Quality

SMARTGAUGE WITH ECOGUIDE

Next-generation SmartGauge® with EcoGuide is a unique instrument cluster giving hybrid owners a more connected driving experience by coaching them to maximum efficiency.** Fuel and battery-power levels, along with average and instant fuel economy, are among the data available.

**EPA-estimated rating of 44 city/41 hwy/42 combined MPGe. MPGe is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation. Actual mileage will vary.

Smart

Did you know? Ford Fusion Hybrid features a state-of-the-art lithium-ion battery that helps the car deliver 188 combined horsepower and give customers powerful performance.
