LINCOLN

Reach Higher

THE ALL-NEW 2007 LINCOLN MKX

The panoramic, all-glass Vista Roof™ can flood the cabin with light at the touch of a button. Adaptive headlamps* pivot with each turn of the steering wheel, improving visibility around curves. The Navigation System* provides spoken directions as it guides you to your destination.

Can a vehicle really simplify your life?

In the all-new 2007 Lincoln MKX, the answer is a resounding YES. Suddenly, the sky's no longer the limit.

Lincoln MKX in Pewter Metallic. Shown with available equipment.

THE ALL-NEW 2007 LINCOLN MKX

Clouds overhead? Precipitation in the forecast? No need to worry inside.
In all weather conditions, Intelligent All-Wheel Drive* automatically enhances on-road performance.
To help keep all four wheels firmly planted, AdvanceTrac® with class-exclusive RSC® (Roll Stability Control) improves vehicle stability in a wide range of conditions.

What more could you ask of a vehicle? For Lincoln MKX, there's much, much more.

Lincoln MKX in Pewter Metallic. Shown with available equipment.

*Available feature.

THE ALL-NEW 2007 LINCOLN MKX

With 16 Light-Emitting Diodes (LEDs) flanking the prominent Lincoln Star, the elegant rear lighting panel of Lincoln MKX provides illumination across the width of the liftgate. Other drivers will certainly take note of it, along with the high-mounted rear spoiler and dual chrome exhaust tips.

Until you press the accelerator, that is. Then, 265 horsepower will whisk you quickly out of sight.

Lincoln MKX in Black. Shown with available equipment.

THE ALL-NEW 2007 LINCOLN MKX

Figured Maple (shown) or Ebony wood adorns the instrument panel, door-trim panels and steering wheel. Satin-nickel and chrome accents add warmth and elegance.

Cool, white interior lighting creates an intimate evening environment.

With surroundings this inspiring, who needs a destination?

Lincoln MKX shown in Sand leather trim with available equipment.

THE ALL-NEW 2007 LINCOLN MKX

Class-exclusive* heated and cooled front seats** keep front occupants comfortable, no matter what the temperature outside. Exceptional rear-seat leg room and reclining rear seatbacks — with a best-in-class recline angle — allow passengers to relax, especially while they're gazing through the panoramic Vista Roof!***

Class-exclusive heated rear seats** increase the comfort level even more.

Lincoln MKX in Sand. Shown with available equipment.

*Medium Premium 5-Passenger 6-Cylinder CUV class. **Available feature.

OPEN UP TO THE POSSIBILITIES

A crescent moon. Massive skyscrapers. A canopy of stars. The first snowflakes of the season. With the optional panoramic, all-glass Vista Roof™ on the all-new Lincoln MKX, these views and more are available on every drive. A large forward moonroof provides an expansive opening to the sky, while a fixed rear sunroof gives passengers an outside view as well.

