

1979 DODGE

ASPEN

Enjoy that great big-car feeling!

Aspen Special Edition (foreground) and Aspen (background) Four-Door Sedans

No car is the **one and only** answer to the private transportation needs of all Canadians. Your individual requirements such as economy, family size, handling and maneuverability, styling, durability and price range are a part of the Dodge Aspen story.

So . . . welcome to the Dodge Aspen family of cars. We feel they go a long way toward meeting many of your needs and desires.

There are 12 ways to go Aspen . . . that's 3 four-door sedans . . . 3 four-door wagons . . . 3 two-door coupes . . . and 3 specialty models. It's simple. There's an Aspen . . .

a Custom or Special Edition exterior and interior package for each sedan, wagon, and coupe, plus 3 specialty models . . . the Sun Rise Coupe, R/T Coupe, and Sport Wagon. You pick and choose from these 12 offerings.

Let's talk economy. Aspen's standard Slant-Six 3.7 litre (225 cu. in.) engine is a proven performer delivering spirited performance with an eye on your wallet, too.

Inside, there's room for six adults. That's a by-product of the space-saving, strong, all-welded construction. That's Unibody and when you combine it with torsion-bar front

Aspen Custom (left) and Aspen Special Edition (right) Station Wagons

Aspen Special Edition (foreground) and Aspen Custom (background) Two-Door Coupes

suspension, leaf springs in the rear, Oriflow shock absorbers, and sound insulation, you have a car that's really quiet and handles beautifully on all kinds of roads.

Styling is a matter of personal taste. Dodge Aspen lets you design your own, starting with the basic Aspen. You can do a lot to get the car you want. If you like it basic . . . then you order Dodge Aspen. For those who have a yen for more, it's the Custom Package . . . The Special Edition . . . or the specialty model. For many of you, the Dodge Aspen list of options, like new two-tone paints, could be the answer to how you'd like to dress-up

and equip your car. Before you do, look at the Standard Equipment list, especially the safety items. You'll see Dodge Aspen is quite a car.

Chrysler's 36-month, Anti-Corrosion Warranty backs up the durability of every Dodge Aspen. Your dealer has full details.

In the final analysis, you'll select the car that meets your requirements.

Try Dodge Aspen . . . price Dodge Aspen . . . before you buy or lease.

Aspen Sport Wagon (foreground) RT (right) and Sun Rise Coupe (left)

TRUNK . . . BIG!

Over 450 dm³ (16 cu. ft.) . . . enough to tote the travelling and day-to-day carrying needs of the average family.

INSTRUMENTS . . . EASY TO READ CONTROLS . . . EASY TO REACH

A combination of good looks and safety with woodgrain instrument cluster and easy-to-read gauges. Variable intensity lights, "key-left-in-ignition" warning buzzer and parking brake warning light are also included.

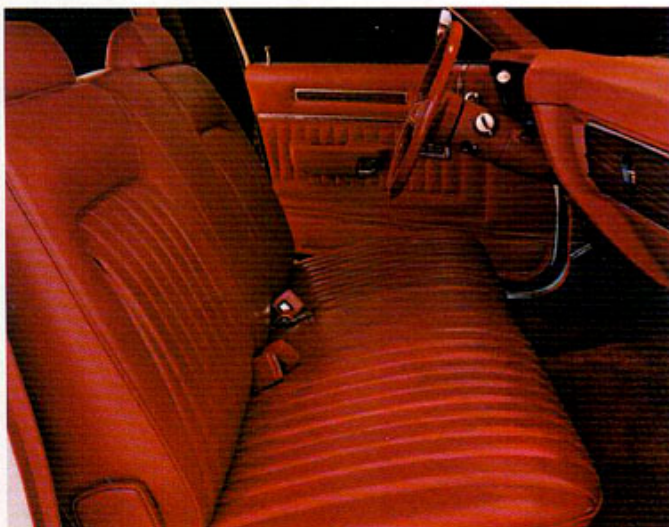

Optional 60/40 Cloth Bench Seat

ASPEN INTERIORS . . . PERSONALLY YOURS!

