STARLET

STARLET MODEL LINE-UP

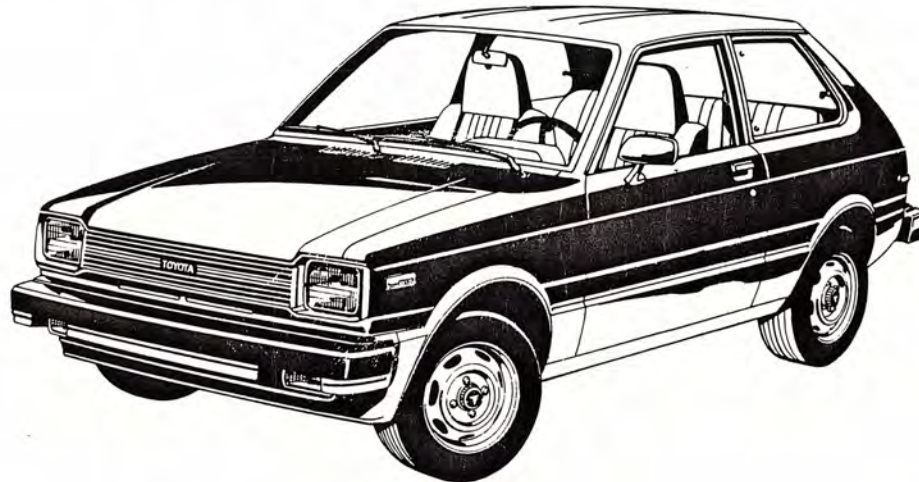

1981 & 1982

3-Dr. Liftback S

TRANSMISSION:

5SM

Starlet, the EPA's 1981 gas mileage champ will continue into 1982 as Toyota's "total economy" image leader, with a top EPA rating. Starlet will continue to stand out in the mini-compact segment as an award-winning, fully equipped, yet affordable means of dependable basic transportation.

MAJOR ADDITIONS/CHANGES

Exterior

- Tinted glass is now standard to lower glare, lessen the solar load on interior and occupants and keep the interior and passengers cooler.
- Rear window defogger is now standard.
- Newly designed rear deck emblem. (Starlet now spelled out using lower case letters).

TOYOTA starlet

STARLET - (Continued)

Interior

- Standard Day/Nite Rear View Mirror lowers night-time glare for the Starlet driver.
- Automatic Locking Seat Belt Retractor fitted on outboard rear seats to simplify installation of child restraint seats.
- The optional All Weather Guard package is upgraded with new internal heating ducts to direct warm air from the heater to the rear seat passengers.

Mechanical

- A revised ignition system improves the idling characteristics of the Starlet.

Options (Factory-Installed)
