1988 DODGE

Comfort. Performance. Quality. The essence of a fine family car. To craft a sedan demands precision.

To design a road car is a joy. To combine performance, handling, roominess, and comfort in an affordable six-passenger family car is an engineering challenge. A challenge Dodge 600 meets. You can see evidence of this

in the spacious interior. And sense it the moment you're behind the wheel in the driver's compartment.

Come inside and investigate further. You will find that the quality and attention to detail run very deep.

For driver and passenger comfort, the interior of all sedans includes luxurious cloth seats with a fold-down armrest up front. The 600 SE interior, shown on adjacent page in Twilight Blue, has the added convenience of dual armrests, an individually adjustable 50/50 seat with a comfortable loose-pillow design, and reclining seatbacks up front. For the ultimate touch, you can add the available six-way power seat and tilt steering wheel.

The doors are trimmed in a richly textured cloth that

matches the interior. And there's deep pile carpeting on the door panels for stylish scuff protection.

Dodge 600 is an impressive family car, to say the least. Especially when you realize that extra touches such as all-window tinted glass, dual mirrors and steel-belted radial white sidewall tires are standard. Even the AM stereo*/FM stereo radio is included. *Some AM stereo broadcasting may not be compatible with this radio.

Comfort is not the only outstanding feature of this family sedan. Dodge 600 is shown on inside page in Dark Cordovan Pearl Coat; 600 SE is shown in Radiant Silver Clear Coat. They are both enjoyable to drive.

The standard power train is our proven 2.2-liter EFI engine. It delivers power and efficiency to spare. On 600 SE, a larger, more powerful 2.5-liter EFI engine is standard. Both come with a smooth-shifting TorqueFlite automatic transaxle—just the way most families prefer.

For driver convenience, power-assisted front disc and rear drum brakes, power-assisted rack-and-pinion steering, and thoughtful features such as an inside hood release and remote fuel filler door release are all standard.

If you're looking for the only family sedan that gives you an exceptional blend of comfort, handling, proven performance, front-wheel drive, and value, plus our 7/70 Protection Plan as described on the back cover, then look no further...it's gotta be a 1988 Dodge 600.

ABOUT THIS CATALOG, SINCE THE TIME OF PRINTING, SOME OF THE INFORMATION YOU'LL FIND IN THIS CATALOG MAY HAVE BEEN UPDATED. ASK YOUR DEALER FOR DETAILS.

SOME OF THE EQUIPMENT SHOWN OR DESCRIBED THROUGHOUT THIS CATALOG IS AVAILABLE AT EXTRA COST.

Interior Trim

Standard on Dodge 600. Cloth with vinyl trim split-back bench seat, folding center armrest and adjustable head restraints. Available in Twilight Blue, Cordovan, Silver/Charcoal.

Standard on Dodge 600 SE.

Cloth with vinyl trim 50/50 individually adjustable seats, adjustable head restraints, dual folding center armrests and dual reclining seatbacks. Available in Twilight Blue, Cordovan, Silver.

7/70 Power Train Limited Warranty

Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles, whichever comes first. A deductible applies. See your dealer for a copy of the warranty. Government, law enforcement, limousine, taxi and export vehicles excluded.

7/100 Anti-Corrosion Limited Warranty

Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles, whichever comes first. See your dealer for a copy of the warranty.

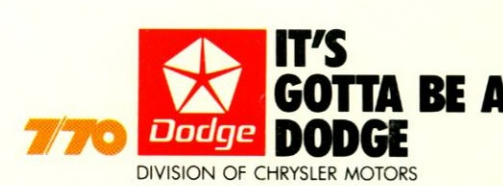

Optional Service Contract Coverage

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included.

Consider Leasing

Many of today's new car prospects are wisely considering leasing as an alternative to buying. Leasing a new Dodge 600 usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

Buckle up for safety.

1988 DODGE 600
