LINCOLN

MANY ITEMS IN LIFE WILL CAPTURE YOUR EYES.

PURSUE THOSE THAT CAPTURE YOUR HEART.

The 3.5L V-6 engine of Lincoln MKZ, with 263 hp and 249 lb.-ft. of torque, has all the enthusiasm you need. The fact that it achieves those numbers on 87 octane fuel puts even more lift under your wings. To maximize the performance feel of the V-6, a wide-ratio 6-speed automatic transmission keeps gear changes tight. Electronic controls in the engine and transmission deliver smooth, seamless shifts.

The sport-tuned 4-wheel independent suspension of Lincoln MKZ supplies a ride that's steadfast and true. Up front, a double-wishbone design provides responsive handling. In the rear, a multilink independent suspension limits lateral force on the springs for a composed ride. Stabilizer bars front and rear help keep things steady, even through the hairpins.

Disc brakes at all four corners feature ventilated rotors up front to help dissipate heat; cooling the rotors and reducing brake fade. An Anti-lock Brake System helps give you enhanced steering control during emergency braking.

Sink into the heated and cooled, leather-trimmed driver seat with its 10-way power adjustments and take in the visual tapestry before you. Figured Maple or Ebony woods enhance the Lincoln MKZ instrument panel, door trim and leather-wrapped steering wheel. Chrome or satin-nickel accents grace all buttons, knobs and controls. At night, white LED lighting illuminates the displays and control switches for a backlit glow.

