THE RC F FINAL EDITION

Limited to just 185 units in the continental United States, the 2025 RC F Final Edition celebrates the passion we put into every driver-inspired Lexus. Beyond its track-proven components, its powerful V8 engine and rear differential have been refined by the hands of our master engineers to optimize performance and response. Four curated colors and carbon fiber exterior components give it a presence like no other. And its race-inspired interior delivers a deeper connection to every drive.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly.
