2006 Lexus SC Pebble Beach Edition

Stunning. Unique. Timeless. All are adjectives suitable for describing the natural beauty of Pebble Beach. Such words are apt, as well, for the automobile it inspired: the 2006 Lexus SC Pebble Beach Edition, created to commemorate our partnership with Pebble Beach Resorts. Only 500 models of this limited edition are available,* in a unique color combination. But perhaps the real beauty of this remarkable automobile is its ability to hide the roof in the confines of its trunk, while still leaving enough room for a full-size golf bag!† The entire list of its attributes is long and impressive, so we invite you behind the wheel to enjoy, at your leisure, each and every remarkable detail. We think you'll find the experience as glorious as the place that inspired its design.

Exclusive to this limited edition is a color combination unavailable elsewhere in the Lexus lineup: Tigereye Mica with Camel leather interior. Special Pebble Beach badging on the front fenders, center console and floor mats also distinguishes this model from its SC brethren. We've even designed a two-piece set of luggage to match the paint and leather, and sized it to custom-fit the trunk. Because an automobile this stunning should encourage your departure for equally spectacular destinations.

The SC is available for test drives along the scenic 17-Mile Drive. So no matter what happens on the course, you can be assured of some of your best driving yet.
