

Jeep®

CHEROKEE

2026
BUYER'S GUIDE

HIGHLY MOTIVATIONAL Jeep® Cherokee for 2026 elevates this classic name in four-wheel exploration to all-new heights...and makes more room for those along for the ride. Equipped with confidence-building power and maneuverability features, Jeep Cherokee revels in the daily routine and encourages some boundary-pushing, as well. A reimagined, sleek exterior design retains classic Jeep cues, delivering “Go Anywhere, Do Anything®” attitude. The interior is expanded to include Unsurpassed Rear Seat Hip Room,^{1*} and 140 standard and available safety and security features create a comfort zone of its own.

*A note about this brochure: all disclosures can be found on the last page.

ALWAYS GAMF

OVERLAND® IN SILVER ZYNITH

Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

SUCCESSOR

HEROIC ROLE MODELS Bold living starts with the 2026 Jeep® Cherokee, which has the capability to generate unwavering confidence in most any situation. Driving it all is Cherokee's 1.6L I-4 Turbo Hybrid Electric Vehicle engine paired with an Electronically Variable Hybrid Transmission (EVT313). It delivers 210 horsepower, 230 lb-ft of torque from peak combined output and a unsurpassed Towing Capacity of 3,500 lb.¹ With its Jeep Active Drive I (4WD) Four-Wheel Drive (4WD) System and Best-in-Class Approach and Departure Angles¹ Cherokee will get you in – and out of – uncharted territory. Along the way, the Selec-Terrain® Traction Management System lets you easily toggle between ideal settings for Sport, Auto, Snow and Sand/Mud conditions. In all, Cherokee possesses an extraordinary skillset that will inspire your most daring adventures.

INSPIRATION POINT The views are stunning as you approach the newly redesigned Jeep Cherokee. It provides a modern take on its classic lines and signature accents without forgetting its utility roots. Its sleek new grille design includes a Gloss Black surround upper and Dark Neutral Gray accents. An available Two-Tone Paint Group adds a dynamic look that features a Gloss Black-painted roof. The drama continues with Black roof rails, door cladding, and wheel flares that frame available 20-inch machined-face aluminum wheels with painted pockets. Unique LED light designs that include U-shaped daytime running lamps (DRLs) guide the way, while an available dual-pane panoramic power sunroof fills the cabin with the light of day.

SAFETY AND SECURITY Jeep Cherokee takes multiple measures (140 of them) to help keep you out of harm's way. Included in these features are nine advanced multistage air bags,² Advanced Brake Assist³ with Full-Speed Forward Collision Warning Plus³ and Pedestrian/Cyclist Emergency Braking.³ The Cherokee Active Driving Assist System⁴ features the Active Lane Management System,⁵ Blind Spot Monitoring⁶ and Rear Cross-Path Detection System⁷ and more. Plus the 360° Surround-View Camera System⁷ (packaged with Advanced Pro Tech Group) and the Drowsy-Driver Detection⁴ are just a couple of ways Cherokee keeps you informed and aware.

ELEVATION

PEOPLE PLEASER Jeep® Cherokee helped lead Four-Wheel Drive into more refined territory. For 2026, it takes it to another level with an interior that delivers the ultimate in relaxation and convenience. Highlights include available cloth or leatherette seats that feature embossed or perforated designs, along with available heat and ventilation. A modern-design, premium-wrapped steering wheel offers mounted audio and cruise controls, available heat, and a view of the 10.25-inch digital, full-color Driver Information Display (DID). The standard Uconnect® 5 system with available Navigation, an intuitive 12.3-inch touchscreen display and configurable screen allows for hands-free⁸ talk and text, and transitions easily to your preferred phone through wireless Apple CarPlay^{®9} or Android Auto.^{™10} Find clever storage solutions in the front floor console, under the cargo area load floor and in all four door pockets—plus, there's an available wireless charging pad under the console lid.

(1) Based on FCA US LLC Mid-Size HEV Utility Vehicle segmentation, excludes ICE, PHEV, MHEV and EV entrants. Based on the latest available competitive information. (2) Always sit properly in designated seating positions with seat belts securely fastened at all times. (3) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (4) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (5) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (6) Always check visually for vehicles prior to changing lanes. (7) Always check entire surroundings visually before proceeding. (8) The Uconnect Phone requires a mobile phone equipped with wireless connectivity. To check phone compatibility, please visit UconnectPhone.com. (9) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries. Apple terms of use and privacy statements apply. (10) To wirelessly use Android Auto on your display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. (11) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (12) Three-month / 3GB trial included with the purchase or lease of a new vehicle. Upon the earlier of either the expiration of the trial period or usage of included 3GBs, the trial ends. Purchase of a subscription is required to continue service. Wi-Fi Hotspot available through third-party provider subscription and subject to provider terms and conditions. Requires eligible vehicle with Internet-enabled mobile device. Contact your dealer for details. Wi-Fi Hotspot functionality available in U.S. and Canada only. Coverage and service not available everywhere. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (13) All SiriusXM services require a subscription, sold separately by SiriusXM, after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at then-current rates. Fees and taxes apply.** See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of SiriusXM Radio Inc. and its respective subsidiaries. (14) All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), up to five years of Vehicle Performance Package, up to 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrollment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. (15) This system is an alert system for the front and sides of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (16) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (17) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (18) Always drive carefully, consistent with conditions. (19) Check state and local laws regarding the use of remote start systems. (20) Not compatible with all garage doors. (21) Vehicle must be locked and system activated for alarm to sound. (22) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. (23) This system is not intended to be used while vehicle is in motion. (24) Vehicle must be enrolled in an active subscription with Jeep Connect. (25) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
