

04
MITSUBISHI GALANT

"We finally get a moment to ourselves
and he spends it looking at our car."

"Integrated fog lights, projector-style headlamps and
clean, sleek lines. We'll have to be careful driving home.
If the babysitter sees it, she'll charge us a fortune."

Galant LS with Diamond Package shown. Not all features standard on every Galant model. See specifications for details on optional equipment and accessories.

GO AHEAD, YOU DESERVE IT. But with the Galant's distinctive sport sedan design, oversized ellipsoid halogen headlamps and power sunroof with sunshade, no one said you wouldn't feel guilty.

"What's the hold up? I know it's comfy in there, but there is such a thing as fashionably too late."

"I'm surprised he can tear himself away from his V6 engine, 17" alloy wheels and dark chrome elliptical taillights. I've never seen anybody so excited to go to a 3rd-grade recital."

Galant GTS shown. Not all features standard on every Galant model. See specifications for details on optional equipment and accessories.

TAKE YOUR TIME. After you hear about the chrome tailpipe, integrated rear spoiler, wide door passage and the largest displacement-in-class V6, you'll understand.

"Soccer games, baseball practice, drum lessons.
I'm glad the interior has enough room for my family's
stuff. Because this remote-entry trunk is all mine."

Galant ES shown. Not all features standard on every Galant model. See specifications for details on optional equipment and accessories.

WE HAVEN'T FORGOTTEN YOU. After all, it's got tons of interior room, keyless trunk release, solar-control glass, a rear pass-through seat and articulated trunk hinges adding to the already spacious cargo area. Is it too good to be true? Nope. It's a Galant.

"Sounds like daddy was having his own little concert in here last night with the 270-watt stereo system. What do you say we turn it down just a bit so we can hear ourselves think?"

Not all features standard on every Galant model. See specifications for details on optional equipment and accessories.

YOUR LIVING ROOM IS OVERRATED. Especially when you consider this upscale leather-surfaced interior is accented by ice-blue illuminated gauges, steering wheel-mounted audio controls, color LCD display (with compass, temperature, date and time) and a 270W Infinity® 6-CD, 8-speaker audio system. You can start moving the TV into the garage.

People spend over three weeks of their year commuting. After experiencing the interior of the '04 Galant, you're going to wish that number was higher. This upscale cabin bathes you in amenities like an 8-way power-adjustable driver's seat, leather seating surfaces, a color LCD display, seamless dashboard, and a ton of convenient storage compartments for pens, maps, coins, sunglasses and yes, even tissues. Now wrap it all up in soothing textures and a soft-touch finish, and you'll start to see why the '04 Galant will make your commute feel more like getting a hug than driving to work.

Not all features standard on every Galant model. See specifications for details on optional equipment and accessories.

Impressed by the titanium-finish shift bezel? Just wait until you see the automatic climate control system with quick-dial control knobs and ice-blue LED gauge illumination. Feeling spoiled? Good. That's the Galant doing its job.

The center-mounted control panel. It not only looks like your home stereo, with 270 watts powering the 8-speaker 6-CD audio system, it also sounds like it.

Galant GTS shown.

POINT OF INTEREST. The instrument panel of the '04 Galant is designed to offer wider openings at the doors, for both driver and passenger, allowing easier entry and exit. Is it rocket science? Rockets wish.

Not all features standard on every Galant model. See specifications for details on optional equipment and accessories.

YOU MIGHT WANT TO KNOW THIS. The '04 Galant joins the Mitsubishi Endeavor as the second vehicle to be produced under the Project America banner, which was put in place to design and build roomier, more powerful cars in America, for Americans.

Looking at its purpose-cut precision lines and its bold stance you get the feeling the designers had something in mind when they created this year's Galant. The 4-bulb halogen projector-style headlights, the 17" alloy wheels, the clear-and-chrome oval inset taillamps, the aggressive center grille pillar and the integrated spoiler seem to lend evidence to this theory. So did Mitsubishi have anything in mind when they developed this distinctive sedan? Yes. You.

