RANGER KNOWS MILEAGE RULES

SO, THE PICKUP WITH UNSURPASSED GAS MILEAGE IN NORTH AMERICA¹ delivers that and a whole lot more. It's big on capability, reliability, durability and value, too. Ranger's always ready on the work front – it can tow up to 6000 lbs.² And on the weekend, it's ready to play just as hard. A wide selection of body styles, trim levels and options lets you build the truck that fits your work style and your lifestyle, from moving heavy loads, to off-road adventure, to cruising with your favorite tunes. Every day, the rugged Ford Ranger lives up to the reputation of Built Ford Tough.[®] With all Ranger has to offer, it's easy to see – this pickup can take you a long, long way.

UNSURPASSED FUEL ECONOMY
21 MPG CITY/26 HWY.¹

Vehicles throughout this catalog may be shown with optional and aftermarket equipment. See Specifications section for Footnotes & Disclaimers.

**2009
RANGER**

TOUGH

56.5"-LONG REAR LEAF SPRINGS help you maintain control while hauling a big payload or towing up to 6000 lbs.²

HEAVY-DUTY SHOCKS are gas-charged, front and rear. They help stabilize ride and handling under heavy loading, while offering a civilized ride, loaded or unloaded.

ELECTRONIC SHIFT-ON-THE-FLY (ESOF) makes selecting the right drive as simple as turning a switch. It's standard on Ranger 4x4s.

BUILT FORD TOUGH FRONT SUSPENSIONS on all Ranger 4x4s come equipped with torsion bars to allow long wheel travel for enhanced off-road capability. Most Ranger 4x2s use front coil springs (not shown) to promote smooth on-road ride and handling.

4-WHEEL ANTI-LOCK BRAKE SYSTEM (ABS) provides impressive stopping power and supports heavy hauling and towing.

RANGER SAFETY

THE PERSONAL SAFETY SYSTEM[®] is an impressive array of sophisticated technologies that determines the severity of a crash, safety belt use, driver-seat position and right-front passenger size to control the deployment force of the airbags.

THE TIRE PRESSURE MONITORING SYSTEM illuminates a warning light if pressure in any mounted tire is significantly low.³

Ranger XLT SuperCab 4x4 • Vista Blue • Other Available Equipment

RANGER STANDS STRONG

LEGENDARY CAPABILITY AND DURABILITY give you the confidence to tackle the big jobs. It all starts with Built Ford Tough[®] construction. From its rock-solid steel ladder frame to robust braking and suspension systems and double-wall cargo box, Ranger is designed to get your work done, mile after mile, year after year.

RANGER POWER

THE TOP-OF-THE-LINE 4.0L V6 is an optional engine that delivers maximum towing, hauling and rock-crawling capability with 207 hp and 238 lb.-ft. of torque on tap.

THE 2.3L DOHC I-4 is a fuel economy champ that helps Ranger post one of the best mileage numbers of any pickup in North America.¹

RANGER TOWING

NEW FOR 2009, A TRAILER HITCH RECEIVER is standard on all Ranger models. Class III capability comes standard when you choose a Ranger with the 4.0L V6.

FRONT TOW HOOKS available on all 4x4s give you a rugged connection point for assisting less-capable trucks.

3 STEEL SKID PLATES (front suspension, transfer case and fuel tank) are standard on SPORT 4x4 and FX4 OFF-ROAD.

FULLY BOXED FRONT FRAME RAILS provide a solid foundation for the engine and front suspension.

2009
RANGER

XL & XLT

RANGER VERSATILITY

THIS OPTIONAL BED EXTENDER lets you add usable bed space. Just open the tailgate and secure the extender in place. It also works as a bed partition when the tailgate is closed.

RANGER OFFERS TOUGH CHOICES

LIKE EVERY FORD TRUCK, BUILT FORD TOUGH[®] gives Ranger a rugged foundation on which to build the capabilities of your choice. No bare-bones work truck, Ranger XL takes safety and security seriously, with the standard Personal Safety System[®] and Tire Pressure Monitoring System to instill confidence. If you'd like to step up a notch, Ranger XLT adds extras like a chrome H-bar grille and air conditioning. Capability and a dash of style are right here with Ranger XL and Ranger XLT. All you have to do is choose.

