

14EDGE

Go Further

Efficiency. Performance. Sophistication.

The 2014 Edge is an amazingly capable 5-passenger crossover that's designed to deliver it all – in head-turning style. Equipped with our turbocharged, direct-injection 2.0L EcoBoost® engine,¹ Edge has a rating of 6.6L/100 km (43 mpg) hwy and 9.9L/100 km (29 mpg) city.² The 2.0L also provides plenty of low-end torque for acceleration and passing. With its standard 285-hp 3.5L Ti-VCT V6, Edge has a rating of 7.3L/100 km (39 mpg) hwy and 11.1L/100 km (25 mpg) city.² Plus, the 3.5L and Trailer Tow Package¹ with trailer sway control can help you tow up to 3,500 lbs. (1,588 kg)³ with confidence. For an exhilarating 305-hp 3.7L Ti-VCT V6 engine, you'll want to choose Edge Sport. 3 smart engines. 4 striking models. All-wheel drive.¹ Or front-wheel drive. And all sorts of technology. It's all up to you.

¹Available feature. ²FWD. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings. ³When properly equipped.

2.0L ECOBOOST¹

6.6 L/100 km (**43** MPG) HWY²
9.9 L/100 km (**29** MPG) CITY²

3.7L Ti-VCT V6¹ | **280 LB.-FT.** | **305 HP**

3,500 LBS.

MAX. TOWING³

Limited. Tuxedo Black Metallic. Available equipment.

Technologies designed to help you drive smart.

When you choose adaptive cruise control and collision warning with brake support¹, Edge can not only maintain your choice of 4 preset gaps from the vehicle in front of you, it can also alert you to potential collisions. If one is detected, the system flashes a warning across your windshield, sounds an alarm, pre-charges the brakes and increases brake-assist sensitivity to provide full responsiveness when you do brake. For more help manoeuvring, there's BLIS[®] (Blind Spot Information System) with cross-traffic alert¹. BLIS helps by using amber lights in the sideview mirrors² to alert you to vehicles it detects in your blind spots. When backing out of a parking space or your driveway, cross-traffic alert can detect vehicles approaching from either side. It alerts you using the same amber lights, plus a warning sound and a message centre notice. When you shift into Reverse, a rear view camera¹ can also show you what's behind the vehicle. Drive informed in the 2014 Edge.

¹Available feature. ²BLIS replaces standard integrated blind spot mirrors. Driver-assist features are supplemental and do not replace the driver's judgment.

Limited. Sunset Metallic. Available equipment.

Luxurious amenities abound.

Perfect your driving position with 10-way power adjustment on the leather-trimmed, heated driver's seat – standard on Edge Limited and Sport. Then save it using the seat's memory feature, and you can adjust the standard tilt/telescoping steering column to match your driving style too. Standard steering wheel-mounted controls for the cruise, audio and vehicle menus let you make adjustments with both hands on the wheel. And you can encourage your fortunate guests in the back to stretch their legs and relax – taking full advantage of the generous leg room and reclining seat backs.

¹Available feature.

AUDIO SYSTEM FROM SONY^{®1}

PUSH-BUTTON START¹

10-WAY POWER HEATED FRONT SEATS¹

Limited. Charcoal Black leather trim. Available equipment.

Push-button ease opens up your cargo possibilities.

With its rear 60/40 split seat folded flat, the 2014 Edge offers 1,951 litres (68.9 cu. ft.) of cargo space for your latest finds. Opening the power liftgate¹ is as simple as pressing a button on your key fob. To close it, you can use the fob button or one inside the rear cargo area, where you'll also find buttons for our convenient EasyFold[®] rear seat back release.¹ Fold both sides of the seat back down for large objects. Or leave one side up, to carry cargo and passengers side by side. The fold-flat front-passenger seat¹ helps you transport items as long as 2.4 m inside the vehicle. Roomy storage pockets and bins. Plentiful powerpoints. Even a Cargo Management System¹ hidden beneath the rear cargo area floor. Every Edge is filled with features designed to help you make the most of your drive.

¹Available feature.

SEL. Deep Impact Blue Metallic. Charcoal Black leather trim. Available equipment.

Your touch and voice are its commands.

Voice-activated Ford SYNC^{®1} delivers hands-free calls, reads your text messages aloud, and plays your music in response to simple voice commands. Once paired with your phone, it can download your contacts and play Bluetooth[®]-streaming music. Or, plug in your MP3 player, USB or iPod[®] to listen to your favourite artist or podcast. Just touch a button on the steering wheel and say things like "Call: The office" or "Play genre: Rock." SYNC also includes 911 Assist[®] with GPS location reporting. Choose SYNC with MyFord Touch^{™1} for an 8" colour LCD touch screen, a media hub with 2 USB ports, an SD card reader, audio/video input jacks and much more. Then, upgrade to the voice-activated Navigation System² for interactive maps you can zoom and scroll, complete with 3D landmarks.

With SiriusXM[®] Satellite Radio,² you can listen to your favourites all across Canada. Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment.

¹Available feature. Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. SYNC with MyFord Touch voice recognition and screens available in English, French and Spanish. Some features may be locked out while the vehicle is in motion. ²Available feature.

Limited. Charcoal Black leather trim. Available equipment.

Advanced systems ease your day.

You can proceed confidently in Edge, thanks to smart standard features like AdvanceTrac[®] with RSC[®] (Roll Stability Control[™]). When you encounter wet or slippery conditions, it automatically enhances vehicle control to help you keep all 4 wheels firmly planted.¹ The standard sideview mirrors include integrated blind spot mirrors that help alert you to other vehicles and objects nearby so you can avoid them. Our advanced Personal Safety System[™], front-seat side airbags and Safety Canopy[®] System are all standard as well. You can even set the rain-sensing windshield wipers² to operate automatically whenever moisture is detected. For a comprehensive list of Safety & Security features on the 2014 Edge, simply turn the page.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Available feature.

Our commitment to you: Peace-of-Mind Protection

- Basic Coverage: 3 years/60,000 km
- Powertrain Limited Warranty: 5 years/100,000 km
- Corrosion Warranty: 5 years/unlimited distance
- Roadside Assistance: 5 years/100,000 km

Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit ford.ca.

Ford Extended Service Plan. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your Ford of Canada Dealer for details. □ **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca. □ **Genuine Ford Accessories.** Ford of Canada warrants that its authorized Dealers will repair or replace any Genuine Ford Accessory that is properly installed by the authorized Dealer that sold the accessory and found to be defective in factory-supplied materials or workmanship. The accessory will be warranted for whichever provides you the greatest benefit: 12 months/20,000 km (whichever occurs first), or the remainder of your 36-month/60,000-km (whichever occurs first) Basic Coverage in the New Vehicle Limited Warranty. Contact your local Ford of Canada Dealer for details. □ **Ford Licensed Accessories (FLA)** are warranted by the accessory manufacturer's limited warranty. The warranty coverage will vary by accessory manufacturer. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details regarding the accessory manufacturer's limited warranty and/or for a copy of the FLA product limited warranty offered by the accessory manufacturer. □ **For prompt, courteous answers to your questions: Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre 1-877-636-7346.**