Mitsubishi Refined Impact Safety Evolution (RISE) chassis

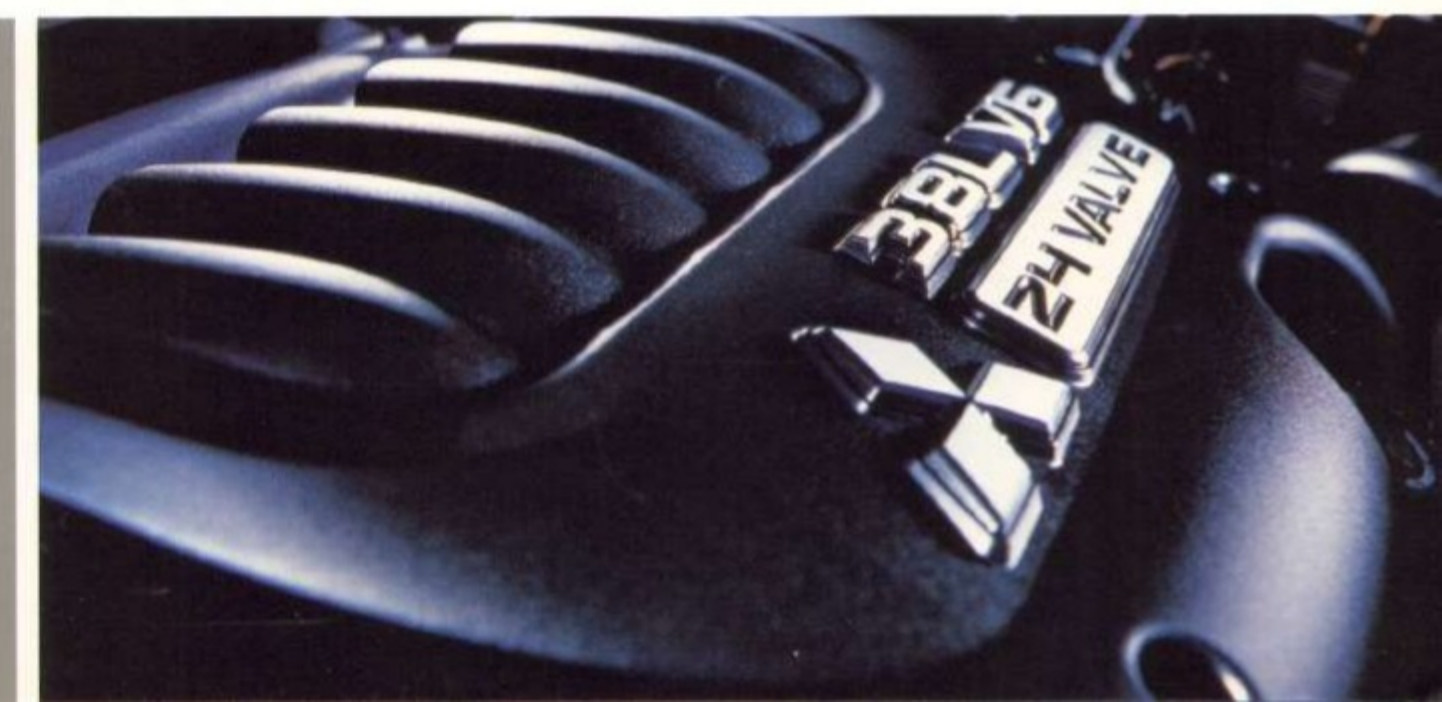

When you finally find a sedan that doesn't force you to make any compromises, you don't want a corner to come along that does. So, to help guide you through any less than desirable driving conditions, the '04 Galant offers ABS and Traction Control systems. Of course, the 4-wheel disc brakes, multi-link rear suspension, corner-friendly wide-stance design and the smooth-riding long wheelbase don't hurt either. And with the advanced dual-stage front air bags¹ with passenger occupant sensors, the unibody RISE chassis (with front and rear crumple zones), front safety belts with pretensioners and a remote panic alarm, it's nice to know the Galant isn't just concerned about itself, it has your safety on its mind as well.

Galant GTS shown. Not all features standard on every Galant model. See specifications for details on optional equipment and accessories.
¹Always place an infant in a rear-facing infant seat in the rear seat. Always transport children up to 12 years old in the rear seat and use appropriate child restraints. Always buckle your safety belt. Keep at least 10" between the center of the front air bag cover and your breastbone. Sit well back and upright without leaning against the window or door.

