

2012 GMC TERRAIN

WE ARE PROFESSIONAL GRADE

GMC

2012 GMC TERRAIN

DON'T SETTLE FOR LESS.

The Canadian-built 2012 GMC Terrain is all about one thing: giving you more. Like more standard horsepower than the Ford Escape, Dodge Journey and Hyundai Santa Fe.* Plus better fuel efficiency, both in the city and on the highway.** And that's just for starters. Terrain also gives you more broad-shouldered style. More advanced powertrain technology, like a choice of two direct-injected engines, both paired with a fuel-saving six-speed automatic transmission. More up-to-the-minute features, including a standard rear vision camera. Terrain even gives you more protection in the form of the best coverage in Canada, including a five-year/160,000-kilometre powertrain limited warranty. It's also comforting to know that Terrain is a winner of a *Consumers Digest* Best Buy Award and a 2011 Top Safety Pick by the Insurance Institute for Highway Safety (IIHS)†. Terrain. Because you deserve more.

* Based on latest 2011 model year competitive information available at time of printing.

** 2012 GMC Terrain FWD, equipped with standard ECOTEC® 2.4L 4-cylinder engine, fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Competitive fuel consumption ratings based on Natural Resources Canada's 2011 Fuel Consumption guide. Your actual fuel consumption may vary.

† For more information, visit iihs.org/ratings

TERRAIN SLT-2, shown in Carbon Black Metallic, available at extra cost.

DESIGNED TO A HIGHER STANDARD.

Visually, the Terrain cabin showcases the best in contemporary design, with clean lines, refined shapes and premium textures. There's also an abundance of space here, so five adults can ride in comfort, even on longer journeys. Your long-legged passengers will particularly appreciate Terrain's Multi-Flex® rear seat, which slides forward and back up to 200 mm (7.9 in.). Climate

control and a standard air filtration system help everyone breathe easy, and cupholders are conveniently positioned in the centre console, doors and rear centre armrest. Terrain is also designed for the unique requirements of modern life, with no fewer than four 12V power outlets for powering mobile phones, laptops and other electronic necessities.

FUNCTIONAL STORAGE

You'll find an ideal storage spot for virtually all your gear in your 2012 Terrain. There's an oversized glovebox, a closed compartment

above the audio system controls, a laptop-sized bin in the centre console and 2-tiered compartments in every door.

TERRAIN SLT-2 interior, shown with Light Titanium leather-appointed seating and available equipment.

TERRAIN SLT-2 interior, shown in Light Titanium with available equipment.

MORE SHEER DRIVING PLEASURE.

Why just endure your daily commute, when you could be enjoying it? Terrain's subtly-bolstered driver's seat strikes just the right balance of comfort and support, and the thick-rimmed wheel tilts and telescopes to help you find precisely the right driving position. Visibility is excellent in all directions. Terrain also has what it takes to keep you fully informed, with large, clear analogue gauges supplemented by a multi-function electronic Driver Information Centre. There's even an oil life monitoring system that may help save you money by reducing oil change frequency, protect your engine from premature wear and reduce your carbon footprint.

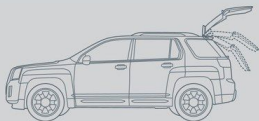

Every Terrain model comes with auxiliary sound system controls mounted on the steering wheel. You can make most adjustments to the system without taking your hands off the wheel – or your eyes off the road.

BRING IT.

With Terrain, transporting cargo of all shapes and sizes is a breeze. Behind the Multi-Flex® second-row seats there are almost 900 litres of space for groceries, luggage, sports gear, etc. When you have bulkier items to contend with, the rear seatbacks are a 60/40 split-folding design, so you can carry your cargo and up to two rear passengers at the same time. Or you can fold both seatbacks

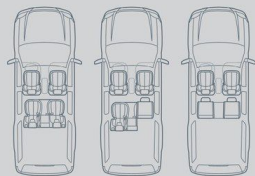

down and more than double the available cargo space, to a very accommodating 1809 litres. SLE-2 and SLT models also feature standard roof rails that make it easy to attach a variety of racks and cargo boxes. For even bigger challenges – hauling the boat or snowmobile up to the cottage, for instance – Terrain is rated to tow trailers weighing up to 1588 kg (3500 lb.), when properly equipped.