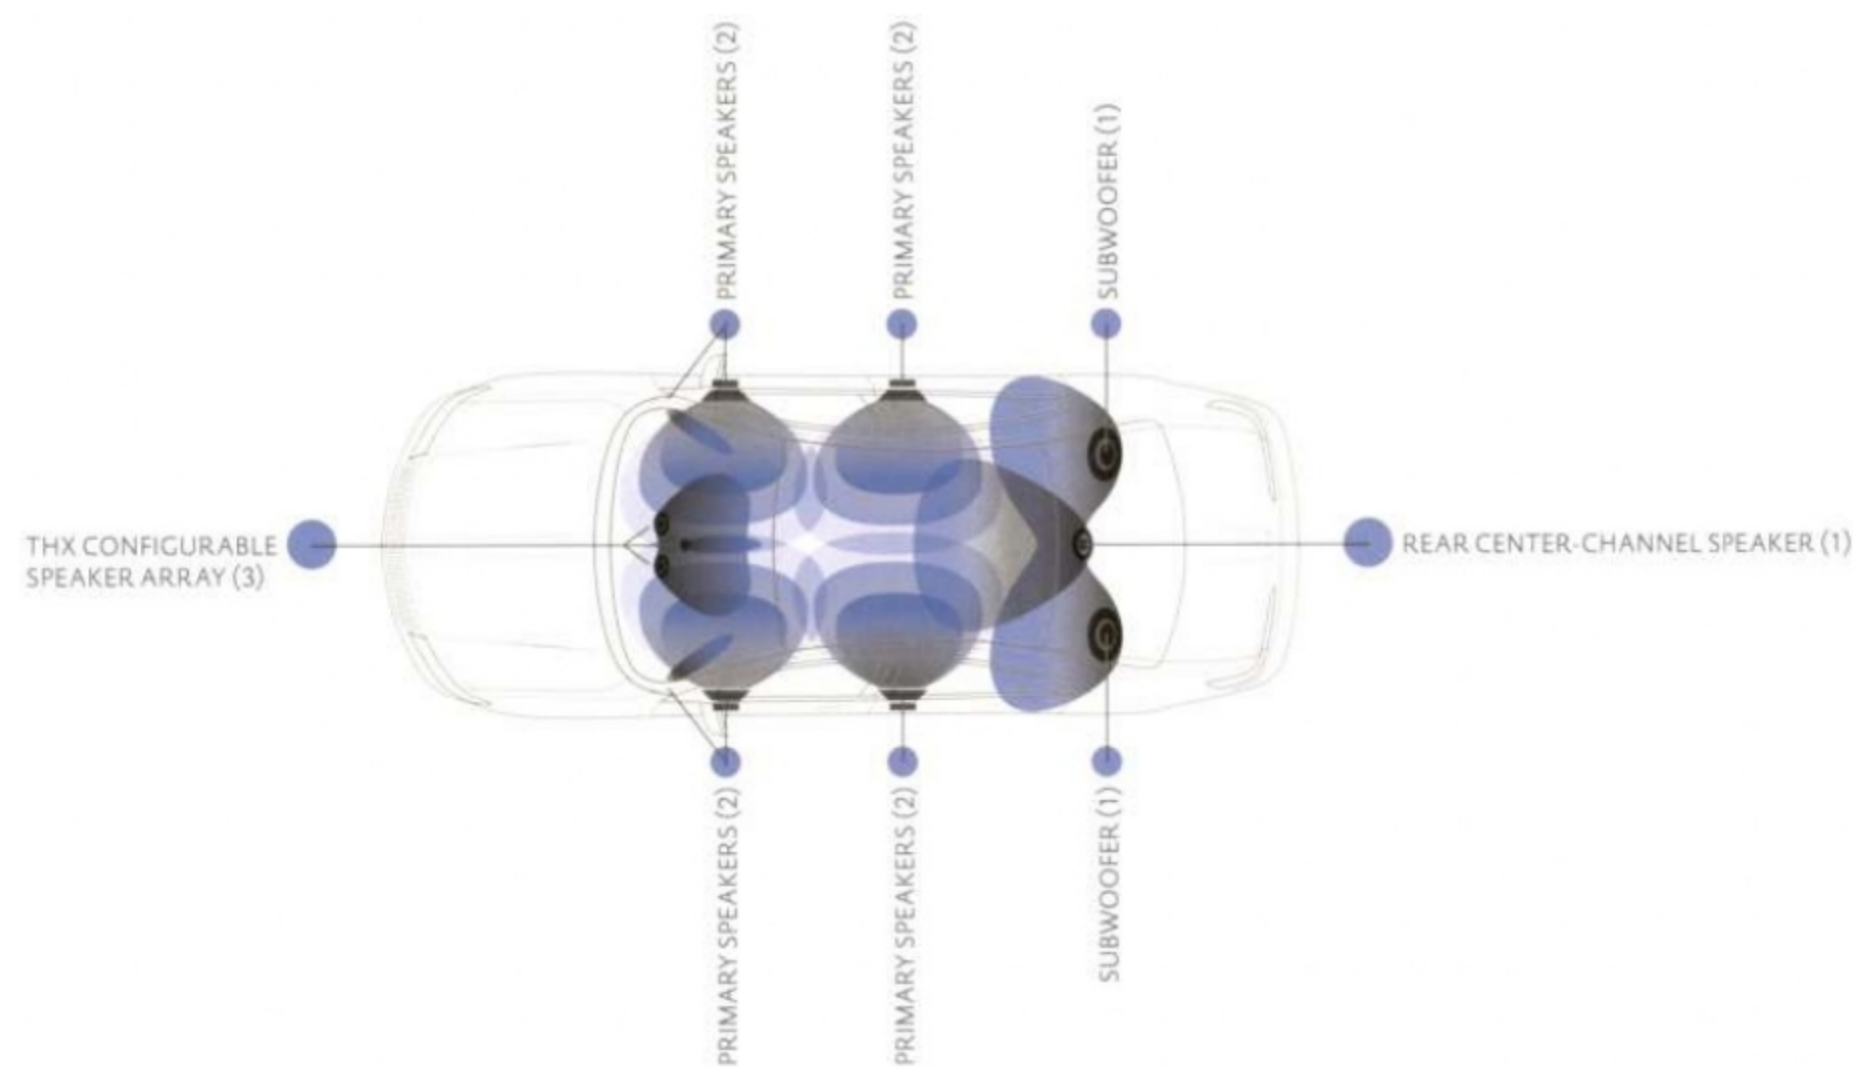

As you relax in its spacious interior, recharge yourself in Lincoln MKZ by listening to the favorites on your digital media player. Connect it in one of two ways: to the USB port of the Lincoln SYNC™ media system, where you can access songs by simply saying the name of the artist you want to hear; or to the audio input jack in the front center console. In the rear, a 60/40 split-folding seat makes pass-through access for longer items easy.

10-way power, heated and cooled front seats with power lumbar and driver memory settings.

WELCOME TO YOUR MOBILE DOCKING STATION. FOR BLUETOOTH®-ENABLED MOBILE PHONES. DIGITAL MEDIA PLAYERS. PORTABLE FLASH DRIVES. AND UP TO FIVE PASSENGERS, OF COURSE. LINCOLN MKZ IS A LEATHER-TRIMMED HUB FOR YOUR DIGITAL LIFE. ONE WITH HEATED AND COOLED FRONT SEATS. AND 263 HORSEPOWER.

THX® II CERTIFIED AUDIO SYSTEM. Maximizing the benefits of the standard AM/FM stereo and 6-disc in-dash CD changer with MP3 capability, the available THX II Certified Audio System features 14 speakers that deliver a rich listening experience. A sophisticated digital signal processor provides spectral balance, wide dynamic range and superior acoustic performance. Deep bass emanates from two 6" x 9" subwoofers in the rear deck. 600 watts of power are supplied by 12 amplifier channels. And acoustical depth pulses from the patented THX Configurable Speaker Array™ (CSA) located in the center of the instrument panel.

LINCOLN SYNC™ Once your Bluetooth-enabled mobile phone is paired, and your MP3 player or flash drive is connected to SYNC's USB port, you'll have seamless integration and voice control of your in-vehicle communications and entertainment system. Tell SYNC to call Amy. Ask it to play a specific artist or tune. No problem. You talk. SYNC listens.™ "No matter what I threw at it, SYNC got it right... SYNC's female voice was welcoming, helpful, and friendly. And she never judged my song selection," says *Esquire* magazine.

