</sup>, available on the LS 430, helps make driving both safer and more convenient, putting emergency help, directions and even your restaurant reservations just a button away. The Lexus DVD

Navigation System<sup>1</sup> can help guide you to almost any destination in the contiguous U.S. and major cities in Canada, using easy-to-follow voice and visual directions. And Mark Levinson audio, created by the makers of \$100,000 custom home systems, can turn most Lexus models into virtual concert halls.

LEXUS PERFORMANCE: FIRING ON ALL SYNAPSES.

Every Lexus is engineered to deliver exhilarating performance, whether you're powering past a semi or dissecting a high-speed curve. Each Lexus power plant is designed with state-of-the-art performance technology, including four-valve-per-cylinder combustion chambers for free breathing, double-overhead camshafts for precise valve operation, computer-controlled fuel injection for smoother, cleaner operation, and aluminum-alloy engine components for reduced weight and increased efficiency.\* Nearly all models<sup>1</sup> feature continuously Variable Valve Timing with intelligence (VVT-i), as well as Acoustic Control Induction Systems (ACIS); these systems act together to maximize power output and enhance throttle response in virtually any driving scenario. Generously sized four-wheel disc brakes, working with an advanced Anti-lock Braking System (ABS), help make stopping just as impressive as accelerating. And Formula One-inspired E-shift, featured on the GS300 and IS300, lets you control upshifts and downshifts manually, using buttons mounted on the steering wheel. The Lexus advantage even extends to our environmental performance; the engines of the LS430, GS430, SC430 and ES300 have all earned the Ultra-Low Emission Vehicle (U-LEV) rating.<sup>2</sup>

\*Please see Specifications pages for fuel-consumption figures. <sup>1</sup>Not available on LX470.

A TRULY MEANINGFUL RELATIONSHIP ALWAYS BEGINS WITH TRUST.

Some vehicles shown with optional equipment.

It's hard to feel wonderful if you don't feel confident and secure. So to help control loss of lateral traction during cornering, there's the available Vehicle Skid Control (VSC).<sup>\*</sup> Traction Control (TRAC) helps reduce wheelspin during acceleration and Brake Assist<sup>†</sup> can

detect emergency braking, taking full advantage of ABS. We also equip every Lexus with side-impact door beams, steel-reinforced A-pillars, front and rear crumple zones and dual front airbags (SRS).<sup>†</sup> Every Lexus cabin is designed to help resist impact intrusion, and most Lexus vehicles are

equipped with front seat-mounted, side-impact airbags.<sup>\*\*\*</sup> Interior surfaces are designed to help dissipate impact energy, and all Lexus sedans are equipped with side-curtain airbags,<sup>††</sup> which help manage forces to the head during certain severe lateral impacts.

\*Lexus Vehicle Skid Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details. VSC is standard on SC 430, LS 430, GS 430/300, LX 470 and RX 300. Optional on ES 300, IS 300 E-Skill and SportCross. Not available on IS 300 5-Speed. †Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. ‡The Lexus driver's, front passenger's, front seat-mounted side-impact and side-curtain airbags are a Supplemental Restraint System (SRS). The driver's and front passenger's airbags are designed to inflate in a severe frontal collision. The side-impact and side-curtain airbags are designed to inflate in a severe side-impact collision. In all other accidents, the airbags will not inflate. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat, and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying airbag SRS may cause serious injury. Please see your Owner's Manual for further instructions. \*\*\*Not LX 470. ††GS 430/300 and IS 300 have side-curtain airbags for the front seats only.

## OWNING A LEXUS: AN EXPERIENCE LIKE NO OTHER.

The Passionate Pursuit Of Perfection. It's a unique philosophy that characterizes every aspect of owning a Lexus, from our award-winning automobiles to our dedicated people. It inspires the unprecedented levels of quality and reliability for which we're famous: J.D. Power and Associates has ranked Lexus the #1 Nameplate in Long-Term Dependability for the last six years, every year we have been eligible (1995-2000).<sup>1</sup> It also helps to create the exciting performance, gratifying luxury and remarkable value that Lexus owners so thoroughly enjoy. As every new Lexus owner discovers, we do things differently than other car companies. We take pride in listening to your needs, your desires and your suggestions. And we use that knowledge to enhance the Lexus experience, day after day, year after year, in a multitude of subtle ways. It is this

dedication to your pleasure that keeps Lexus owners coming back.