TERRAIN SLT-2, shown in Carbon Black Metallic, available at extra cost.

ITS ROAD MANNERS ARE IMPECCABLE.

Terrain blends the utility of an SUV with on-road dynamics that will please any enthusiastic driver. With a standard 182-horsepower direct-injected engine paired with a six-speed automatic transmission, Terrain's acceleration is spirited, to say the least. Its efficiency is impressive, too, with fuel consumption of just 9.2 L/100 km in the city and a mere 6.1 L/100 km on the highway.* Drivers looking for even more muscle will gravitate to the available direct-injected 3.0-litre V6, which puts out 264 horsepower and 222 pounds-feet of torque. A sophisticated four-wheel independent suspension and four-wheel disc brakes with ABS ensure that Terrain's handling and braking are a match for its engine performance.

* 2012 GMC Terrain FWD, equipped with standard ECOTEC® 2.4L 4-cylinder engine, fuel consumption based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

EQUIPPED TO KEEP YOU CONNECTED.

When it comes to entertainment, information and communication, Terrain gets straight "A"s. Bluetooth® mobile phone connectivity? It's here. CD stereo with MP3 playback, a colour touch-screen that features album art display, six speakers and a USB input port? Check. SiriusXM Satellite Radio™, with dozens of crystal-clear digital stations available from coast to coast? Absolutely. OnStar® with the Directions & Connections Plan with Turn-by-Turn Navigation** and OnStar RemoteLink™? Of course, and all that's just for starters. For those who demand even more electronic excellence, the options list includes a 250-watt, eight-speaker Pioneer® audio system (standard on most models), a DVD navigation system and a rear DVD entertainment system with dual LCD screens mounted in the front-seat head restraints.

01 Choose Terrain's available DVD navigation system and you may never get lost again. Key features include a 178-mm (7 in.) colour touch screen interface display. There's also an auxiliary audio input jack, full iPod® display and USB port.

02 Backing into tight parking spaces has never been easier than it is with Terrain's standard rear vision camera with display in the 7" colour touch-screen of the audio system. It also takes the stress out of hooking up a trailer.

03 The available rear DVD entertainment system includes twin seatback-mounted colour screens, auxiliary audio/video inputs for gaming systems, a 40-GB hard drive for downloading music files and time shifting.

**Visit onstar.ca for coverage map, details and system limitations. Services vary by model. OnStar® acts as a link to existing emergency service providers.

IT'S GOT YOUR BACK.

Think of Terrain as your high-tech, steel-and-glass bodyguard. It's equipped to help you avoid danger, with four-wheel disc brakes, a StabiliTrak® electronic stability control system and available intelligent all-wheel drive that makes the most of the available traction. It's on

your side if a crash can't be avoided, protecting you with six standard airbags and a sturdy steel safety cage around the passenger compartment. SLT models also offer the additional reassurance of available lane departure warning and forward collision alert. You

can even count on your new Terrain to look after you when the collision is over. OnStar®'s Automatic Crash Notification feature immediately informs a trained Advisor, who can then dispatch the emergency services you may need directly to your location.

PROTECTION ABOVE ALL.

For millions of people across North America, OnStar® is making driving safer, more convenient and more enjoyable. It's a revolution in driving, and it's standard on every Terrain, along with 6 months of the Directions & Connections Plan with Turn-by-Turn Navigation* and OnStar RemoteLink™. Check out some of the remarkable services OnStar® can perform for you.

