VEHICLES SHOWN WITH OPTIONS. 1. Tire life may be substantially less than mileage expectancy, depending on driving conditions. 2. This floor liner/mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner/mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat/liner. 3. For accessories purchased at the time of the new vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles, from the vehicle's in-service date, which is the same coverage as the new vehicle Basic Warranty. For accessories purchased after the new vehicle purchase and installed by a Lexus dealer the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus accessory limited warranty or documentation that accompanies accessory purchase for coverage and conditions. 4. Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. 5. Genuine Lexus Paint Protection Film by 3MTM is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. 6. Do not overload your vehicle. See Owner's Manual for weight limits and restrictions. 7. Ball mount, trailer ball and tow hitch sold separately. Please consult your Lexus dealer or Owner's Manual for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any weight ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with the new SAE J2807 method. 8. Headphones are for passenger use only. 9. Not available on LC-CV.