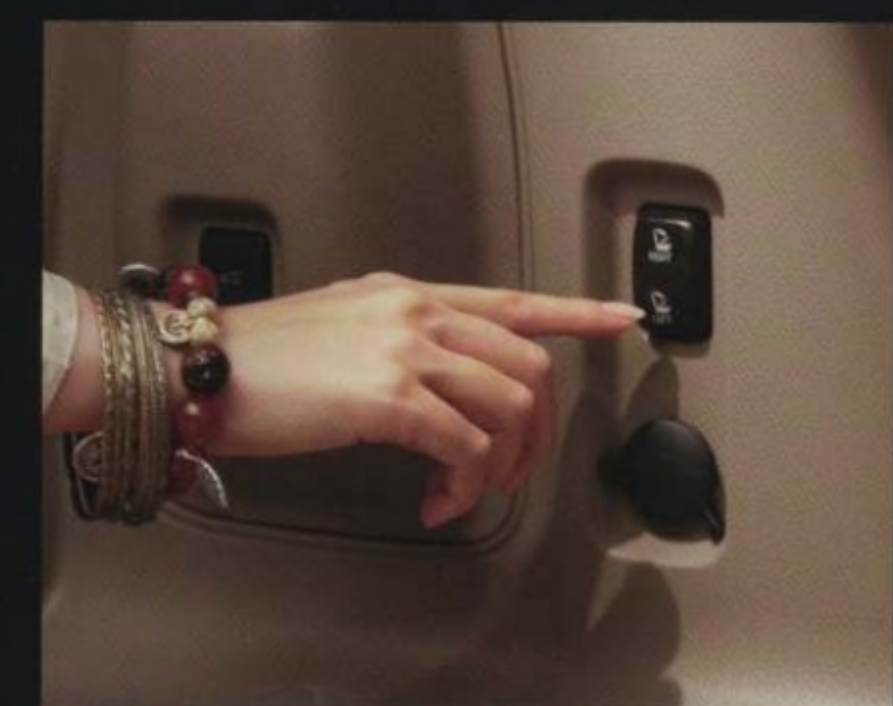

For an incredible inside view, the dealer-installed Headrest DVD Entertainment System* (shown at top) will delight children and entertain friends with two totally independent 7" color TFT LCD widescreen monitors incorporated into the driver and front-passenger head restraints. Featuring fully integrated top-slot loading players, two dual-channel infrared headphones and a remote control, the system allows rear-seat passengers to view different sources on each screen or the same source on both screens. And game/video ports allow connection to portable gaming systems.

You'll take in everything from the "Active Comfort" of the leather-trimmed seats in Lincoln MKX. This new seat contour design allows you freedom to move with the vehicle, while still fitting smoothly and supportively around you. It's much like a good pair of running shoes. The special contours also help reduce pressure points and fatigue, providing outstanding short- and long-term ride comfort.

Encompassing nearly 40% of the total roof area, the Vista Roof creates a daylight opening that's over three times larger than the average moonroof. This invigorating feature provides a maximum total-daylight opening of 9.0 sq. ft. That's a lot of sky, or stars, or fireworks.

Open the forward moonroof to either of its two positions with the touch of a button, and a wind diffuser raises automatically to limit wind noise. Dual power sunshades provide close to 100% sun blockage, helping to keep the cabin cool, as well as protecting passengers and your interior fabrics from the sun's ultraviolet (UV) rays.

ADDITIONAL POSSIBILITIES: Available class-exclusive heated and cooled front seats provide three warm and three cool settings; the large center console of Lincoln MKX has a removable divider that allows you to customize this space for your CDs or handbag, as well as a concealed power point to charge your phone and an audio input jack to plug-and-play your MP3 player through the audio system; available class-exclusive heated rear seats coddle passengers seated there; an available EasyFold™ rear seatback release lets you create a flat cargo loadfloor in seconds by simply pushing and holding a button in the rear cargo area.

LEFT TO RIGHT: The standard audio input jack in the center console of Lincoln MKX allows you to plug in your MP3 player and play it through the vehicle's speakers; the optional Rear-Seat DVD Entertainment System's ceiling-mounted DVD player makes long trips seem much shorter for those in the rear seat; advanced THX Digital Signal Processing technology takes a two-channel stereo CD and up-mixes it to multiple channels, reproducing a natural surround sound experience.

LICENSE TO THRILL

Mobile concert hall. SIRIUS Satellite Radio* receiver. Traveling movie house. Navigation concierge. If you choose, the all-new Lincoln MKX can serve each of these functions as you take your in-vehicle entertainment and technology to a whole new level. A THX® II Certified Audio System, SIRIUS Satellite Radio, Rear-Seat DVD Entertainment System and DVD-based, touch-screen Navigation System are all available for your listening, viewing and traveling pleasure.

Maximizing the benefits of the standard AM/FM stereo and 6-disc in-dash CD changer with MP3 capability, the optional THX II Certified Audio System features over 600 watts of dynamic sound through 14 precisely placed speakers.