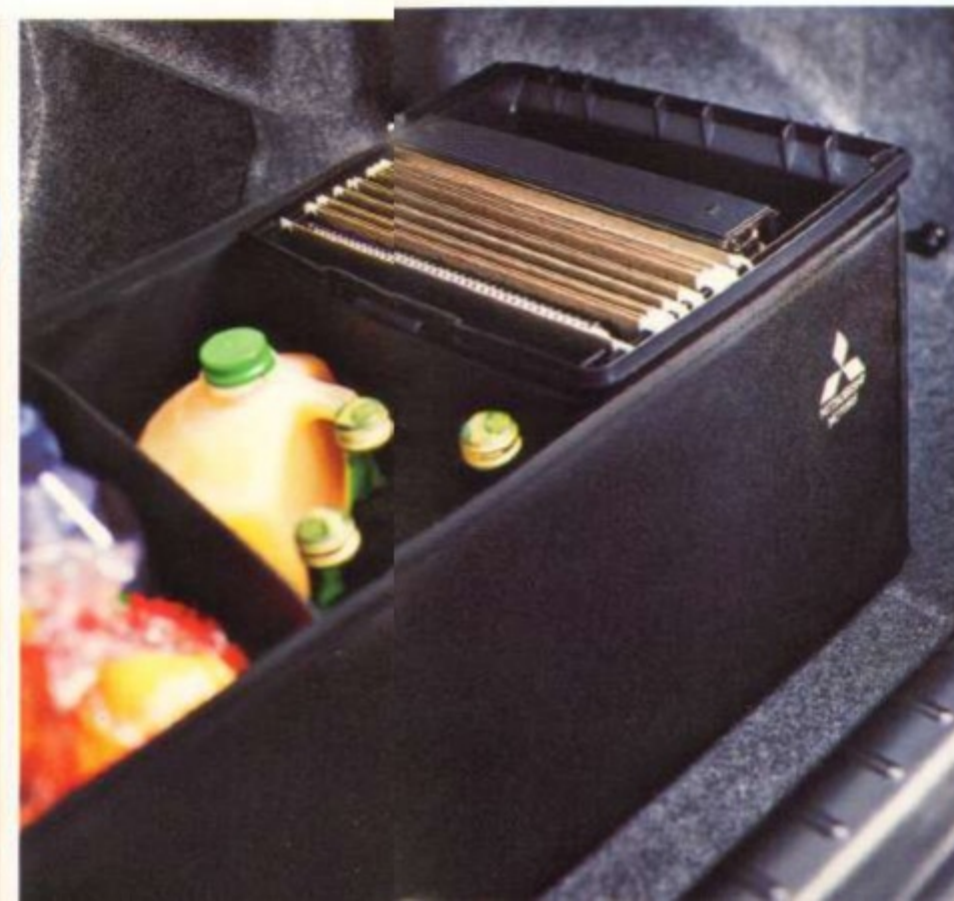

SOMETHING TO TELL YOUR FRIENDS. The 3.8L, 24-valve V6 has the largest displacement in its class. But don't worry, it's in no danger of becoming teacher's pet.

It's not what's on the outside, but what's on the inside that counts. Well, at least that's what the less-attractive cars try to tell us. Regardless, the '04 Galant isn't settling for runner-up in either category. In fact, the 2.4L high-output MIVEC 4-cyl uses variable valve timing to produce more power over a larger rpm range to make sure of it. Of course, there's always the 3.8L V6 churning out 230 horsepower and 250 lb-ft of torque willing to lend a hand. Not too shabby, considering with a flick of the wrist, this engine is taking its marching orders from a 4-speed Sportronic[™] transmission. Inside. Outside. Let's be honest, it all counts.

YOU CAN DRESS IT UP, and you can take it out. Just try on the license plate frame (lower left), sunroof wind deflector (lower middle) or the trunk cargo organizer (lower right).

- 6-CD in-dash changer
- Sunroof wind deflector
- Side-window air deflectors
- Rear spoiler
- Mudguards
- Chrome exhaust tip
- License plate frame
- Fog lights
- Wheel locks
- Door sill scuff plate
- All-weather floor mats
- Leather-trimmed interior
- Leather-wrapped shifter
- Cargo mat
- Cargo net
- Cargo organizer
- Cargo area apron
- Engine block heater
- Car cover

Mitsubishi Genuine Accessories. Add them at the time of purchase, and they'll not only be installed but most are covered under a 3-yr/36,000-mile limited warranty. And even better, you may be able to work them into your monthly car payment. Tailor your Galant with a chrome exhaust tip (lower left). Send the wind packing with the rear spoiler (left). And keep your alloy wheels from becoming somebody else's with a set of custom chrome wheel locks (below).

