PLYMOUTH COLT

On the cover: Colt GT with Performance and Sport Appearance Packages, shown in Bright Red.

Colt GL, shown in Medium Blue.

About this catalog: We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

"...an exceptionally refined and appealing car..."

—AUTOMOBILE MAGAZINE—

Plymouth Colt... the inside track

The Colt GL interior, shown in Dark Blue, features comfortable low-back cloth and vinyl reclining bucket seats, cargo area carpeting, remote fuel filler door and hatchback releases, and electric rear window defroster, all standard. All Colt models have features and conveniences such as a center console with storage area, front automatic passive restraint system, inside hood release, and side window demisters.

The Colt GT interior, shown in Dark Red, includes the comfort of full-face cloth front low-back reclining bucket seats and complete cargo area carpeting. Standard amenities just begin

with an underseat storage tray, door map pockets, and a movable rear security panel. To accommodate a wide variety of passenger and cargo combinations, all Colts have **standard fold-down split rear seatbacks.**

Tilt/telescoping steering wheel allows a wide variety of movements for comfortable driving positions, included on the Colt GT with Performance Package.

Easy-touch air conditioning system lets you keep your cool, available on all Colt models.

AM/FM stereo radio with electronic tuning available for all Colt models; four-speaker sound available on Colt and Colt GL; six-speaker sound on Colt GT.

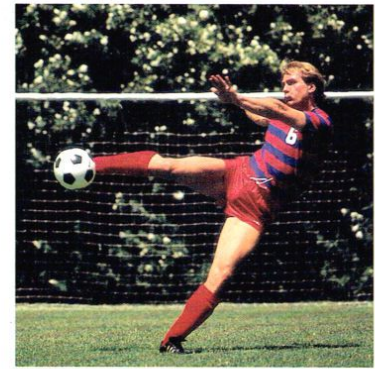

AM/FM electronically tuned stereo radio includes cassette tape player. Available on Colt GL and GT; four-speaker sound available on Colt GL; six-speaker sound on Colt GT. Not available on base Colt.

Three-speed automatic transaxle, available on Colt GL and GT, provides smooth and effortless shifting.

Plymouth Colt... three great performers

Kick back and discover the outstanding versatility and exceptional value of the new 1990 Plymouth Colts. From practical to

powerful, distinctive front-wheel-drive Plymouth Colt three-door hatchbacks satisfy every import driver's needs. Sporty **Colt GT** is a fun-to-drive car that delivers high style without a high price. For an extra performance kick, the available

Kicks

Performance Package includes a powerful 1.6-liter 16-valve DOHC MPI (dual overhead cam multipoint fuel-injected) engine, a quick-reflex sport suspension, four-wheel disc brakes, and much more. An available **Sport Appearance Package** further enhances its head-turning aerodynamic shape. **Colt GL** makes your drive time a great time with its peppy 1.5-liter MPI engine. Attractive wide-and-low styling, room for five passengers and cargo, and road-hugging stance make it a proven standard for comfort and dependable driving. **Plymouth Colt** is as economical as it is practical. The perfect choice for first-time buyers, commuters, and on-the-go families.

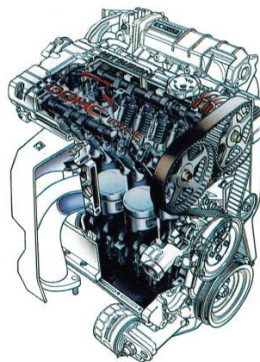

Colt GT,
shown in White.

Colt GT's wraparound back-glow instrument panel, shown in Dark Red, includes standard trip odometer, large easy-to-read analog gauges, new tachometer, and warning lights for engine, oil pressure, low fuel, alternator, parking brake, and door ajar. (Bi-level heater and ventilation system is standard on all Colt models.) Rear window wiper/washer offers convenience and safety by keeping snow and rain away from a clear view. Optional on Colt GL and GT, not available on base Colt.