That, and the thrill of driving a Lexus, of course.

<sup>1</sup>J.D. Power and Associates 1995-2000 Vehicle Dependability Studies™ of 1990-1996 Model-Year Vehicles at five years of ownership. 2000 study based on a total of 32,179 consumer responses. Award based on ES 300, GS 300, LS 400 and SC 300/400. <sup>†</sup>Please see your Owner's Manual Supplement at your Lexus dealer for complete details on the warranty and Roadside Assistance coverage. <sup>‡</sup>To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.

## DÉJÀ VU: THE LEXUS CERTIFIED PRE-OWNED PROGRAM.

It's never too soon to start feeling special. And with the reasonable cost of a Certified Pre-Owned (CPO) Lexus, you could be smiling, ear to ear, before the sun goes down. Every Certified Pre-Owned Lexus comes with a three-year/100,000-total-mile Lexus Limited Warranty\* – one of the most comprehensive warranties in the pre-owned marketplace. Each CPO Lexus has passed a rigorous, 128-point vehicle inspection and is offered with very attractive finance rates\* – the same kind of rates you might expect when buying a new Lexus. Fact is, it's hard to tell a CPO Lexus from a new one – and it's next to impossible to see a difference in the way we treat their owners, from offering a complimentary first oil change to providing 24-hour Roadside Assistance.<sup>†</sup>

## LS 430

Type	Five-passenger luxury sedan
Engine	4.3-liter V8
Horsepower/Torque	290 hp/320 lb-ft
0-60 MPH	6.3 seconds <sup>1</sup>
Valvetrain	Four cam, four valves per cylinder with continuously Variable Valve Timing with intelligence (VVT-i)
Transmission	Five-speed automatic Electronically Controlled Transmission with intelligence (ECT-i)
Drive Wheels	Rear, with standard Traction Control (TRAC)
Suspension	Four-wheel independent double wishbone
Steering	Vehicle-speed-sensing progressive power-assisted rack-and-pinion
Fuel Consumption	18/25 mpg city/highway <sup>2</sup>

### SELECTED LUXURY AND SAFETY FEATURES

Birds-eye maple or burled walnut and leather interior trim • Wood- and leather-trimmed steering wheel and shift knob • Power front seats, door locks and tilt-and-telescopic steering wheel • Lexus Memory System for power driver's seat (except lumbar), outside mirrors, driver's shoulder belt anchor height and steering wheel • Power windows • Auto-dimming electrochromic mirrors • Lexus AM/FM/cassette seven-speaker 178-watt<sup>3</sup> Premium Sound System with Automatic Sound Levelizer (ASL) • In-dash, single-feed, six-disc CD auto-changer • Intuitive Climate Control • Multifunction remote entry system • HomeLink<sup>®</sup> universal transceiver • Multi-information display with drive computer • Vehicle Skid Control (VSC)<sup>4</sup> • Traction Control (TRAC) • Four-wheel disc brakes with Anti-lock Braking System (ABS) and Brake Assist<sup>5</sup> • Dual front airbags (SRS)<sup>6</sup> • Front seat-mounted side-impact airbags (SRS)<sup>7</sup> • Front and rear side-curtain airbags (SRS)<sup>8</sup> • High-Intensity Discharge (HID) headlamps with dynamic auto leveling • Three-point seatbelts front and rear, fronts with power height-adjustable anchors, pre-tensioners and force limiters • Vehicle theft-deterrent and engine immobilizer system, with in-key transponder

