

ISUZU

ULTIMATE CRAFT BEER TRUCK

**WEEKDAY DELIVERY WORKHORSE
& WEEKEND PARTY WARRIOR**

2 TRUCKS IN 1

- Weekday Workhorse – The Isuzu NRR and the Summit refrigerated body are the perfect combination for delivering your product, whether kegs, bottles, or cans.
- Weekend Party Machine – Yes, the Isuzu Ultimate Craft Beer Truck has eight taps and is easy to park. It also provides ample shade with its electric awning in the daytime and, with its LED lighting, keeps the party going into the night.

STRONG AND HOPPY

- The NRR's 19,500-lb. GVWR provides the strength needed for heavier payloads. Combined with the body, the payload is over 6,000 lbs.
- Isuzu's 5.2-litre turbocharged diesel engine generates 215-hp and 452-lb.-ft. of torque. The powerful and efficient design gives you plenty of hops to meet driver demand.
- The Maxon TE-25L liftgate has a pallet-sized platform (48" x 80"), with a 2,500-lb. capacity for lifting your pallet and jack with ease!

EASY-TO-DRIVE AND NO CDL REQUIRED

- The Isuzu N-Series provides flexibility with your staff; drivers are not required to have a CDL to operate.
- Maneuverability and driving visibility make Isuzu N-Series trucks easier to drive.
- These trucks navigate tight quarters, like alleys and smaller parking spaces, for easier deliveries. This means less three-point turns and therefore less driving time compared to conventional cabs.

BREWED FOR THE LONG TERM WITH LESS EXPENSE

- Isuzu's low cost of ownership is built on quality, durability, fuel efficiency, and a robust warranty.
- NRR's 5.2-litre diesel engine has a 375,000-mile B-10 rating. In short, this means the powertrain is built to keep you on the road for more uptime, keeping your truck at the center of your profitability.

A BODY BUILT TO WORK AND TO PARTY

- The 16-ft. Summit Refrigerated Van body is cooled with a Thermo King T-690 MAX refrigeration unit with electric standby to keep your beer cold, night and day!
- A dual-gas system allows you to pour CO2 or N2 infused beers through its 8 taps, allowing you to optimize your offerings.
- Serving draft or from bottles and cans is a breeze. The Bomber Door provides easy access to your bottles and cans. While the 8-tap system, lets you pour with ease.
- The integrated glass rinser lets you pour into a fresh glass each pour and drains with the tap drain into a 15-gallon waste tank so there's no need to dump waste buckets after last call. Simply close the locking tap door, retract the awning, put away your supplies, and hit the road. No fumbling with jockey boxes and coolers, just quickly dismantle and go when the party is over!

STAND OUT FROM THE MUNDANE

- With its unique build, the Isuzu Ultimate Craft Beer Truck quickly grabs attention and your branded graphics will give your brewery visibility at every turn.