Optional SIRIUS Satellite Radio, with over 125 channels of news, sports, personalities, and commercial-free music, even comes with a courtesy 6-month subscription.

The optional Rear-Seat DVD Entertainment System keeps rear passengers happy with an 8" color LCD screen, two sets of wireless headphones, storage for up to three DVDs and a wireless remote control.

And since asking for directions is so hard to do, the optional DVD-based, touch-screen Navigation System (shown at right) with intersection programming actually calls out upcoming street names for you. Combining DVD mapping with Global Positioning System (GPS) satellite technology, the system features presets for routes you'd like to store, as well as a convenient points-of-interest function that can route you to an ATM, hotel, or even the nearest hospital, if necessary. Touch-screen simplicity, and Map, Destination and Menu buttons make it intuitively easy to use.

*See your Lincoln Mercury Dealer or call 1-800-4-A-LINCOLN for more information.

HEADLAMPS THAT TURN WHEN YOU DO

Picture this scenario. It's late at night. You're in the country. The road twists and turns. There are no street lamps lighting the way. As you navigate unfamiliar curves, your headlamps — your only source of light — pivot with each turn of the steering wheel. That's exactly what will happen with the available adaptive headlamps on the all-new Lincoln MKX.

Based on steering wheel angle and vehicle speed, motorized halogen low-beam projector headlamps turn in the same direction that Lincoln MKX is turning. The results are quite illuminating. When compared to conventional headlamps, this simple action of swiveling in the direction of the turn makes up to 36 more feet of the upcoming roadway visible around a curve. You'll see better at night, and have more time to react to obstacles or traffic ahead.

From the rear, other drivers will clearly see Lincoln MKX because of the full-width illumination of an elegant rear lighting panel. Flanking the prominent Lincoln Star that centers the rear liftgate, 16 Light-Emitting Diodes (LEDs) and a high-mounted stop lamp in the rear spoiler will quickly let others know of your braking intentions.

POWERFUL CAPABILITIES

The all-new Lincoln MKX has more than enough power to keep your ambitions in high gear. Its all-new 3.5L Duratec V-6 engine produces a lively 265 hp and 250 lb.-ft. of torque. Excellent launch and acceleration performance are delivered by an all-new, class-exclusive 6-speed automatic transmission, which actually adapts to your driving style to tailor shifts accordingly. Add the optional Class II Trailer Tow Package, and Lincoln MKX can tow up to 3500 lbs.

For more capability in all weather conditions, the optional Intelligent All-Wheel-Drive (AWD) system makes any drive even more exhilarating. This on-demand AWD system constantly monitors driver and vehicle inputs, predicts traction and delivers the appropriate amount of torque to all four wheels, reacting before wheel slippage can even occur. Together with standard AdvanceTrac® with RSC® (Roll Stability Control), it can transfer torque both front to rear and side to side, keeping Lincoln MKX moving even if only one wheel has traction.

19

TUNED FOR LUXURY

A solid foundation contributes greatly to the smooth handling characteristics of the luxury-tuned, fully independent front and rear suspension of Lincoln MKX. The MacPherson strut front suspension, mounted to an isolated subframe, employs hydrobushings to reduce unwanted steering wheel vibration. The shock absorbers for the independent rear suspension are mounted outboard and behind the wheel center to help maximize rider comfort and increase driver control. To slow the standard 18" machined-aluminum wheels or optional 18" chrome-clad aluminum wheels, a 4-wheel disc Anti-lock Brake System is standard.

THE LUXURY OF SILENCE

Acoustic laminated windshield. Thick side-window glass. Aerodynamically "tuned" sideview mirrors that create virtually no wind noise. Additional layers of sound-absorbing material in the roof headliner, instrument panel and behind nearly every trim panel. Advanced door seals. A sound barrier in the wheel housings. These extraordinary steps were taken to ensure that the sounds you hear in the rich, leather-trimmed interior of Lincoln MKX are the ones you want to. Like the voices of your passengers, even those comfortably seated in the rear seat.