### SELECTED OPTIONS AND ACCESSORIES

Ultra Luxury Selection<sup>9</sup> • Custom Luxury Selection<sup>9</sup> • Mark Levinson Audio System Package<sup>10</sup> • Navigation System Package<sup>11</sup> • Navigation System/Mark Levinson Audio System Package<sup>12</sup> • Euro-tuned Sport Suspension (requires 17 x 17.5-in alloy wheels with 225/55WR17 tires)<sup>13</sup> • Intuitive Parking Assist<sup>14</sup> • Power moonroof • Heated front and rear seats • Lexus Dual-Mode Mobile Phone<sup>15</sup> • Lexus Link<sup>16</sup> • Lexus Chrome Wheels (available with 17-in wheels)<sup>17</sup>

## GS 430|300

Type	Five-passenger luxury performance sedan
Engine	4.3-liter V8 (GS 430), 3.0-liter in-line 6 (GS 300)
Horsepower/Torque	300 hp/325 lb-ft (GS 430), 220 hp/220 lb-ft (GS 300)
0-60 MPH	5.8 seconds <sup>1</sup> (GS 430), 7.8 seconds <sup>1</sup> (GS 300)
Valvetrain	Four cam (GS 430), twin cam (GS 300), four valves per cylinder with continuously Variable Valve Timing with intelligence (VVT-i)
Transmission	Five-speed automatic Electronically Controlled Transmission with intelligence (ECT-i), E-shift with controls on steering wheel (GS 300)
Drive Wheels	Rear, with standard Traction Control (TRAC)
Suspension	Four-wheel independent double wishbone
Steering	Vehicle-speed-sensing, progressive power-assisted rack-and-pinion
Fuel Consumption	18/23 mpg city/highway <sup>2</sup> (GS 430) 18/25 mpg city/highway <sup>2</sup> (GS 300)

### SELECTED LUXURY AND SAFETY FEATURES

Walnut interior trim • Leather interior trim (standard on GS 430, available on GS 300) • Power front seats, door locks and tilt-and-telescopic steering wheel • Lexus Memory System for power driver's seat (except lumbar), outside mirrors and steering wheel (standard on GS 430, available on GS 300) • Power windows • Electrochromic inside mirror with compass<sup>18</sup> and outside mirrors • Lexus AM/FM/cassette seven-speaker 96-watt<sup>3</sup> Premium Sound System with Automatic Sound Levelizer (ASL) • Dual-zone automatic climate control • Multifunction remote entry system • HomeLink<sup>®</sup> universal transceiver • Vehicle Skid Control (VSC)<sup>4</sup> • Traction Control (TRAC) • Four-wheel disc brakes with Anti-lock Braking System (ABS) and Brake Assist<sup>5</sup> • Dual front airbags (SRS)<sup>6</sup> • Front seat-mounted side-impact airbags (SRS)<sup>7</sup> • Front side-curtain airbags (SRS)<sup>8</sup> • High-Intensity Discharge (HID) headlamps with dynamic auto leveling (standard on GS 430, available on GS 300) • Three-point seatbelts front and rear, fronts with pre-tensioners and force limiters • Vehicle theft-deterrent and engine immobilizer system, with in-key transponder

### SELECTED OPTIONS AND ACCESSORIES

Premium Package<sup>19</sup> • Mark Levinson Audio System Package<sup>10</sup> • Navigation System Package<sup>11</sup> • Navigation System/Mark Levinson Audio System Package<sup>12</sup> • In-dash, six-disc CD auto-changer • Power moonroof • Rear spoiler (GS 430 only) • Heated front seats (requires leather trim or Premium Package on GS 300) • Lexus Dual-Mode Mobile Phone<sup>15</sup> • 17 x 18.0-in wheels with 235/45ZR17 tires<sup>17</sup> (GS 430 only) • Lexus Chrome Wheels

## ES 300

Type	Five-passenger luxury sedan
Engine	3.0-liter V6
Horsepower/Torque	210 hp/220 lb-ft
0-60 MPH	8.1 seconds <sup>1</sup>
Valvetrain	Four cam, four valves per cylinder with continuously Variable Valve Timing with intelligence (VVT-i)
Transmission	Five-speed automatic Electronically Controlled Transmission with intelligence (ECT-i)
Drive Wheels	Front, with available Traction Control (TRAC)
Suspension	Four-wheel independent MacPherson strut
Steering	Engine-speed-sensing, progressive power-assisted rack-and-pinion
Fuel Consumption	23/29 mpg city/highway <sup>2</sup>