A CLASS-EXCLUSIVE* 7' PICKUP BOX makes your Ranger XL or XLT Regular Cab long on capacity (43.6 cu. ft.). It's the only 7' box available on a compact pickup.

RANGER

SPORT

RANGER UPGRADE

LEATHER-TRIMMED SPORT BUCKETS are top-of-the-line seats that feature driver-side manual lumbar support and a center console with storage. Optional on select models.

RANGER SAYS
**TAKE A
GOOD LOOK**

IF YOU LIKE TO BE NOTICED, RANGER SPORT IS YOUR TRUCK. It's a fully capable Ranger that racks up style points big-time. SPORT features a unique grille, body-color trim, and a range of wheels to accent your choice of cab and driveline. An optional bedliner accessory can protect the cargo box and the gear you put back there. SPORT is a Built Ford Tough® Ranger that's ready to do big jobs, have big fun and look good wherever it goes.

AUXILIARY AUDIO INPUT – Premium Ranger Audio Systems² come equipped with an audio input jack so you can plug in your favorite tunes from an MP3 player or other compatible music source.

SPORT GAUGE GROUP – The unique SPORT instrument panel features white gauges with black numbering and trim (below).

RANGER

FX4 OFF-ROAD

RANGER STYLE

TWO-TONE CLOTH SPORT BUCKETS WITH RED OR BLUE INSERTS are an FX4 OFF-ROAD exclusive. They're the signature look of a Ranger that's tough enough to go far beyond the road's end. This setup includes driver-side lumbar support and a center console with ample storage.

RANGER LETS YOU GO CLIMB A ROCK

ROCK CLIMBING, MUD BOGGING, OR A 20% GRADE – they're all in a day's work for FX4 OFF-ROAD. This Ranger is backcountry-ready with Electronic Shift-On-the-Fly (ESOF), 3 skid plates, a limited-slip rear differential and Goodyear® Wrangler RT/S all-terrain tires as standard equipment. Ranger's compact size is a big advantage on tight trails, and its substantial capabilities give you an edge in all your adventures. Any way you look at it, this Ranger is an off-road favorite that's ready to go.

THE TORSEN® LIMITED-SLIP DIFFERENTIAL is an available full-time, torque-sensing, torque-biasing system. Its continuous torque output delivers maximum power to the rear wheels, and the exclusive TORSEN design instantly sends torque to the wheel with the most grip.

FX4 OFF-ROAD GAUGE GROUP – Bold readouts and brushed-aluminum-style trim keep vital signs front and center.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

New Vehicle Limited Warranty. We want your Ford Ranger ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

FOOTNOTES & DISCLAIMERS

¹⁴4x2 with 2.3L engine and 5-speed manual transmission. Based on EPA-estimated mileage for 2009 Ranger compared with 2008/2009 model-year pickups.
¹⁵Properly equipped.
¹⁶Does not monitor spare tire pressure.
¹⁷Class is Compact Pickups.
¹⁸Except on SPORT.
¹⁹Compatible with all Ranger MP3 audio systems. Service not available in Alaska or Hawaii. See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information. "SIRIUS," the SIRIUS dog logo and "The Best Radio on Radio" are registered trademarks of SIRIUS Satellite Radio Inc.
²⁰With required audio system.
²¹Under normal driving conditions with routine fluid and filter changes.
²²Always wear your safety belt.
²³Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer. NOTE: Ranger does not have an electric brake wiring provision. Certain states require electric trailer brakes over a specified trailer weight. In those states, the Ranger maximum loaded trailer weight is limited to the state regulation. Check your state's trailer weight regulations.
²⁴Ranger SPORT only.
²⁵Requires 7-ft. box.
²⁶With Payload Package #2.
²⁷Required on XL with 4.0L V6.
²⁸Requires tilt steering wheel with cruise control on XLT.
²⁹Available through your Ford Dealer as a Dealer-Installed Ford Licensed Accessory. Not covered by New Vehicle Limited Warranty. See your dealer for details.
³⁰FX4 OFF-ROAD standard two-tone paint lower portion is Dark Shadow Grey for all colors except Dark Shadow Grey Metallic. Two-tone Dark Shadow Grey Metallic upper exterior color will receive Black lower body color.
³¹Limited production; Silver Metallic available late Fall 2008 on XLT, SPORT and FX4 OFF-ROAD; available entire year on XL.