VOICE-ACTIVATED NAVIGATION. Featuring a brilliant 6.5" color screen and six presets to destinations you'd like to store, the available voice-activated, DVD-based Navigation System on Lincoln MKZ is your trusted advisor. With nearly two million points of interest on a single DVD, the system computes complex routes in the time it takes just to unfold a map. With several different ways to program destinations, using criteria such as shortest route or drive time, you can customize the display and prompt options for your convenience. And since the system automatically stores the last 25 routes, finding your way has never been easier.

¹Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. SIRIUS
SATELLITE RADIO
THE BEST RADIO ON RADIO

Over 130 channels of crystal clear, digital-quality sound is provided by SIRIUS Satellite Radio.™ A complimentary 6-month subscription to the SIRIUS service is yours as well.

Tuned for luxury performance, the available Intelligent All-Wheel-Drive (AWD) system on Lincoln MKZ reacts automatically to changes in traction for increased driving confidence in all weather conditions. This active AWD system optimizes traction by seamlessly distributing torque between the front and rear wheels, providing increased control and performance during rapid acceleration and hug-the-line cornering.

On wet or snowy road surfaces, of course, AWD really shines. Since the wheels with the best grip always receive the most power, AWD enhances control when the weather turns nasty. Together with standard AdvanceTrac® electronic stability control, AWD can even direct torque side to side on each axle, allowing you to continue forward motion even if only one wheel has grip.

In the leather-trimmed interior of Lincoln MKZ, many different materials were used to minimize unwanted noise: an underbody shield, advanced door seals, extra layers of sound-deadening material, absorption pads under the carpeting, and thick side-window glass. Even its streamlined shape allows for fluid airflow to deliver a smooth, quiet ride.

