

White Lightning

New Laser Turbo

For a new brand of excitement, feast your eyes on the Laser Turbos. They've got all the attributes that have made Laser Australia's top-selling small car, plus a lot of extra performance and improved handling to go with it.

Their turbo-charged 1.5 litre engines develop a very hefty 78 kW at 5400 rpm and 157 Nm of torque at 3200 rpm.

They handle with the surefootedness of Pirelli P6 radials, up-rated coil springs, gas shocks and front and rear anti-sway bars. Re-calibrated front and rear brake balance takes advantage of these features. And inside, there's more excitement.

Recaro front seats provide the support this kind of driving demands. There is sports instrumentation and an individually numbered plaque on each Laser Turbo dash.

- Turbocharger, IHI RHB52
- Pirelli P6 tyres
- Alloy wheels, 14 x 5 1/2 JJ
- Up-rated coil springs
- Front and rear anti-sway bar
- Gas shock absorbers
- Recaro front seats
- Tinted side and rear glass
- Special white exterior paint treatment
- Front and rear spoilers
- Sports instrumentation
- Driver's footrest
- Numbered Laser Turbo plaque on dash
- Available in 3-door configuration with black check interior trim or in a 5-door with blue interior trim.

Ford Australia-We're moving with you.

About this brochure. This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheets. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at their discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser. The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
