

1997 Mitsubishi Diamante

ISN'T IT ABOUT TIME A LUXURY SEDAN SURPRISED YOU

with inspiring performance? □ At Mitsubishi, we're redefin-

ing luxury. It's no longer simply about indulging in leather

seats, woodgrain trim or a refined ride. Rather, it's about

the way you feel. It's rooted in the pure invigoration of

handling a true driver's sedan. In the serenity of enjoying

quiet comfort behind the wheel. And in the refreshing

knowledge that every drive will reward you with complete

satisfaction. □ We call it the Mitsubishi Diamante—a spirited

sedan engineered to reward the demanding driver. And a

luxury automobile endowed with definitive richness. On

the road, you will be exhilarated by its polished perfor-

mance. Inside, you will be cradled in refinement. □ The

all-new Mitsubishi Diamante. It's the ultimate expression

of Mitsubishi design and engineering. And establishes a

hallmark for luxury touring in its most elevated form.

THE ALL-NEW DIAMANTE IS MITSUBISHI MOTORS' ULTIMATE

expression of luxury and performance in seamless concert.

Its silky smooth contours whisper refinement,

□ Diamante surrounds you in splendid, spacious opulence,

with a host of sumptuous accoutrements at your beck and

with every nuance exquisitely rendered. This car's performance, however, is anything but subtle.

call. Yet this remarkable sedan electrifies your senses with

powerful acceleration, taut handling and

profound command. Because true luxury demands that

your every wish be fulfilled. □ So Diamante indulges your

desire for comfort and contentment. Puts your mind at

ease with advanced safety technology. Stimulates your

aesthetic sensibility with tasteful, elegant style. And makes

spirited driving something you'll look forward to as never

before. □ If you seek to savor the height of

luxury, and to revel in exceptional power and agility, your

search is complete. We proudly present the 1997 Diamante.

prises a 4-speed automatic transmission so

refined, it shifts with silken smoothness. □ A fully indepen-

dent suspension system shields Diamante's cabin from

the road's harshness—at the same time providing taut,

precise handling. Four-wheel disc brakes help

ensure fade-free stopping. □ And to reinforce your

assurance, steel safety-cage construction, side-guard door

beams, built-in crumple zones and dual front air bags² head

the list of Diamante's standard protections.

mitsubishi motors is making major news for 1997.

We're introducing all-new models, and we've redesigned our existing vehicles to make them significantly more refined. So our full line of vehicles stands out with a higher level of energy and excitement. □ Every Mitsubishi comprises durable engineering, thoughtful design and advanced safety technology. But equal effort has gone into ensuring that our vehicles inspire emotion. Convey an attitude. And generate unmistakable exhilaration. □ That's why even our most affordable car embodies a sleek, sensual style. Why our top-of-the-line sports cars combine turbocharged power with the control of All-Wheel Drive. Why our sport utility vehicles are so tough on the outside, so comforting within. And why our flagship luxury sedan surrounds you in opulence, yet electrifies your senses with its performance. □ Mitsubishi Motors has just the vehicle to meet your needs—today, and for many years to come.