STOLEN VEHICLE ASSISTANCE

OnStar® can help recover your Terrain if it's stolen. OnStar® can use GPS technology to locate your Terrain and track its movements. That information is relayed to authorities who can use it to recover your Terrain quickly and safely.

HANDS-FREE CALLING

In more and more jurisdictions, hands-free calling is the law. OnStar®'s built-in wireless calling feature makes it easy to make mobile calls legally. It also provides a convenient and reliable connection, even in areas where cellular reception is limited.

ONSTAR REMOTELINK™

RemoteLink™ places the power of OnStar® right in the palm of your hand. Whether you're across the street or across the country, RemoteLink™ gives you unparalleled control and unprecedented connectivity to perform a series of functions remotely from your iPhone® or select Android™ devices.

REMOTE VEHICLE DIAGNOSTICS

To help you keep your new Terrain in peak condition, OnStar® can automatically run hundreds of diagnostic and maintenance checks every month. You receive a finished report promptly via email.

AUTOMATIC CRASH RESPONSE

The moment built-in OnStar® sensors detect a collision, they automatically alert an OnStar® Advisor of critical details, such as the type and severity of the crash – and your exact location. The Advisor relays the information immediately to emergency responders, directing them to your location and preparing them for what to expect at the scene.*

TURN-BY-TURN NAVIGATION

OnStar®'s Turn-by-Turn Navigation is the most user-friendly navigation system available. You simply tell an OnStar® Advisor where you want to go. Clear, audible directions to your destination are then downloaded to your Terrain. Turn-by-Turn Navigation will even help get you back on track automatically if you take a wrong turn.

EMERGENCY SERVICES

Press the red Emergency button, and you'll get a priority connection to a specially trained Advisor who will contact the appropriate emergency provider and guide them right to your location.*

* Visit onstar.ca for coverage map, details and system limitations. Services vary by model. OnStar® acts as a link to existing emergency service providers.

TERRAIN MODEL OVERVIEW

Terrain is offered in a selection of four attractive models, all available with your choice of front-wheel or all-wheel drive. To help you find the one that's just right for you, some of the major features that differentiate one Terrain model from the other are listed below.

TERRAIN SLE-1

The following features are standard on Terrain SLE-1:

- 182-hp 2.4L DOHC I-4 ECOTEC® engine with Direct Injection and Variable Valve Timing (VVT)
- GM Oil Life Monitoring System
- Engine block heater
- 6-speed automatic transmission
- 4-wheel disc brakes with ABS, panic brake assist, hill hold assist and electronic brake pedal override
- StabiliTrak® electronic stability control system
- Traction control
- 4-wheel independent suspension
- Fog lights
- Projector low beam headlights
- 17" painted aluminum wheels
- Deep-tinted glass behind front doors
- Heated, power exterior mirrors, with integral blind spot mirror
- Rear vision camera
- Remote keyless entry system
- Content theft alarm and electronic immobilizer
- 6 airbags
- Driver Information Centre
- Compass

- Air conditioning with manual controls and air filtration system
- Ambient lighting on centre stack surround, centre console and cupholders
- Auto-dimming interior rear-view mirror
- Power windows and programmable door locks
- Power rear door child-security locks
- Tilt and telescopic steering column
- Cruise control
- Steering wheel cruise, Bluetooth® and audio system controls
- Reclining cloth front bucket seats with front centre console and armrest
- 4-way driver seat with manual fore/aft, power up/down and power lumbar adjuster
- 60/40 split-folding Multi-Flex® rear seats with the ability to slide 200 mm (7.9-in.) fore/aft and 3-position recline
- AM/FM stereo with CD player, 178 mm (7-in.) colour touch-screen display, MP3 playback, auxiliary audio input jack and USB port in centre stack
- 6-speaker, 80-watt sound system
- SiriusXM Satellite Radio™**
- Bluetooth® hands-free connectivity
- OnStar® with 6 months of the Directions & Connections Plan with Turn-by-Turn Navigation** and OnStar RemoteLink™.

