

CHRYSLER

## 2004 CHRYSLER SEBRING CONVERTIBLE

Sun's out. Let it in. Feel the heat, the wind in a drop top that thinks it's a precision-tuned sports car. A stylish rethink of the classic cabriolet.

The road is open. The top is down. Enjoy. Sebring.

See how Chrysler Sebring Convertible blends performance and personality.

## SEBRING CONVERTIBLE FEATURES

### CONVERTIBLE TOP

Choose cloth or vinyl and you'll have a power convertible top that can be lowered in about seven seconds so you can find the sky. And if it's not top-down weather, no worry. The Sebring Convertible is a 365 day a year vehicle.

Once you have the top down, Sebring's precision-fitted top boot is simple to install if you desire. And its strong hook-and-loop fasteners keep it in place even at interstate speeds, protecting the top and the glass window.

### AUTOSTICK

A four speed automatic transmission puts added performance and control in your hands. AutoStick® is available on Limited and lets you shift manually through gears with a touch of your hand, or cruise effortlessly with the four-speed automatic.

### AIR BAGS

Next Generation multistage driver and front passenger air bags\* inflate with forces appropriate to the severity of impact.

\*Always use seat belts. Remember, a back seat is the safest place for children 12 and under.

### ENGINES

With the 2.7-liter double overhead cam 24 valve V6 engine (standard on GTC®, Touring and Limited, (shown at right), Sebring Convertible is more than just a pretty face. Its awesome power plant kicks out 200 horsepower, while providing an estimated 21/28 (city/highway) miles per gallon.

The 2.4-liter, 16-valve, four-cylinder 150 horsepower engine (standard on Sebring) delivers plenty of zesty propulsive fun while getting 22 mpg in the city and 30 mpg on the highway.

7-year or 70,000-mile limited warranty\* on the powertrain, the hardest working parts of our vehicles. And that's in addition to our 3-year or 36,000-mile basic limited warranty.

It even includes towing assistance† for the full 7/70. Another nice thing: since it's transferable, it can add extra value at trade-in time.

\* See dealer for a copy of this limited warranty. Transferable to second owner with fee. A deductible applies.

† Administered by Cross Country Motor Club, Inc., Boston, MA 02155.

## SEBRING CONVERTIBLE CONVENIENCES

\* Properly secure all cargo

### SEATING

With plenty of room for four adults and their luggage, it's clear that Sebring Convertible was built for relaxing journeys. Sebring's interior trim choices (leather shown) provide comfort and style. A six-way power driver's seat with reclining seatback is standard on Touring and Limited, optional on Sebring and GTC®.

The Touring and Limited also offer heated seats available with the Luxury Group.

### ANALOG GAUGES

With perfectly placed, easy-to-read electroluminescent analog gauges standard on Limited, you'll appreciate an instrument panel that's as functional as it is beautiful. Sebring, GTC® and Touring feature instrument clusters that match their unique styles.

### TRAVELER'S DISPLAY

The Traveler's display provides you instant data, including compass reading, fuel economy and outside temperature (standard on Touring and Limited).

### AUTO-DIMMING MIRROR

An available auto-dimming mirror automatically dims the reflected glare of a following vehicle's lights (Available on Touring with Luxury Group and standard on Limited).

### SOUND SYSTEMS

Combine superior componentry with the exceptionally quiet interior of Sebring Convertible and you'll be surrounded with beautiful sounds.

An AM/FM stereo radio and CD player with CD changer controls and 6 speakers is standard on all models.

An AM/FM stereo radio with cassette and CD player with CD changer controls and 6 speakers is available on Sebring Convertible.

An AM/FM stereo radio with cassette, CD changer controls, in-dash 6-disc CD changer and 6 speakers is available on GTC®, and included as part of the optional Luxury Group on Touring, and Limited.

Infinity speakers with a 150-watt amplifier is optional on Touring and GTC® and standard on Limited.

Touring and Limited also feature steering wheel-mounted audio controls standard with leather-trimmed seating.

### HOMELINK®

The available HomeLink® Universal Transceiver operates the garage door as well as home security lighting and security gates (available on Touring and Limited with Luxury Group).