### SELECTED LUXURY AND SAFETY FEATURES

Walnut interior trim • Power front seats (includes driver's power lumbar support) • Power moonroof • Power windows and door locks • Electrochromic inside and driver's outside mirrors • Lexus AM/FM/cassette seven-speaker Premium Sound System with Automatic Sound Levelizer (ASL) • In-dash, single CD player • Dual-zone automatic climate control • Multifunction remote entry system • Outside temperature gauge • Four-wheel disc brakes with Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD) • Dual front airbags (SRS)<sup>6</sup> • Front seat-mounted side-impact airbags (SRS)<sup>7</sup> • Front and rear side-curtain airbags (SRS)<sup>8</sup> • Three-point seatbelts front and rear, fronts with pre-tensioners and force limiters • Vehicle theft-deterrent and engine immobilizer system, with in-key transponder

### SELECTED OPTIONS AND ACCESSORIES

Premium Package<sup>19</sup> • Mark Levinson Audio System Package<sup>10</sup> • Navigation System Package<sup>11</sup> • Navigation System/Mark Levinson Audio System Package<sup>12</sup> • In-dash, single-feed, six-disc CD auto-changer • Leather interior trim • Wood- and leather-trimmed steering wheel and shift knob • Heated front seats • Power rear sunshade • High-Intensity Discharge (HID) headlamps with dynamic auto leveling • Vehicle Skid Control (VSC)<sup>4</sup> with Traction Control (TRAC) and Brake Assist<sup>5</sup> • Adaptive Variable Suspension (AVS) • 16-in alloy wheels with 215/60VR16 all-season tires • Lexus Chrome Wheels (available only with all-season tires)

**For All Models: Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty.**

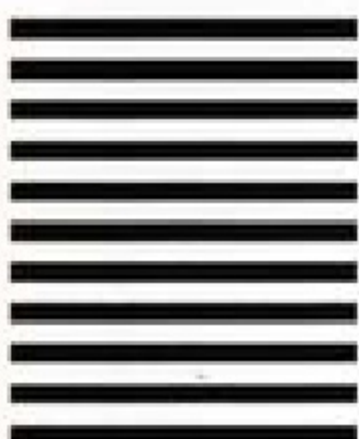

1) Automobile Magazine, February 2001. 2) California Air Resources Board certified as either Low-Emission Vehicles or Ultra-Low Emission Vehicles. For more information about the certification process and criteria, please visit [www.arb.ca.gov](http://www.arb.ca.gov). 3) The Lexus DVD Navigation System is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. See your Navigation Owner's Manual and your Lexus dealer for further details. 2001 model-year screens shown. 4) 17 x 17.5-in wheels with 225/45ZR17 tires on the GS 300 are expected to experience greater tire wear than the optional equipment tires, 205/55VR16. Tire life may be substantially less than 20,000 miles, depending on driving conditions. 5) Standard 18 x 8.0-in wheels with low-profile 245/40ZR18 tires on the GS 430 are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 20,000 miles. 6) Contact with the Lexus Link Call Center is limited to analog cellular service areas. Due to the limitations of cellular service and because GPS requires line-of-sight satellite contact, you may sometimes be unable to contact the Lexus Link Call Center or receive emergency service support. Lexus Link Premium Service is available for an additional annual service fee. 7) These performance capacity figures are for comparison only and were obtained with production and prototype vehicles by professional drivers, using special safety equipment and procedures. These should not be attempted on public streets or highways. 8) 2002 EPA-estimated mpg. See your Lexus dealer for details. 9) 178 watts at 0.1% THD.

