**263-HP EXHILARATION
PLUS UP TO 24 MPG HWY.¹**

For all you do, call on the versatile Taurus X crossover. Its 263-hp 3.5L Duratec V6 is managed with the refinement of a slick-shifting 6-speed automatic. Fill up the fuel tank and you can keep on keeping on for up to 420 miles.² Intake variable cam timing (iVCT) optimizes response. And All-Wheel Drive (AWD) is optional for superior control, plus ultimate non-stop performance: Wheel slippage is anticipated before it occurs. Be it in AWD or FWD form, Taurus X sports a MacPherson-strut front suspension and multilink rear suspension — each fortified with a stabilizer bar, gas-pressurized shock absorbers and helical coil-over-shock springs — that work in tandem to hug corners and soothe rough spots. Smooth moves: Do it all with incredible efficiency.

RATED AMERICA'S SAFEST³

7-PASSENGER CROSSOVER

Taurus X protects — it rates the maximum 5 Stars across the board in all frontal and side crash tests conducted by the government's National Highway Traffic Safety Administration (NHTSA). It's also earned "Top Safety Pick" status from the Insurance Institute for Highway Safety (IIHS), which even performs a rear crash-protection test to determine whiplash prevention. To help keep you from straying off the intended path, AdvanceTrac[®] electronic stability control⁴ is always on guard. So are 6 airbags. Something new this year: Should an airbag deploy or a safety belt pretensioner activate, the SOS Post-Crash Alert System⁵ automatically sounds the horn and flashes the hazards. When you hit the road, there's no better, or safer, place to be than in Taurus X.

- A** Side-curtain airbags front to back for outboard occupants; part of the Safety Canopy[®] System that also includes a rollover sensor
- B** SPACE (Side Protection And Cabin Enhancement) Architecture,[™] including pressure crash sensors in the doors
- C** Tripod design is key to the high-strength steel "ring of protection"
- D** Front-seat safety belt pretensioners
- E** Front-seat side airbags
- F** Dual-stage front airbags
- G** Laser-welded side pillars redirect crash forces underneath the seats
- H** Front-Passenger Sensing System
- I** 4-wheel disc Anti-lock Brake System (ABS) with Brake Assist and Traction Control
- J** Tire Pressure Monitoring System
- K** Front and rear crumple zones
- L** LATCH (lower anchors and tether anchors for child-safety seats)
- M** Anti-theft perimeter alarm
- N** AdvanceTrac electronic stability control

ACTIVATE YOUR LIFESTYLE

You're empowered with elevated, class-exclusive⁶ Command Seating.TM In your choice of 6- or 7-passenger configurations, each boasting 3 spacious rows of flexibility. Eddie Bauer and Limited models come furnished with the luxury of perforated-leather trim, contrast stitching and heated front seats. Their pedals are power adjustable to the perfect height, and dual-zone temperature settings are displayed to the exact degree. Fill your senses to the nth degree with the innovative, hands-free Ford SYNC[®] entertainment and communications system,⁷ plus SIRIUS[®] Satellite Radio[®] — there are more than 130 channels of variety, and the music is 100% commercial-free. Turn it up.

Change is definitely good: Here are just a few of the myriad seating setups available to you. Max things out, and you can haul objects more than 9' in length. With passenger room to spare.

For easy 3rd-row access: Convenient one-touch, auto-fold heated 2nd-row seats are optional — solely on Taurus X Limited.

Taurus X Eddie Bauer (6-Passenger) • Two-Tone Camel and Sand Perforated-Leather Trim • Ford Licensed Accessory — Dual INViSiON[®] DVD Headrests

MULTITALENTED

A. Catering to the pleasure of guests in back, the DVD Family Entertainment System is optional for fun and games. It features a flip-down 8" LCD screen, 2 infrared wireless headphone sets and a remote control.

B. The one-touch, power-up/-down liftgate is the ultimate convenience option.

C. When you're slowly backing up, the available Reverse Sensing System detects objects up to 6' behind Taurus X — beeping more rapidly the closer you get.

D. With the power moonroof option, bring the outside in — anytime, day or night. Open it up all the way, just a little, or simply tilt it for a breath of fresh air. A manual, sliding privacy shade is built in.

E. Class-exclusive Ford SYNC® is the award-winning standard for communications and entertainment. This voice-activated, customizable media system integrates your Taurus X with most Bluetooth®-enabled mobile phones and portable digital media players. It's standard on Eddie Bauer and Limited; optional on SEL. Visit SyncMyRide.com for the latest information about exciting new features. *You talk. SYNC listens.™*

F. The voice-activated Navigation System eliminates travel guesswork. A 6.5" color touch screen clearly displays maps and menus, pinpointing where you are and providing turn-by-turn, spoken-aloud Route Guidance. More than 20 different functions — many of which can simply be voice prompted — are accessible on this option.

³Based on both NHTSA 5-Star crash test ratings and 2008 IIHS "Top Safety Pick." Star ratings are part of the U.S. Department of Transportation's Safercar.gov program (www.safercar.gov).

⁴Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

⁵SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.
