Interior

- Expandable trunk added to SR5 Hardtop for increased space-efficiency in the cargo/back seat area. This feature allows the rear seats to be folded down, opening up the trunk to carry long objects.

- Automatic Locking Seat Belt Retractor fitted on outboard rear seats to simplify installation of child restraint seats.
- Revised driver seat-to-steering-wheel relationship creates more knee and thigh space for larger drivers.

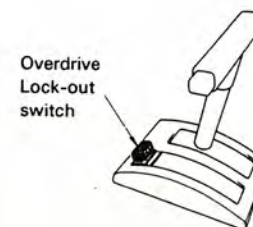

Mechanical

- 4-Speed Automatic Overdrive option is available on Hardtop SR5 models with the Overdrive lock-out switch conveniently located on the shift quadrant. This technically innovative, highly efficient Toyota transmission reduces engine wear and noise for comfortable cruising.