Colt GT's 1.6-liter 16-valve DOHC MPI engine features four valves per cylinder and a crossflow design, with intake and exhaust ports on opposite sides, to increase the flow of air and fuel for greater power and torque. Sequential multipoint fuel injection, with an injector for each cylinder, provides outstanding response with good fuel economy and smooth low-speed operation. (Available in the Performance Package.) All Colts feature a standard responsive 1.5-liter MPI engine (not shown) that delivers optimum fuel efficiency and smooth, consistent performance. A long-lasting stainless steel exhaust system is standard on all Colts.

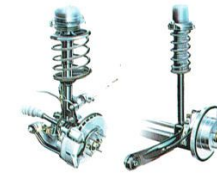

Power-assisted four-wheel disc brakes are front-ventilated for increased fade resistance and improved stopping ability. (Included in the Performance Package.)

Front Rear

GT sport suspension was specifically designed for precise cornering and more responsive handling. It combines position-dependent shock absorbers with a liquid sealed lower-arm insulator at the front, and gas shock absorbers at the rear. Efficient high-speed maneuverability is achieved with stiffer front and rear springs. (Included in the Performance Package.)

NOTE: Due to printing limitations, the colors shown will vary slightly from actual hues. See your Plymouth dealer for actual color chips.

The name Plymouth will always stand for quality, plenty of standard features, and honest value. But today, car shoppers have a lot of choices. So we'd better have some darn good reasons for you to pick the new Plymouth...and we do. Plymouth Colt three-door for the '90s means contemporary styling, advanced technology, solid dependability, and safety-minded engineering innovations such as automatic passive restraint systems, and bumpers that exceed the federally mandated impact standards.

Our commitment to our customer is underscored by the latest J. D. Power survey,* which put Chrysler Motors ahead of all other domestic manufacturers in Customer Satisfaction for the third year in a row. Even more satisfying, Plymouth's full line of vehicles increased its ranking more than any other brand, import or domestic. Plymouth believes every American has the right to friendly treatment, honest service, and competent repairs. That's the mission of our 3/36 Bumper-to-Bumper Limited Warranty, and it's part of our Corporate philosophy. So, while there are many cars you could choose to own, Plymouth for 1990 has more of what you're looking for.

*J.D. Power and Associates 1989 passenger car Customer Satisfaction Index of 1988 models.

Protection

Colt three-door hatchbacks built by Mitsubishi Motors Corporation and imported for Plymouth are covered by a three-year or 36,000-mile basic car bumper-to-bumper limited warranty (excludes adjustments, tires, wear items and maintenance). There is additional warranty coverage on power train components (three-years or 50,000 miles); plus outer panel rust-through protection (seven years or 100,000 miles). No deductible applies. Restrictions apply. See your dealer for details and a copy of the limited warranty.

If replacement parts are needed, visit your dealer for genuine Mitsubishi parts, imported and distributed by MOPAR.

Optional Chrysler Service Contract

Additional peace-of-mind protection for Plymouth Imports is available through Chrysler Service Contracts. The Contracts are available in a variety of time and mileage combinations to meet your needs.

These contracts provide additional time and mileage coverage after the limited warranty expires. Towing and car rental allowances are included. See your dealer for details.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Motors Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

Chrysler Credit Financing

Chrysler Credit offers a variety of finance programs that will help make your new vehicle even more affordable. These special finance and leasing programs are designed to meet the needs of today's automotive buyer. They include...Gold Key Lease, America's Choice Payment Plan, College Graduate Plans, Retail Financing, and more. Ask your salesperson for details.

Chrysler Purchase Assistance Program For The Physically Challenged

Cash reimbursements of up to \$500 are available for qualified adaptive driving devices on 1990 Chrysler Motors cars and trucks. For further information, contact your dealer or the PHYSICALLY CHALLENGED RESOURCE CENTER AT 1-800-255-9877.