## IS 300

Type	Five-passenger luxury sport sedan/SportCross
Engine	3.0-liter in-line 6
Horsepower/Torque	215 hp/218 lb-ft
0-60 MPH	6.8 seconds <sup>1</sup> (manual), 7.3 seconds <sup>2</sup> (automatic), 7.4 seconds <sup>3</sup> (SportCross)
Valvetrain	Twin cam, four valves per cylinder, with continuously Variable Valve Timing with intelligence (VVT-i)
Transmission	Five-speed automatic Electronically Controlled Transmission with intelligence (ECT-i). E-shift on sedan and SportCross with controls on steering wheel. Five-speed manual (sedan only)
Drive Wheels	Rear, with standard Traction Control (TRAC)
Suspension	Four-wheel independent double-wishbone
Steering	Engine-speed-sensing, progressive power-assisted rack-and-pinion
Fuel Consumption	18/25 mpg city/highway <sup>4</sup>

### SELECTED LUXURY AND SAFETY FEATURES

Automatic climate control • Lexus AM/FM/cassette eight-speaker (nine in SportCross) 240-watt (max power) Premium Sound System with in-dash, single-lead, six-disc CD auto-changer • Front center armrest • Power door locks and windows • Power-adjustable heated outside mirrors with titanium-silica coating • Multifunction remote entry system • Rear power outlet (SportCross only) • Rear cargo area with false floor, accessory connector and tonneau cover (SportCross only) • Customized Body Electronics System (C-BEST) • High-Intensity Discharge (HID) headlamps with dynamic auto leveling • Traction Control (TRAC) • Four-wheel disc brakes with Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD) and Brake Assist<sup>10</sup> • Dual front airbags (SRS)<sup>11</sup> • Front seat-mounted side-impact airbags (SRS)<sup>12</sup> • Front side-curtain airbags (SRS)<sup>13</sup> • Three-point seatbelts front and rear, fronts with height-adjustable anchors, pre-tensioners and force limiters • Vehicle theft-deterrent and engine immobilizer system, with in-key transponder

### SELECTED OPTIONS AND ACCESSORIES

Lexus DVD Navigation System<sup>14</sup> • Perforated leather interior trim (includes power front seats and HomeLink<sup>15</sup>) • Leather/Ecaine interior trim (includes power front seats and HomeLink<sup>15</sup>) • Leather-trimmed shift knob • Heated front seats (requires perforated leather or leather/Ecaine trim option) • Rear spoiler (standard on SportCross) • Power moonroof • Power front seats • HomeLink<sup>15</sup> universal transceiver • Vehicle Skid Control (VSC)<sup>16</sup> (E-Shift and SportCross) • TORSEN<sup>19</sup> Limited-Slip Differential (LSD)<sup>17</sup> • 17 x 70-in graphite-polished alloy wheels<sup>18</sup> • 16 x 6.5-in alloy wheels with 205/55VR16 all-season tires

## RX 300

Type	Five-passenger luxury sport-utility vehicle
Engine	3.0-liter V6
Horsepower/Torque	220 hp/222 lb-ft
0-60 MPH	8.5 seconds <sup>1</sup> (FWD), 8.8 seconds <sup>2</sup> (4WD)
Valvetrain	Four cam, four valves per cylinder, with continuously Variable Valve Timing with intelligence (VVT-i)
Transmission	Four-speed automatic Electronically Controlled Transmission (ECT)
Drive Wheels	Front-wheel drive (FWD) or four-wheel drive (4WD) with Vehicle Skid Control (VSC) <sup>16</sup>
Suspension	Four-wheel independent MacPherson strut
Steering	Engine-speed-sensing, progressive power-assisted rack-and-pinion
Fuel Consumption	19/23 mpg city/highway <sup>4</sup> (FWD) 18/22 mpg city/highway <sup>4</sup> (4WD)