FOR YOUR PROTECTION

An array of six standard airbags offers enhanced protection for all outboard passengers in Lincoln MKX. Driver and front passenger are protected by dual-stage front airbags and front-seat side airbags, while all outboard passengers benefit from the side-curtain airbags in the Safety Canopy™ System. In certain types of side-impact events, these side-curtain airbags deploy from the headliner to cover both rows of the vehicle. Additional protection for the driver comes from a stroking steering column, which functions similarly to a shock absorber to help reduce impact to the chest in the event of a frontal crash.

Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

READY AND STABLE

AdvanceTrac® with class-exclusive RSC® (Roll Stability Control), standard on every Lincoln MKX, is an electronic stability enhancement system that actually measures what other manufacturers' systems ignore or can only estimate. Our system features a vehicle-roll motion sensor that directly measures the vehicle's roll-rate at least 100 times every second to help determine when and how it will utilize AdvanceTrac's Anti-lock Brake System (ABS), traction control and yaw control to help keep all 4 wheels of Lincoln MKX firmly planted.

STANDARD EQUIPMENT

PERFORMANCE

- 3.5L Duratec 35 DOHC 24-valve aluminum V-6 engine with 265 hp @ 6250 rpm, 250 lb.-ft. of torque @ 4500 rpm, 10.3:1 compression ratio, sequential multi-port fuel injection and variable cam timing
- Class-exclusive 6-speed automatic transmission
- Front independent suspension with MacPherson struts and L-shaped lower control arms with isolated subframe and stabilizer bar
- Front-wheel drive
- Fuel tank capacity — 19-gallon FWD, 20-gallon AWD
- 18" 8-spoke machined-aluminum wheels with Euroflange
- P245/60R18 all-season BSW T-rated tires
- Power 4-wheel disc brakes with Anti-lock Brake System (ABS)
- Power rack-and-pinion steering
- Rear 4-link independent suspension with trailing blades, integrated knuckle and lateral links, isolated subframe and stabilizer bar

INTERIOR

- 5-passenger seating
- Assist handles for rear seat
- Auxiliary audio input jack located inside center console
- Cargo area tie-downs (2)
- Carpeted front and rear floor mats
- Chrome door handles
- Coat hooks (2)
- Dual-zone Electronic Automatic Temperature Control with secondary steering wheel-mounted controls
- Front center console with floor shifter, armrest, 2 cupholders, clamshell tray and divider
- Genuine wood accents in Figured Maple or Ebony on instrument panel, door-trim panels and steering wheel
- Leather-trimmed front seats with 8-way power, including lumbar support
- Leather-trimmed 60/40 split-fold, reclining rear seats with 2-way outboard head restraints and fold-forward center head restraint with armrest (with 2 cupholders)
- Overhead console with front-seat map lighting and sunglasses storage
- Particulate air filtration system
- Power points (4)
- Premium AM/FM audio system with 6-disc in-dash CD changer and MP3 capability
- Satin-nickel accents on steering wheel, center console and door-trim panels
- Sun visors with illuminated mirrors

INSTRUMENTATION ■ DRIVER'S CONTROLS

- Accessory-timed delays with theater-dimming lighting
- Auto-dimming rearview mirror
- Instrument cluster with electro-fluorescent lighting
- Leather-wrapped shifter knob
- Leather-wrapped steering wheel with cruise, audio and climate controls
- Message center
- Power windows with global open and one-touch-up/-down driver's and passenger's-side feature
- Tilt/telescoping steering column

EXTERIOR

- Bi-color combination taillamps and full-width LED lighting panel
- Black painted spoiler
- Center high-mounted stop lamp on liftgate spoiler
- Chrome beltline molding
- Dual chrome exhaust tips
- Fog lamps with chrome bezel
- Jewelled chrome grille with integrated Lincoln Star
- Power, heated, chrome-capped sideview mirrors with security approach lamps
- Quad-beam halogen headlamps with autolamp feature and wiper activation
- Solar-tinted front glass with rear privacy glass

