

1988 PLYMOUTH/DODGE POLICE CARS

A Comforting Amount of Power...A Powerful Amount of Comfort.

Year after year, Plymouth Gran Fury and Dodge Diplomat continue to be among the top-ranked six-passenger police vehicles because of what amounts to a powerful combination of features: 5.2-liter V-8 performance; full-size room including generous legroom and headroom; full-size comfort and ride; trunk with generous cargo capacity; fuel economy† and economy of operation. Include the optional Police Package (Code AHB) to tailor this tough performer to handle any police fleet requirement.

The Police Package (Code AHB) includes: Special firm-feel, power-assisted steering for optimum control;* special

extra heavy-duty suspension package, designed for rugged police pursuit with front and rear antisway bars, heavy-duty front and rear springs, strut bushing and shock absorbers; TorqueFlite three-speed automatic transmission with lockup torque converter, wide-ratio design and engine-matched performance for economy. All this, plus Plymouth and Dodge quality and dependability, adds up to a powerful amount of reasons why Gran Fury or Diplomat should be your fleet choice.

†15 City EST MPG 19 Hwy. EST MPG. Use these EPA estimates to compare. Actual mileage will vary with options, driving conditions and habits and vehicle's condition. (California estimates may vary.)

*Includes oil cooler.

1988 DODGE/PLYMOUTH POLICE CARS

DODGE/PLYMOUTH OFFERS POLICE CARS FOR 1988!

DODGE AND PLYMOUTH OFFER A POLICE CAR FOR EVERY PURPOSE!

Chrysler Motors offers a police car to fit many aspects of police duty—full-size V-8 powered pursuit cars.

The Dodge Diplomat/Plymouth Gran Fury continue law enforcement tradition with full-size

roominess and full-house V-8's for tough pursuit jobs—in town and on the highway. A 5.2-liter 318 CID two-barrel is the standard Patrol V-8 engine. The four-barrel 5.2-liter Pursuit V-8 is optional. Both use heavy-duty internal parts, such as forged

steel connecting rods, special valve stem seals and chrome-faced piston rings for Chrysler's ultimate offering in high-rpm durability and high-mileage oil economy. Chrysler Police Duty V-8's: fast—and built to last.

DODGE/PLYMOUTH POLICE CARS HAVE THE RIGHT STUFF. THESE POLICE PACKAGE FEATURES ARE STANDARD:

DIPLOMAT/GRAN FURY POLICE PURSUIT FOUR-DOOR SEDAN

Engine—5.2-liter (318 CID) heavy-duty two-barrel V-8 is standard. Also, a 5.2-liter (318 CID) heavy-duty four-barrel V-8 is optional.

Transmission—Three-speed heavy-duty TorqueFlite automatic with column-mounted selector, auxiliary transmission oil cooler, and low-gear block out.

Suspension—Specially designed and engineered for pursuit work. Includes front and rear antisway bars, heavy-duty rear leaf springs, heavy-duty strut bushings, and heavy-duty 1½-inch diameter front and rear shock absorbers.

Brakes—Heavy-duty power-disc front with semimetallc pads; drum rear, 11-inch x 2.5-inch, with automatic brake adjusters; Dual master cylinder and single-diaphragm power booster.

Wheels—Heavy-duty 15-inch x 7.0-inch JJ.

Tires—P215/70HR15 Steel-belted radial-ply black sidewall performance police type. IMPORTANT NOTICE: ALL Dodge and Plymouth Police Car Packages feature special speed-rated steel-belted radial tires for safe and superior handling at speeds over 100 miles per hour. Non-speed-rated tires should not be operated at speeds over 100 mph. And, because the suspensions on Dodge and Plymouth Police Cars are designed for use with radial tires for optimum performance, bias and bias-belted tires are not recommended.

Steering—Special police firm-feel power steering (includes oil cooler)

Engine Radiator—Maximum cooling capacity

Fuel Tank—18-gallon

Alternator—120-ampere heavy-duty

Battery—625-ampere maintenance-free, long life

Battery Feed Wire—Eight-gauge for police accessories

Ignition—Electronic Chrysler system

Voltage Regulator—Electronic

Body—Reinforced front/rear structure with additional welding.

Front Seat—Heavy-duty cushion springs. Comfortable front bench seats with folding center armrests are available in cloth-and-vinyl and all-vinyl trim. Heavy-duty vinyl is available on a straight bench seat and on a heavy-duty 60/40 seat with center armrest and separate seat adjusters at extra cost.

SPECIAL-ORDER EQUIPMENT POLICE CARS

For agencies with needs extending beyond regular limited production options, Chrysler offers a group of the most popular special-order items. Because of their specialized nature, longer scheduled build times and minimum quantity orders are required. Accepting the special-order equipment exactly as listed in the chart enables Chrysler to speed delivery.

	Diplomat/ Gran Fury	Minimum Quantity Order
1. Special horn and switch wiring (for use with an agency-supplied single-pole, double-throw switch) to permit driver to select horn or siren operation from the steering wheel horn switch. Includes single wire routed to center of instrument panel for agency connection to siren control	E	5
2. Special instrument panel radio speaker with 3.2-ohm nominal voice coil impedance. Includes 36-inch lead wires attached to speaker	E	5
3. Special antenna cable RG58 A/U. Routed from a point approximately in the center of the roof panel down the right roof quarter to the luggage compartment. If an antenna roof hole is specified (Item 4, below), the cable will be routed through the hole and weatherproofed for shipping. If a roof hole is not specified, the cable will be coiled and taped to the underside of the roof	E	5
4. Special 0.81-inch diameter roof hole located on car fore and aft centerline near center of roof, approximately 40 inches to rear of upper windshield molding. This size fits many standard antenna bases	E	5
5. Oil pressure gauge—located in instrument cluster	E	5

E - Optional at extra cost.