### SELECTED LUXURY AND SAFETY FEATURES

Walnut interior trim • Power front seats and door locks • Power windows • Lexus AM/FM/cassette seven-speaker 240-watt (max power) Premium Sound System • Automatic climate control • Multifunction remote entry system • Vehicle Skid Control (VSC)<sup>16</sup> • Four-wheel disc brakes with Anti-lock Braking System (ABS) and Brake Assist<sup>10</sup> • Dual front airbags (SRS)<sup>11</sup> • Front seat-mounted side-impact airbags (SRS)<sup>12</sup> • Three-point seatbelts front and rear, fronts with height-adjustable anchors, pre-tensioners and force limiters • Side-impact door beams • Vehicle theft-deterrent and engine immobilizer system, with in-key transponder

### SELECTED OPTIONS AND ACCESSORIES

Premium Package<sup>19</sup> • Premium Plus Package<sup>20</sup> • Navigation System Package<sup>14</sup> • Power moonroof • Leather interior trim • In-dash, six-disc CD auto-changer • Lexus Dual-Mode Mobile Phone<sup>21</sup> • Lexus Chrome Wheels • Accessory CrossBars<sup>22</sup> • Rear spoiler • Tow-hitch receiver

## LX 470

Type	Eight-passenger luxury sport-utility vehicle
Engine	4.7-liter V8
Horsepower/Torque	230 hp/320 lb-ft
0-60 MPH	10.1 seconds <sup>1</sup>
Valvetrain	Four cam, four valves per cylinder
Transmission	Four-speed automatic Electronically Controlled Transmission (ECT)
Drive Wheels	Full-time four-wheel drive with four-wheel Traction Control (TRAC) and Vehicle Skid Control (VSC) <sup>16</sup>
Suspension	Independent front, live rear axle, Adaptive Variable Suspension (AVS) with Adjustable Height Control (AHC)
Steering	Engine-speed-sensing, progressive power-assisted rack-and-pinion
Fuel Consumption	13/16 mpg city/highway <sup>4</sup>

All warranties with zero deductible. See *Owner's Manual Supplement* at your Lexus dealer for details.

<sup>10</sup> Please see page 23 for VSC disclaimer. <sup>11</sup> Please see page 23 for Brake Assist disclaimer. <sup>12</sup> Please see page 23 for SRS disclaimer. <sup>13</sup> Please see your Lexus dealer for package details. <sup>14</sup> Optional 17 x 75-in wheels with 225/55VR17 tires on the LS 430 are expected to experience greater tire wear than the standard equipment tires, 225/60HR16. Tire life may be substantially less than 20,000 miles, depending on driving conditions. Your riding comfort may decrease and road noise may increase during driving. Please consider all this when selecting an LS 430 equipped with this option. <sup>15</sup> Lexus Dual-Mode Mobile Phone service is provided by Sprint PCS. Coverage may vary by location. Please see your Lexus dealer for details. <sup>16</sup> On vehicles equipped with the Lexus DVD Navigation System, compass display is on navigation screen. <sup>17</sup> 96 watts at 0.7% THD. <sup>18</sup> Optional 17 x 8.0-in wheels with 235/45 ZR17 tires on the GS 430 are expected to experience greater tire wear than the standard equipment tires, 225/55VR16. Tire life may be substantially less than 15,000 miles, depending on driving conditions. Your riding comfort may decrease and road noise may increase during driving. Please consider all this when selecting a GS 430 equipped with this option.

<sup>19</sup> TORSEN<sup>®</sup> is a registered trademark of Zexel Torsen, Inc. <sup>20</sup> Accessory CrossBars are not recommended for luggage. <sup>21</sup> Continuous average power, all channels driven, at 0.0% THD, 20-20,000 Hz. <sup>22</sup> Run-flat tire technology is designed for limited emergency use only. If air pressure is lost, vehicle speed must remain below 55 miles per hour, cornering, braking and accelerating must be done with extreme caution, and the tire should be replaced within 100 miles. See your Lexus dealer for details.

THE PASSIONATE PURSUIT OF PERFECTION.

**lexus.com** P2-015 (9/01) 00217-FULIN-02 PRINTED IN U.S.A. (1.25MM) ©2001 LEXUS, A DIVISION OF TOYOTA MOTOR SALES, U.S.A., INC.

Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, are for mainland U.S.A. vehicles and may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions.