SECURITY ■ SAFETY

- Personal Safety System® for driver and front passenger, with dual-stage front airbags*, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's-seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- AdvanceTrac® with RSC® (Roll Stability Control)
- Belt-Minder® safety belt reminder for driver and front passenger
- Child-safety rear door locks
- Front-seat side airbags for driver and front passenger
- Height-adjustable safety belts
- Illuminated entry
- LATCH provides lower anchors and tether anchors for child-safety seats in all rear seating positions
- Perimeter anti-theft alarm
- Remote keyless-entry system with illuminated keypad on driver's door
- SecuriLock® passive anti-theft system
- Side-intrusion door beams
- Safety Canopy™ System with side-curtain airbags for front and rear outboard passengers, and rollover sensor
- Tire Pressure Monitoring System

AVAILABLE PACKAGES

- **ULTIMATE PACKAGE** includes 10-way power driver and front-passenger seats with power lumbar, 18" 8-spoke chrome-clad aluminum wheels with Euroflange, adaptive headlamps, heated and cooled front seats, Reverse Sensing System, memory settings for seats and sideview mirrors, auto-dimming driver's-side sideview mirror, easy entry driver's seat, EasyFold™ rear seatback release, power liftgate and Universal Garage Door Opener
- **ELITE PACKAGE**** includes panoramic Vista Roof,™ DVD-based Navigation System, THX® II Certified Audio System and SIRIUS Satellite Radio with a 6-month subscription
- **CLASS II TRAILER TOW PACKAGE** (3500-lb. max towing capacity) includes Class II receiver hitch, wiring harness with 4-pin connector, engine oil cooler, upgraded cooling fans, upgraded battery (68 amp) and larger radiator

AVAILABLE EQUIPMENT

- Intelligent All-Wheel Drive (AWD)
- Panoramic Vista Roof with dual power sunshades
- Reverse Sensing System†
- Heated front seats†
- Heated rear seats**
- DVD-based Navigation System with intersection programming
- Rear-Seat DVD Entertainment System†† with 8" screen, remote control and 2 sets of wireless headphones
- SIRIUS Satellite Radio‡ including SIRIUS Satellite Radio receiver, SIRIUS Satellite Radio low-profile antenna, and 6-month courtesy subscription to SIRIUS
- THX II Certified Audio System with 14 speakers (including 1 subwoofer), 600 watts of power and 12 amplifier channels; includes AM/FM stereo/6-disc in-dash CD changer and MP3 capability
- Roof rack side rails (Black)††
- Rear Cargo Management System**

WHEELS

- A 18" 8-spoke machined-aluminum with Euroflange Standard
- B 18" 8-spoke chrome-clad aluminum with Euroflange Included in Ultimate Package

Cargo and load capacity limited by weight and weight distribution.

Complimentary maintenance makes driving your Lincoln even more of a pleasure. Simply bring it to an authorized Lincoln service center, and scheduled maintenance will be performed at no charge throughout your first year of ownership or 15,000 miles, whichever comes first. Additional peace of mind comes from a 4-year/50,000-mile bumper-to-bumper New Vehicle Limited Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile powertrain limited warranty which features no deductible and is fully transferable. And Roadside Assistance for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details on all of these privileges.

FORD CREDIT Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at www.fordcredit.com.

FORD MOTOR COMPANY INSURANCE SERVICES Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1.877.367.3847, or visit us at www.fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

FORD EXTENDED SERVICE PLAN For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

*Always wear your safety belt and secure children in the rear seat. **Requires Ultimate Package. †Included with Ultimate Package. ‡Not available with Vista Roof.

†SIRIUS not available in Alaska or Hawaii. See your Lincoln Mercury Dealer or contact SIRIUS at 1-888-539-7474 for more information.