You pick and choose from an array of interiors containing many colours and materials. Of course, there are more selections in the Custom and Special Edition Packages.

The Aspen two-door coupe and four-door sedan feature a cloth-and-vinyl bench seat in a wide range of colours. In the Custom Interior Package, Special Edition Package, and options for the basic Aspen, there is a total of 6 more seats in many attractive colour combinations.

Your salesman will be happy to help you pick your favourite.

Optional Vinyl Bench Seat

Standard Cloth-and-Vinyl Bench Seat

STATION WAGON—CARGO AREA

Aspen wagons are designed to carry people . . . and cargo. For your "transportables", there's 2070 dm³ (73.1 cu. ft.) of space. That's enough for a one-day picnic or a month-long vacation.

STATION WAGON INTERIORS

Wagon interior selections range from a standard all-vinyl bench seat to optional all-vinyl bucket seats. A Custom Interior Package and a Special Edition Interior Package are also available at extra cost. Aspen gives you plenty of comfort . . . and seating selection.

Optional Vinyl Bucket Seats

Dodge Aspen

Standard Equipment Features

- ALTERNATOR—41 amp. with transistorized voltage regulator
- *ARMRESTS—Front and rear, padded
- ASH RECEIVER—Instrument panel
- BATTERY—325 amp; with built-in test indicator
- *BODY—Unibody construction combines body and frame into one solid, strong unit. Seven-stage anti-corrosion process
- *BRAKES—Dual braking system. Self-adjusting, front and rear. Front manual disc (6-cylinder Sedans and Coupes without air-conditioning). Power disc (Station Wagons)
- *BUMPER—Hydraulic energy-absorbing units restrict damage to bumpers and filler panels at impact speeds up to 8 km/h (5 mph), front and rear
- CATALYTIC EXHAUST SYSTEM—3.7 litre (225 cu. in.) 1- and 2-barrel 6-cylinder engines
- COAT HOOKS—Left and right side, of soft plastic
- COOLANT RESERVE SYSTEM
- *DOORS—Safety action recessed door handles, keyless locking system. Interlocking non-override door locks (except driver's door)
- EMISSION CONTROLS—Closed crankcase ventilation. Air preheat. Evaporative control and charcoal canister. Automatic vacuum spark advance, exhaust gas recirculation and and electric-assist choke
- FLOOR CARPETS—Colour-keyed carpet in passenger compartment, with floor mat in trunk
- HEADLINING—Formed perforated hardboard, colour-keyed
- HEATER/DEFROSTERS—With upper level ventilation
- HORNS—Single
- IGNITION—Electronic Ignition System eliminates breaker points and condenser. Reduces tune-ups and emissions. Provides easier starting
- *IMPACT PROTECTION—Protection beams in door. Improved rear impact and roll-over integrity fuel systems
- *INSTRUMENT PANEL AND CONTROLS—Woodgrain instrument panel includes a padded "cluster" design, with "key-left-in-ignition" warning buzzer, integrated brake fluid pressure loss and parking brake warning indicator