The design of the chrome-capped power sideview mirrors deflects air away from the side windows, minimizing wind noise. And the 50-series V-rated performance tires deliver superb ride quality, responsive handling and minimal cabin noise. In here, the sounds you hear will be the ones you want to.

ENGINEERED FOR SAFETY, ONE ADVANCED SENSOR AT A TIME. SOPHISTICATED SENSORS IN MKZ CAN DETECT A COLLISION, SENSE A ROLLOVER, AND DIRECT SOME OR ALL OF THE AIRBAGS TO DEPLOY. EVEN ON THIS MICROSCALE, THE BIG PICTURE IS HELPING KEEP YOU SAFE.

If the unthinkable is unavoidable, rest assured that the 2009 Lincoln MKZ is prepared for the worst. Specific structural areas were strengthened against intrusion by manufacturing them with additional steel. Others were designed to collapse in a controlled fashion or to absorb crash energy and channel it away from the passenger compartment. And inside, occupant protection systems help keep you and your passengers safe.

Lincoln MKZ features six airbags to enhance occupant protection. The Personal Safety System[®] customizes the deployment of the dual-stage front airbags. Front-seat side airbags offer an extra measure of chest protection for the driver and front passenger, while the side-curtain airbags with roll-fold technology provide head-protection coverage for outboard-seated occupants in both rows. Sensors direct their deployment in certain types of side-impact collisions or rollover events.

The best defense, of course, is avoiding an accident altogether. AdvanceTrac[®] electronic stability control is designed to help do just that. With sensors to measure oversteer and yaw, the system constantly monitors vehicle speed, throttle position and steering wheel angle. If it senses wheel slip or a loss of traction, AdvanceTrac manages engine torque and applies braking power where needed to help keep Lincoln MKZ tracking on its intended path.

Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

MKZ STANDARD LUXURY FEATURES

ENGINE

3.5L Duratec DOHC 24-valve aluminum V-6
 263 hp @ 6250 rpm/249 lb.-ft. of torque @ 4500 rpm
 10.3:1 compression ratio
 Intake variable cam timing (iVCT) and Electronic Throttle Control (ETC)
 Sequential multi-port electronic fuel injection
 Stainless steel exhaust system with dual chrome exhaust tips
 90,000-mile tune-up interval¹
 EPA-estimated fuel economy
 FWD 18 mpg city/28 hwy. 17.5-gal. capacity
 AWD 17 mpg city/24 hwy. 16.5-gal. capacity

DRIVETRAIN

Front-wheel drive
 6-speed electronic automatic transmission with overdrive

WHEELS/TIRES

17" 8-spoke painted machined-aluminum wheels
 P225/50R17 all-season V-rated performance tires

BRAKES

Anti-lock Brake System (ABS)
 Electronic Brakeforce Distribution (EBD)
 Power 4-wheel disc brakes with ventilated front rotors

SUSPENSION/STEERING

24-mm front and 17-mm rear stabilizer bars
 Independent Short- and Long-Arm front suspension with coil springs over shocks
 Multilink independent rear suspension
 Power rack-and-pinion steering

EXTERIOR

Autolamp automatic on/off headlamps with delay
 Body-color door handles
 Fog lamps
 Light-Emitting Diode (LED) taillamps
 Lincoln waterfall grille
 Power, heated, chrome-capped sideview mirrors with security approach lamps, memory and auto-dimming driver side
 Quad-beam halogen headlamps with Autolamp
 Rear-window defroster
 Reverse Sensing System
 Solar-tinted glass
 Speed-sensitive windshield wipers
 Length 190.5"
 Wheelbase 107.4"
 Width (excluding mirrors) 72.2"
 Width (including mirrors) 80.1"
 Height 57.1"

INSTRUMENTATION/DRIVER CONTROLS

Auto-dimming rearview mirror with compass and microphone
 Power windows with global open and one-touch-open/-close for driver and front passenger
 Steering wheel-mounted cruise and secondary audio controls
 Universal Garage Door Opener
 White LED-backlit instrument cluster with speedometer, tachometer, fuel level gauge, coolant temperature gauge and message center

¹Under normal driving conditions with routine fluid and filter changes.
²Always wear your safety belt and secure children in the rear seat.

