

The Volkswagen Music Edition Package
Your own 115 hp fuel injected boom box.

Drivers wanted. 

A Volkswagen Music Edition Package may look like a Jetta or Golf on the outside but

inside there's a sound system powerful enough to feather your hair down the middle. How so? Well, it comes complete with an 8 speaker stereo system, a state of the art AM/FM cassette player and a shock resistant 6-disc CD changer. That's how so. And if you consider music as much a part of driving as, say, a stick shift, you should really check one out. You know, hear one for yourself. On the road of life there are passengers and there are drivers.

Drivers wanted.