TERRAIN SLE-2

Terrain SLE-2 models include the equipment of Terrain SLE-1 plus the following features and upgrades:

- Charcoal roof rack side rails
- Automatic climate control with air filtration system
- Leather-wrapped steering wheel
- Ambient lighting on instrument panel
- Premium cloth seating
- Power 8-way driver seat adjuster
- 8-speaker 250-watt premium Pioneer® audio system with subwoofer.

TERRAIN SLT-1

Terrain SLT-1 models include the equipment of Terrain SLE-2 plus the following features and upgrades:

- Remote vehicle starter system
- Tire pressure monitoring system
- Perforated leather-appointed seating surfaces
- Heated front bucket seats.

TERRAIN SLT-2

Terrain SLT-2 models include the equipment of Terrain SLT-1 plus the following features and upgrades:

- Ultrasonic rear parking assist
- Chrome grille
- Chrome door handles
- Chrome exterior mirror caps
- Chrome rear skid plate
- Chrome roof rack side rails
- 18" chrome-clad aluminum wheels
- Power sunroof
- Programmable power rear liftgate
- Ambient lighting on inside door handles and door storage pockets
- Memory setting for driver seat and exterior rear-view mirrors.

* Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit xmradio.ca for details.

** Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions.

THE FINAL TOUCH

To help you take the style and function of your new Terrain to an even higher level, there's a full range of genuine GMC accessories available exclusively from your GMC dealer. All GMC accessories are engineered to the same high standard as your Terrain, so their quality is assured. In fact, your GMC accessories can be covered under your Terrain's 3-year/60,000-km New Vehicle Limited Warranty.* When you purchase or lease your new Terrain your GMC accessories can also be included in your finance or lease agreement. To find out how you can add a finishing touch to your new Terrain, see your GMC dealer. Or visit gmc.gm.ca

* Whichever comes first, when permanently installed by the dealer at the time you purchased your new vehicle, or for the remainder of the New Vehicle Limited Warranty if installed after the time of your vehicle purchase, but no less than 12 months.

GMC ACCESSORIES AVAILABLE FOR TERRAIN INCLUDE:

- Premium all-weather floor mats
- Chrome door handles
- Moulded splash guards
- Chrome fuel door
- 19" chrome wheels
- Cargo area organizer
- Rear fascia protector
- Roof rack cross bars
- Trailer hitch
- Side-window weather deflectors.

TOWING

2.4L DOHC I-4 ECOTEC® VVT with Direct Injection and 3.23 (FWD) or 3.53 (AWD) axle ratio: 680 kg (1500 lb.) maximum gross trailer weight†

3.0L DOHC V6 VVT with Direct Injection and 2.77 axle ratio: 1588 kg (3500 lb.) maximum gross trailer weight†

Every Terrain model is flat towable.

† When properly equipped, includes weight of trailer, cargo, passengers and equipment. All towing recommendations are subject to change. Trailer tongue load should be 10% of the maximum trailer weight but should not exceed the load rating specified for that vehicle, engine or hitch combination. See your dealer or refer to the Terrain Owner's Manual for details.

PEACE OF MIND, STANDARD WITH EVERY GMC MODEL

When you build them with quality, you can back them with confidence. That's why General Motors of Canada backs every GMC model with the best coverage in Canada. Program highlights include:

- 3-year/60,000 km New Vehicle Limited Warranty*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge*
- 5-year/160,000 km Courtesy Transportation*
- 5-year/160,000 km 24/7 Roadside Assistance*
- 6-year/160,000 km rust-through perforation coverage*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs)*

*Whichever comes first. Conditions and limitations apply; see dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:**

‡ Subject to eligibility. †† Program subject to change. **Conditions and limitations apply.

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM website at gm.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this brochure including, but not limited to: General Motors, GM, GMC, Terrain and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as ECOTEC, Multi-Flex and StabiliTrak are trademarks of General Motors and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.