INTERIOR

Accessory timed delay
 Dual-zone Electronic Automatic Temperature Control
 Front center floor console with adjustable armrest and two-tiered storage
 Genuine wood accents in Figured Maple or Ebony on the instrument panel and door trim
 Illuminated entry with theater-dimming feature
 Leather-wrapped shift knob
 Leather-wrapped steering wheel with genuine wood accents in Figured Maple or Ebony
 Power door locks
 Remote, power decklid release
 Tilt/telescoping steering column
 Head room (front/rear) 38.7"/37.8"
 Shoulder room (front/rear) 57.0"/55.6"
 Hip room (front/rear) 54.0"/53.6"
 Leg room (front/rear) 42.3"/36.5"
 Passenger volume 98.4 cu. ft.
 Cargo volume 15.8 cu. ft.
 Total interior volume 114.2 cu. ft.

SEATING

5-passenger seating
 10-way power driver seat with power lumbar and memory feature
 10-way power front-passenger seat with power lumbar
 Premium, perforated leather-trimmed seating
 Heated and cooled driver and front-passenger seats
 60/40 split-folding rear seat with center armrest and 2 cupholders

AUDIO/COMMUNICATION SYSTEMS

Premium AM/FM audio system with 6-disc in-dash CD changer, MP3 capability, 6 speakers and speed-compensated volume control
 Auxiliary audio input jack in front center floor console
 Lincoln SYNC™ voice-activated, in-vehicle communications and entertainment system
 SIRIUS Satellite Radio, including SIRIUS Satellite Radio receiver, low-profile antenna, and 6-month complimentary subscription to SIRIUS

SAFETY/SECURITY

Personal Safety System® with dual-stage front airbags² for driver and front passenger, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, crash severity sensor, restraint control module and Front-Passenger Sensing System
 AdvanceTrac® electronic stability control
 Belt-Minder® front safety belt reminder
 Child-safety rear door locks
 Emergency glow-in-the-dark, in-trunk release handle
 Front-seat side airbags²
 Integrated keyhead transmitter remotes (2)
 SecuriCode™ next-generation keypad
 Lower anchors and tether anchors for child-safety seats (LATCH)
 Perimeter anti-theft system
 SecuriLock® passive anti-theft ignition system
 Side-curtain airbags² with roll-fold technology
 Side-intrusion door beams
 Tire Pressure Monitoring System (excludes spare)
 Traction Control

Ford Credit FORD CREDIT Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at fordcredit.com.

FORD MOTOR COMPANY INSURANCE SERVICES Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1.877.367.3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

FORD EXTENDED SERVICE PLAN For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

FORD CUSTOM ACCESSORIES Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 36-month/36,000-mile New Vehicle Limited Warranty. Contact your local Lincoln Mercury Dealer for details and a copy of the limited warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. Contact your Lincoln Mercury Dealer for details regarding the manufacturer's limited warranty and/or a copy of the FLA product limited warranty offered by the accessory manufacturer.

Complimentary maintenance makes driving your Lincoln even more of a pleasure. Simply bring it to an authorized Lincoln service center, and scheduled maintenance will be performed at no charge throughout your first year of ownership or 15,000 miles, whichever comes first. Additional peace of mind comes from a 4-year/50,000-mile bumper-to-bumper New Vehicle Limited Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile powertrain limited warranty which features no deductible and is fully transferable. And Roadside Assistance for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details on all of these privileges.