- LIFTGATE—One-piece, hinged top, including fixed window glass
- *LIGHTS—Single headlights, combined taillight, stoplight and backup light assembly, side marker lights and reflectors, dome lights with courtesy switches, turn signal lights with lane change feature, 4-way emergency flasher, lightgate ajar warning (Station Wagon)
- *LOCKS—Anti-theft ignition and break-in resistant trunk lock
- MIRRORS—Outside, manual left rearview mirror, chrome. Inside, balljoint-mounted with energy-absorbing lip around edge of glass
- PAINT—13 colours in durable Acrylustrer finish including 3 "Sunfire metallics"
- *SEAT BELTS—Combined lap and shoulder "unibelt" system for driver and front outboard passenger with tension reliever release. Lap belts for all remaining passengers
- *SEATS—Cloth-and-vinyl bench (except Station Wagons) with driver and passenger head restraints. Foam cushion pads of fire-retardant materials. Energy-absorbing seat backs, including safety fold-back latches (Two-Door Models)
- SPEEDOMETER—Dual calibrated (km/h & mph) with metric predominant. Distance recorder (odometer) reads in kilometres
- *STEERING—Manual. Impact-absorbing wheel and steering column, steering column lock and 3-spoke steering wheel with padded hub
- *SUN VISORS—Left and right, padded swivel type
- SUSPENSION—Big car ride. Front sway bar. Torsion bars front. Leaf springs rear. Oriflow shock absorbers. Entire front suspension and the front engine mounts are attached to the structural crossmember which is isolated from the unitized body by four rubber mounts
- TAILGATE RELEASE—Pop-open liftgate feature, conveniently located inside (Station Wagons only)
- TRANSMISSION—3-speed manual floor shift, synchronized in all forward gears
- *WHEELS—14 inch Safety-Rim
- *WINDSHIELD—Laminated glass prevents inside shattering
- *WINDSHIELD WIPERS/WASHERS—Electric 2-speed with overlapping wipe pattern
- *Safety Features

Selected Optional Equipment

- AIR CONDITIONING
- AIR DEFLECTOR—Station Wagon
- AUTOMATIC SPEED CONTROL—With Torqueflite Transmission
- AXLE—Rear with Sure-Grip Differential Rear with 2.7 ratio (8-cylinder)
- BATTERY—500 amp. Long Life
- BRAKES—Power Disc
- BUMPER GUARDS—Front and rear
- BUMPER PROTECTIVE RUB STRIPS—Front and rear
- CIGARETTE LIGHTER
- CLOCK—Electronic digital
- CONSOLE—With bucket seats and Torqueflite Transmission (Coupes and Station Wagons)
- DEFROSTER—Electrically heated rear window
- ENGINE BLOCK HEATER
- GAS CAP—Locking
- GLASS—Tinted, windshield only or all windows
- HOOD RELEASE—Instrument panel mounted
- LOCK—Glove box
- LUGGAGE ROOF RACK—Station Wagons only
- MIRRORS—Inside prismatic day/night. Left or right outside remote control, chrome. Dual racing, remote control, chrome or painted (Coupes)

**OPTIONS TO MAKE YOUR CAR
THE WAY YOU WANT IT**

- A. **TILT STEERING WHEEL.** Welcome comfort and convenience addition for the car with more than one driver. Adjusts to fit the comfort and reach needs of anyone behind the wheel. Moves easily out of the way for ease of entry and exit.
- B. **ROOF RACK.** Adds to your cargo-carrying capacity. There may be times in the life of your wagon when even the ample cargo space won't be enough.
- C. **AIR CONDITIONING.** Aspen's optional air conditioning is the perfect answer to hot weather driving. The system with its high-capacity blower provides quick cool-down. Blower speeds and temperature control are fingertip handy.
- D. **8-TRACK STEREO SYSTEM.** Your favourite music will sound better with this system. Makes your trips more enjoyable.
- E. **AUTOMATIC SPEED CONTROL.** For long drives, just set the speed control at the speed you desire. Great accelerator foot rest and gas saver, too. Cuts out when you accelerate, brake or disengage it.
- F. **WHEELS AND COVERS.** Here is one of the five road wheel and wheel cover options. It's your Aspen, have it your way.
- G. **TRAILER TOWING.** The best time to consider this option is before you buy the car. A heavy-duty "Chrysler-engineered" trailer-assist package can be installed at the factory.
- H. **T-BAR ROOF.** Dresses up your Aspen two-door coupe to look like an expensive road car. Fresh air and sunshine are all yours with this option.
