

THE LINCOLN MOTOR COMPANY

## The New 2015 Lincoln Navigator

Coming Summer 2014. Pre-production model shown. Available equipment.

As powerful as it is beautiful, and as spacious as it is capable, the new 2015 Lincoln Navigator is refreshed to take on even more. A new flowing interior design with a tastefully refined instrument panel puts everything within reach. A newly designed steering wheel fits comfortably within your grasp. And luxurious leather seating with Tuxedo striping, and Ziricote wood accents<sup>1</sup> add to an already rich design.

Pre-production model shown. Available equipment.  
<sup>1</sup>Available feature.

**Providing with prestige.**

**THOUGHTFUL IN DESIGN.**

Navigator extends a gracious welcome, day or night. Even before you open the door, it casts an inviting LED welcome mat on the ground to illuminate your path. Inside, emotive ambient lighting – customized to your mood – gives front cupholders, footwells and the front console a warm glow that shows that we are thinking of you and every one of your passengers.

**CONFIDENTLY POWERED.**

With Navigator, fearless performance is a forte. Its twin-turbocharged engine with 420 lb.-ft. of torque<sup>1</sup> effortlessly accelerates you forward. The adaptive suspension<sup>2</sup> has 3 unique drive modes – Comfort, Normal or Sport – so you can change your drive to match your driving style and the roads. And, to give you even more, it comes in a longer-wheelbase Navigator L series.

**REFRESHED AND REFINED.**

Signature Lincoln style cues, like a split-wing grille, full-length taillamp bar and two-tone color scheme,<sup>2</sup> reflect its forward thinking from every angle. Unique 22" wheels<sup>2</sup> add grace and beauty with elegance. This is the new definition of luxury.

Pre-production model shown. Available equipment.  
<sup>1</sup>Preliminary Ford data. Figures achieved using 93-octane premium fuel. <sup>2</sup>Available feature.

#### ALWAYS IN TOUCH.

A signature 8" color LCD screen with MyLincoln Touch™<sup>1</sup> connects you to your world. Voice recognition makes communication easy – from wherever your travels take you. And a beautifully designed console adds to the already graceful interior.

#### PROTECTIVE BY NATURE.

Today, features like Lincoln Drive Control<sup>2</sup> and standard BLIS® (Blind Spot Information System) mean the difference between helping you stay the course and navigating it with ease. And 6 airbags help protect you even more.

Pre-production model shown. Available equipment. Driver-assist features are supplemental and do not replace the driver's judgment. <sup>1</sup>Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. <sup>2</sup>Available feature. <sup>3</sup>Optional. Includes body-color lower bodyside trim.