MITSUBISHI ACCESSORIES

DIAMOND CARE

WARRANTIES* Every 2004 Mitsubishi comes with a 3-year/36,000-mile New Vehicle Limited Warranty, a 5-year/60,000-mile Powertrain Limited Warranty and a 7-year/100,000-mile Anti-Corrosion/Perforation Limited Warranty. **DIAMOND CARE™ DELIVERY** Your new Mitsubishi will be prepared, inspected and explained to you prior to delivery. **DIAMOND CARE PROTECTION PLAN** Extended service coverage is available for up to seven years or 100,000 miles after your purchase. **LEASING AND FINANCING** Many leasing and financing programs are available through Mitsubishi Motors Credit of America, Inc. See your Retailer for details. Not all customers will qualify. **DIAMOND CARE ROAD SERVICE** Should your Mitsubishi become inoperable due to a warrantable failure in the first three years or 36,000 miles, Mitsubishi Motors North America, Inc. (MMNA), will authorize your vehicle to be towed to the nearest Authorized Retailer or Service

Center at no charge.** Towing beyond the three-year or 36,000-mile limit for Diamond Care Road Service is covered and reimbursable if the problem that caused the need for the tow is still covered under warranty. **NOTE** Technical data, features, options and other equipment shown in this brochure are based on the latest information available at the time of printing and are subject to change without notice. Headlights, parking lights, fog lights and instrument panel lights on vehicles may be illuminated for illustration purposes only. **SAFETY** Safety is a two-way street. It requires your attention and cooperation. Please fasten your safety belt, drive responsibly and obey all local traffic laws. **OPTIONAL EQUIPMENT** Availability of vehicles with specific features may vary. For further information contact your Retailer. For the Retailer nearest you, call 1-888-MITSU2004 or visit our website at mitsubishicars.com.

*See your Mitsubishi Motors Retailer for all Limited Warranty details.
**Towing will not be covered if your vehicle is driveable and driving would not pose a safety problem or cause further damage to your vehicle; or if vehicle is inoperable as a result of an accident, owner abuse, lack of maintenance, or driver error. Diamond Care Road Service towing coverage applies only to vehicles within the continental U.S., Alaska and Hawaii.

STANDARD FEATURES FOR ALL GALANT MODELS

IF YOU WANT ONE WITH FEWER FEATURES, YOU'LL HAVE TO BUILD IT YOURSELF.

- Unibody RISE chassis
- Automatic transmission with adaptive shift control
- 4-wheel independent suspension
- Anti-sway bars, front and rear
- 4-wheel power-assisted disc brakes
- Speed-sensitive, power-assisted rack-and-pinion steering
- Stainless steel exhaust system

- Air conditioning with electric dial controls
- Height-adjustable steering column
- Height-adjustable front headrests
- Power door locks with lockout protection
- Power windows + driver's side auto down
- Remote hood and trunk releases
- Rear center armrest + cup holders and cargo-area pass-through
- Trunk lamp

- Power sideview mirrors
- 2-speed variable intermittent windshield wipers
- Solar control glass
- Auto-off headlights
- Daytime running lights
- Keyless entry (4 doors + trunk)
- 3-point safety belts at all seating positions
- Height-adjustable front safety belt anchors

- Advanced dual-stage SRS front air bags¹ with seat-occupant and seat-position sensors
- Lower and upper anchors for child seats
- Child safety locks (rear doors)
- Theft-detering engine immobilizer
- Front and rear floor mats

For over forty years, we've put our engineering to the test on the rally circuit worldwide. In addition to the obvious thrill of winning, competing against our peers helps us develop and refine new ideas. Ideas that find their way into all our vehicles. Ideas that look good sitting in your driveway.

mitsubishicars.com/heritage

We are Mitsubishi. We build quality cars. Yet we also offer something more. Because while a car should answer your needs, it should also stir your emotions. Like it or not, cars are a window through which the world views us. Through that window we can appear dull and lifeless – sensible to the point of boring. Or we can show the world that our hearts beat strong and our minds are quick. Mitsubishi takes pride in building cars that ignite the vital spark which often lies sleeping just beneath the surface in each of us. Cars that challenge us to **wake up and drive.™**
